HYACINTHS

Only three varieties are offered here, but they are the best. In the open ground plant in a rich light soil, and cover about 4 inches above top of bulb. If in pots, they should have 4 or 5 inch pot. The top of the bulb should be even with the top of the soil. Wet the ground and set in a cool, dark place for about five or six weeks, then bring out gradually to the full sunshine.

All varieties except King Alfred are 80c per dozen for first size round bulbs.

GALANTHUS OR SNOWDROP

Snowdrops have been called the earliest and loveliest spring flower. Plant early, as the bulbs should not be kept long out of the ground.

Single Snowdrop, per dozen, 75c.

GLADIOLUS LOS ANGELES—FREE

Our prices are as low as those of any for good bulbs, and in some cases lower. But we want to treat you better than you have ever been treated, hence for every \$3.00 order from this list we will send free a nice fat bulb of Gladiolus Los Angeles.

GLADIOLUS

Our catalogues, "New Creations in Gladioli," and "Standard Varieties of Gladioli," are not yet published. Wait for them. It is too early yet to plant. Our prices will be as reasonable as any for bulbs of equal merit. Our selection of varieties offered will be the very best, as we had an exceptional opportunity while assisting in judging at the National Gladiolus Show at Rochester, N. Y., to learn what are best.

VISITORS WELCOME

Call at the ranch any time and get your bulbs in person. See the flowers in bloom in season. Only don't pick flowers without permission, as visitors sometimes pick flower spikes on which much time has been spent in pollenizing the flowers.

Avocado Fruits, Feijoas, etc., for sale

Be sure to order early, as we have only a small stock and our prices are very reasonable.

All fall bulbs do better if planted early.

We guarantee our bulbs to be true to name and to be in a growing condition when you get them. If they do not prove to be so, we will replace the bulbs but do not accept responsibility beyond that.

Postage prepaid.

Remit by check or money order. Prefer no stamps.

See our catalogue for German Iris, Amaryllis, Gladioli, Cannas, etc.
