MILLER'S GREENHOUSE

Route No. 1, Fennville, Mich. (Near Ganges.)

PHONE GANGES—17—2R.

INTRODUCTORY

We aim to keep up to date in varieties, and would be pleased to help you decide what is best for you.

These prices are subject to change.

We pay postage on packets and ounces. Larger quantities at parcel post rates.

NOTICE—We give no warranty, express or implied, as to description, quality, productiveness, or any other matter of any Seeds, Bulbs or Plants we send out, and we will not be in any way responsible for the crop.

SEMASAN

Semasan is used for damping off of plants and Cucumber and Melon diseases. We would like you to try it as we think it is fine. Semasan is also used on farm seed

We recommend Sheep Manure for your lawn and flowers.

We sell fertilizer in any quantity.

See our onion sets.

See our border plants, in yellows and blue that will blossom all summer.
