CRAIG QUALITY STOCK

CHRISTMAS PRICE LIST, 1927

Craig Quality Stock may be had for immediate or Christmas delivery. We have put every effort into the producing of the largest and best stock of flowering and foliage plants ever offered for the holiday trade. With the addition of nine new sunshine houses, well stocked, we are in better shape than ever before to take care of our many customers with Craig Quality stock. We are booking heavily on Christmas orders and suggest to our many customers to either call at Norwood Station, Pa., and make their selections, or mail orders at once so that reservation can be made to avoid disappointment.

50,000 CYCLAMEN

Now booking orders for immediate and Christmas delivery. This has been one of our specialties for over twenty years. In all our experience we have never seen a finer lot of plants. We confidently feel that our six large houses, containing 50,000 plants, will not be enough. They have been pronounced by plant experts from all over the country as the finest stock ever grown.
