LOCATION

Our Nurseries are in South Natick, Mass., about two miles from Wellesley and approximately the same distance from Natick—on the direct road from Natick to Dover.

Visitors are always welcome. Our map will show you how to get here.

THE PLANTING SEASONS

In spring the planting season lasts from the time the frost is out of the ground until early June. Perennials can be safely set out until about the middle of June.

August and September are good months in which to move evergreens. In the fall perennials are best transplanted in September and October.

Shrubs may be planted from early October until the ground freezes.

SHIPPING DIRECTIONS

Please state explicitly how you wish to have stock forwarded.

Within a radius of fifty miles we can deliver by motor at reasonable rates.

NOTICE

This brief catalog lists only Evergreens and Perennials grown at Old Town Nurseries and shrubs that we aim to keep on hand, but stock of all kinds is furnished.

SCHEDULE OF PRICES

One to five plants of the same size and variety will be charged for at the each price.

Five to forty plants of the same size and variety will be priced at the ten rate.

Forty or more plants of the same size and variety will be supplied at the hundred rate when hundred rates are given.

Twenty-five perennials of the same kind will be entitled to the hundred rate.

The above schedule will be strictly maintained.

Higher prices will be charged for specimens of extra quality selected by the customer.

NOTICE—While endeavoring at all times to live up to the Golden Rule, we give no warranty, expressed or implied, as to description, quality, productiveness, or any other matter of any nursery stock, seeds, bulbs, or plants we sell.

All prices are f. o. b. our Nurseries or delivered at the railroad station.

Boxes or other packing material will be charged for at cost.

WE DO NO BUSINESS ON SUNDAYS
