Fall 1927

ABSOLUTELY NUMBER ONE SIZE

HYACINTH AND TULIP

BULBS

LIBRARY
RECEIVED

Our Bulbs are Shipped Direct

From Holland Each Year

U. S. Department of Agriculture.

Fresh bulbs shipped from the grower give better satisfaction than bulbs which have been stored over or propagated in this country.

We advise early ordering that you may have advantage of our last order wired to our Holland growers, which is generally about the last week in July.

A deposit of 25% with order will hold your order and insure prompt delivery September first.

CHARLES G. HAFNER

Importer of Dutch Bulbs and Grower
of Gladiolus
