Highest Grade Seeds, Bulbs and Sundries for the Florist

We deliver free by express or parcel post (our option) to any Express Office or Post Office in the United States **Seeds** quoted by the ounce and quarter-pound. **Bulbs, insecticides, fertilizers, plants, and sundries** are at the buyer's expense. We make no charge for boxes or packing, and deliver free to all expresses or freight depots in Boston.

It will be helpful to our customers as well as ourselves to **have orders placed early**. Our policy is to make prompt shipments, but this is difficult as the season reaches its height. All orders will be filled to the best of our ability, subject to harvest. **Use our order sheet**, if possible, as it will save us time after its receipt. **Write your name and address complete and plainly** each time you write us, to avoid delay and missent goods. Don't say merely "Ship," but say whether you wish goods forwarded by Parcel Post, Express, or Freight, and if you have any preference as to company, express it.

All shipments are packed to withstand ordinary transportation conditions. In case of accident, sign for the shipment as **"damaged"** and have your delivery agent note the damage. Notify us instantly. Our responsibility ceases when we take an express or railroad signature. However, we are always ready to assist realizing on claims and will gladly furnish such documents as may be necessary to support them.

Note. When remittance accompanies the order, unless on items specially quoted or priced, we allow a 5% discount on all orders for Flower Seeds, 3% discount on all orders for Vegetable Seeds and Bulbs, otherwise a discount of 2% for payment in ten days of date of bill. **All prices are subject to change without notice.** To our new charge customers:

We ask that you kindly furnish satisfactory references, Boston preferred, and allow us ample time to investigate before filling your order.

CONDITIONS OF SALE. We give no warranty, express or implied, as to description, quality, productiveness, or any other matter of any seeds, plants, or bulbs we sell; and we will not be in any way responsible for the crop. All orders taken by our agents or salesmen, including any special terms or conditions pertaining to same, are subject to the approval of our home office. If the purchaser does not accept the goods on these terms, they are to be returned at once.

FISKE SEED COMPANY.

NOVELTIES AND SPECIALTIES FOR 1927

	Tr. Pkt.		Tr. Pkt.
ANTIRRHINUM NANUM , "Majestic Sunset". A new variety of Snapdragon of striking beauty. A dwarf, compact grower and unsurpassed for bedding purposes. The plants bear dense well set-up trusses of bloom. The extra large individual flowers present an exquisite combination of color, being a bright terra cotta above, shading gradually downwards into rosy salmon.....	.25	DELPHINIUM , New Hollyhock Type. A new strain of Delphinium, so called on account of first; their extraordinary length and tapering spire-like shape of the flower spikes; second, the statuesque beauty of the plants as a whole; third, the indescribably new and varied tints; fourth, their unmistakable resemblance to Hollyhocks.....	.35
AQUILEGIA , Fiske's New "Shades of Pink". The long-spurred type of this favorite hardy flower in entrancing shades of pink and rose. A valuable addition to any hardy garden or border....	.25	LOBELIA , Hybrida Sapphire. Deep sapphire blue with a large and well defined white eye, which makes a very pleasing and quite effective contrast. Its trailing habit makes it fine for window boxes and hanging baskets. ¼ oz. \$1.00	.40
AQUILEGIA , NEW IMPERIAL HYBRIDS. Extra fine form, very long spurs, magnificent range of color. Among the blues every conceivable shade from lavender to purple; the reds show almost every gradation from pale pink to crimson....	.25	LOBELIA , Mrs. Clibran. A beautiful shade of deep blue with white eye. Very striking and effective. Dwarf and compact and one of the finest varieties for bedding and border purposes. ¼ oz. \$1.00	.40
BEGONIA , Hanging Basket varieties mixed (Tuberous Rooted). Suitable for greenhouse, conservatory or sun parlor. For success in raising from seed, care should be taken that the surface of the soil and seed be kept moist and heavily shaded until germination has taken place.....	1.00	MARIGOLD , Dwarf Scotch Prize. A superior strain of double dwarf Marigolds. The flowers are large, perfectly shaped and beautifully striped with gold. Excellent for bedding and borders	.50
BEGONIA , Exhibition Strain Choicest Mixed. Seed saved from the world's finest collection of Single and Double Begonias. Single, \$0.50; Double....	1.00	SALVIA , "Harbinger." Plants are dwarf and compact with strong dark foliage and long spikes of dazzling bright scarlet flowers. The earliest of all. Seed sown in February will bloom in June. Oz. \$4.00	.75
CARNATION ALLWOODII , H. P. (Originator's Stock). Perpetual flowering carnation, possesses form, perfume and beauty of the Garden Pink. Flowers from early Spring until frost. Very hardy, simple of cultivation, adaptable for all gardens, window boxes and pot cultivation for conservatories; 100 seeds, \$0.75; 1000 seeds....	7.00	SCABIOSA , Peach Blossom. A beautiful shade of peach blossom pink, large size and long stems. An excellent cut flower. "Highly Commended" by the Royal Horticultural Society. ¼ oz. .75..	.35
DELPHINIUM , "The World's Finest Mixture." The seed in this mixture is saved from the only collection of Delphinium to receive the Gold Medal of the Royal Horticultural Society of England. Many of these varieties grow nine to ten feet tall and have magnificent spikes of flowers measuring twenty-four to thirty inches in length. The individual flowers measure two inches in circumference. The assortment of colors leaves nothing to be desired.....	.40	SCABIOSA , Shasta. A pure white Scabiosa of enormous size, the flowers measuring three and a half inches across with extremely long stems. ¼ oz. .75	.35
ACHILLEA . A fine hardy perennial for summer cutting. Resembles Feverfew.	Trade pkt. Oz.

BURPEE'S SWEET PEAS

We can supply any variety of Burpee's Sweet Peas at Burpee's prices. This in no way conflicts with our own policy of purchasing stocks of our own strains. Burpee's list is, however, much more extensive than our own. This arrangement allows our customers to send us their complete list of flower seeds and when Burpee's Sweet Peas are specified we will supply them in original Burpee packages, which will be ample guarantee of their genuineness.

DUTCH and FRENCH BULBS

For Fall Sales and Planting

We are now booking orders for all kinds of Imported Bulbs for Fall Planting. As in the past, we are in an excellent position to offer the most attractive prices on high grade stock on orders booked before July 15.

Customers who purchased from us last year know the splendid quality we can supply. Others can learn much to their advantage by allowing us to figure on their wants.

Remember that we quote **F. O. B. Boston**, and there are no uncertain packing, brokerage, drayage, and incidental expenses, and the vexatious delays frequent at the port of entry are entirely eliminated. Our importations are large and direct so we can serve you in a most satisfactory manner.

PROFITABLE SIDE LINES FOR COUNTER SALES

On the inside front cover page are listed just a few of those items that very properly can be used in season as profitable side-lines for your over-the-counter trade. Every one is an article which we sell in quantity at retail. By just a little interest and effort they will be **MONEY-MAKERS FOR YOU** and the accommodation will please your customer.
