Hardy Herbaceous Perennials

Additions and Corrections

ACHILLEA.

- millefolium rosea.** Finely cut deep green foliage, flowers pink in dense heads. July.
ptarmica Perry's White. July.
tomentosa. Cut foliage, yellow flowers. July.

ACONITUM.

- exaltatum.** A species lighter in color than the general, grows from four to five feet tall and comes into flower about the middle of August.
.50 each; \$4.00 per 10; \$30.00 per 100.
napellus, var. bicolor. A distinct and beautiful variety with clear-toned blue and white flowers growing five to six feet tall. A very attractive form, commencing to flower about the first of August.
.50 each; \$4.00 per 10; \$30.00 per 100.

ARTEMISIA.

- abrotanum.** Dark green, finely cut foliage, with pleasant aromatic odor.
.50 each; \$4.50 per 10.

CIMICIFUGA.

- cordifolia.** This is the earliest of the group to bloom, commencing to flower about August 25th. Tall stems of white flowers.
.75 each; \$6.00 per 10.
foetida simplex. Very handsome foliage and pendulus spikes of pure white flowers which are produced freely. September flowering.
.75 each; \$6.00 per 10.

CLEMATIS.

- Davidiana.** A desirable variety, with bright green foliage and bell shaped flowers of deep lavender-blue.
.50 each; \$4.00 per 10.

COREOPSIS.

- grandiflora.** The flowers are a rich golden-yellow, invaluable for cutting.
hyb. Eldorado. An improved form with large flowers.

DELPHINIUM.

- hyb. Lamartine.** One of the best of the new varieties with very dark blue flowers, medium height.
.75 each; \$6.00 per 10; \$50.00 per 100.
hyb. Named varieties. Selected when in flower.
\$1.00 each; \$7.50 per 10.

DIANTHUS.

- deltoides albus.** A white form of the well known deltoides.
hyb. Annie Laurie. A new single pink, well shaped plant.
.50 each; \$4.00 per 10.
hyb. Beatrix. A new double soft pink, flowers all the season. Offered for the first time this year.
.50 each; \$4.00 per 10.

All Hardy Perennials, unless otherwise noted, are 30 cts. each; \$2.50 per 10; \$20.00 per 100

DICENTRA.

spectabilis. Bleeding heart. A fine old border plant from China, where it has been grown from time immemorial in the Mandarin gardens. It bears pendent, heart-shaped flowers, rosy-pink and white, in strings on slender stems. Unique in type and of a rare, quaint grace, it is one of the best-loved and most familiar plants of old-time gardens.

.60 each; \$5.00 per 10.

DICTAMNUS.

fraxinella. A fine old garden plant growing about two feet tall and forming in the early summer dense tufts above which rise racemes of red and white flowers. Does best in light soil.

.40 each; \$3.50 per 10; \$30.00 per 100.

DORONICUM.

Plantagineum excelsum. A plant of the Dasiy type, bearing in late spring and early summer great quantity of bright and clear-toned yellow flowers. Excellent for cutting.

.50 each; \$4.00 per 10; \$30.00 per 100.

ERIGERON. Fleabane.

speciosa. A beautiful plant growing about eighteen to twenty-four inches high and bearing a profusion of single mauve-like flowers.

GEUM.

Lady Stratheden. A pretty border plant growing about fifteen inches high with large double flowers of a rich golden yellow.

Mrs. Bradsnaw. Large double brilliant scarlet.

GILLENIA.

trifoliata. A plant with narrow leaves, grows from two to three feet tall and has an abundance of small white or rose tinted flowers.

GYPSOPHILA.

Bristol Fairy. A new double white variety which is a great improvement over anything previously put upon the market.

\$1.50 each; \$14.00 per 10.

HIERACIUM.

villosum. This yellow hawk-weed is one of the best plants we have for the Rock or Alpine Garden. Lemon-yellow in color and profuse bloomer during July.

HELENIUM.

autumnale pumilum magnificum. A variety growing three feet high and widely branching, with heads of golden-yellow flowers.

.50 each; \$4.00 per 10.

IRIS KAEMPFERI. Japanese Iris.

Gold Bound. A variety with six petals, pure white.

Painted Lady. A variety with three petals, white suffused with pink.

Purple and Gold. Six petals, rich violet-purple with white petaloides.

William Tell. Lavender.

Mixed. A fine collection of mixed named varieties.

All of the above Iris. .50 each; \$4.00 per 10; \$35.00 per 100.

LILIUM.

Hansonii. One of the best lilies for this climate. Under good conditions it grows four feet tall. The flowers are a bright orange with dark spots and have from four to twelve flowers borne in a loose raceme. With us it commences to flower about July 10th.

.75 each; \$6.00 per 10.

LUPINUS.

Effective plants producing large spikes of flowers. These plants thrive in any good garden soil and add materially to the garden during June and early July.

polyphyllus. Shades of blue and purple.

polyphyllus albus. Clear White.

polyphyllus roseus. Shades of pink.

.30 each; \$2.50 per 10; \$20.00 per 100

polyphyllus hyb. Named varieties. These named varieties are being offered by us this year for the first time.

.75 each; \$6.00 per 10.

All Hardy Perennials, unless otherwise noted, are 30 cts. each; \$2.50 per 10; \$20.00 per 100

LYCHNIS.

viscaria plena. This plant forms a tuft of evergreen foliage and during June and July sends up spikes of double, deep red flowers.

LYSIMACHIA.

clethroides. A very hardy plant bearing long recurved spikes of white flowers. It flowers with us in August.

nummularia. A valuable ground cover plant and one that can be used either in the Rockery or planted under trees or shrubs.

PHLOX.

Johnson's Favorite. Light salmon; of medium height and a strong grower.
.50 each; \$4.00 per 10; \$35.00 per 100.

Le Mahdi. Dark purple. Should be included in every collection; is very effective in a mass.
.50 each; \$4.00 per 10; \$35.00 per 100.

Mrs. M. von Hoboken. One of the most popular of the newer varieties. Clear soft pink.
.50 each; \$4.00 per 10; \$35.00 per 100

PYRETHRUM.

roseum hyb. This lot of plants is grown from seed collected from double flowered varieties. The flowers produced by these plants will be singles, semi-doubles and doubles, ranging in color from white through the shades of pink to a deep red. Exceptionally fine plants.
.50 each; \$4.50 per 10.

SALVIA. Meadow Sage.

azurea grandiflora. During the late summer and early autumn this plant produces light blue flowers on stems three to four feet tall.

farinacea. This is a very attractive variety having light blue flowers which are produced freely and almost continually throughout the season. In this climate it had best be grown as an annual and we are offering it in our Bedding Plant List.

SIDALCEA.

candida. A pure white form growing two to three feet high.

STOKESIA.

cyanea. A plant of easy culture and a long period of bloom, bright lavender-blue; about eighteen inches high.

THALICTRUM.

Delavayi. This variety grows about three feet tall and has beautiful purple or lilac flowers.

THERMOPSIS.

caroliana. A tall perennial with long terminal spikes of attractive yellow, lupin-like flowers through June and July.
.50 each; \$4.00 per 10.

TROLLIUS.

europaeus. Bright lemon-yellow flowers produced in greater abundance and lasting for a longer period than those of any other species.
.50 each; \$4.00 per 10.

hyb. Goldquelle. Large globe-like flowers of orange-yellow, on long stems.
.50 each; \$4.00 per 10.

japonica Excelsa. Handsome semi-double flowers, golden orange.
.50 each; \$4.00 per 10.

VERBASCUM.

olympicum. A very striking tall yellow flowering plant. With us it grows six feet tall and for some situations is unexcelled.

VERONICA.

spicata rosea. A pink form of this popular variety.

VIOLA.

Jersey Gem. Undoubtedly one of the best of the Violas. The flowers are large and pure violet in color.
.35 each; \$3.00 per 10.

All Hardy Perennials, unless otherwise noted, at 30 cts. each; \$2.50 per 10; \$20.00 per 100

4 to 4 1/2 ft.....	8.00
4 1/2 to 5 ft.....	9.00
5 to 6 ft.....	10.00
TSUGA canadensis. Hemlock.	
2 to 3 ft.....	4.50
Sieboldi. Siebold Hemlock.	
12 to 18 in.....	5.00
3 to 3 1/2 ft.....	10.00

Roses

HYBRID PERPETUALS

- Clio.** Flesh color, shaded in the centre to rosy-pink. Vigorous grower and free bloomer.
- George Dickson.** A deep velvety black-crimson.
- Mrs. John Laing.** Soft rosy-pink. Very large and of excellent form.
- Paul Neyron.** Deep rosy-pink. Immense flowers with fine foliage and good growth.
- Ulrich Brunner.** Cherry-red; of immense size, full form, and most effective. One of the first to flower and lasts well throughout the season. Vigorous grower. Price: Any of the above; \$1.00 each; \$9.00 per 10.

HYBRID TEA ROSES

- Betty.** Gold overlaid with yellow.
- British Queen.** Buds tinted pink, flowers white.
- Columbia.** Clear glowing pink; large flowers fragrant.
- Duchess of Wellington.** Intense saffron yellow stained deep crimson.
- Etoile de France.** Velvety crimson, fine long bud; free flowering and strong growing.
- Frau Karl Druschki.** Undoubtedly the finest pure white rose in existence. Long buds with shell-shaped petals opening to very large flowers. A continuous and free bloomer.
- General McArthur.** Brilliant, glowing crimson-scarlet; a much admired rose.
- Golden Emblem.** A beautiful clear yellow occasionally flaked with crimson.
- George Arends.** A pink form of the Frau Karl Druschki. Large, full, and deliciously scented.
- H. V. Machin.** A flower of large size; in color an intense scarlet-crimson.
- Kaiserine Augusta Victoria.** A soft pearly white tinted with lemon.
- Lady Alice Stanley.** A perfect rose in every way; in color a coral-rose.
- Lady Hillington.** Deep apricot-yellow.
- Lady Ursula.** Vigorous erect growth; free flowering, in color a distinct and clear pink.
- Los Angeles.** One of the most distinct roses yet introduced. Its color is pink toned with coral and gold.
- Mme. Butterfly.** Light soft pink tinted yellow at base of petals.
- Mme. Caroline Testout.** Bright satin rose with brighter center. Large full flower and free bloomer. Very sweet scented.
- Mme. Eduoard Herriott.** Coral-red shaded with yellow and rosy scarlet.
- Mme. Ravery.** Deep yellow shading lighter as flower opens.
- Mrs. Chas. Russell.** Rosy-carmine with rosy-scarlet center.
- Ophelia.** Light salmon-pink color with yellow at base of petals; long, stiff stems.
- Radiance.** Carmine pink with salmon-pink and yellow shadings.
- Red Radiance.** A dazzling crimson-scarlet variety which is a continuous bloomer.
- Souvenir de Claudius Pernet.** Very large full flowers with elongated petals. A beautiful and striking variety. In color clear yellow. \$1.50 each.
- Price: Any of the above not otherwise listed, \$1.00 each; \$9.00 per 10.

BABY RAMBLERS

- Baby Dorothy.** Pink.
- Catherine Zeimet.** White.
- George Elger.** Yellow.
- Lafayette.** Brilliant cherry-crimson.
- Mme. Cecil Brunner.** Pink.
- Mrs. Cutbush.** Rosy-pink.
- Price: Any of the above, .75 each; \$6.00 per 10.

MISCELLANEOUS ROSES

	Each
Blanche Moreau. White moss.....	\$1.00
Crested Moss. Pink.....	1.00
Hugonis. Single, yellow Early; wonderfully free flowering.....	1.50

NOTE:—Climbing and other roses not in this list see general catalogue pages 27 and 28.

Gladioli

	Doz.	100
Alice Tiplady. Primulinus. Orange Saffron.....	\$1.25	\$8.00
America. A beautiful soft light pink.....	.75	4.00
Anna Eberius. A dark velvety purple; throat deeper shade	2.00	15.00
Baron Hulot. A rich violet-blue.....	1.50	10.00
Crimson Glow. Large brilliant crimson.....	1.50	10.00
Crystal White. Large white with red stripes.....	1.00	6.00
Flora. A golden-yellow variety of great excellence.....	1.50	10.00

Peace. Immense pure white flowers with carmine in the lower petals.....	1.25	8.00
Prince of Wales. Salmon-rose.....	1.25	8.00
Schwarben. Clear canary-yellow with blotch of garnet at throat.....	1.25	8.00
Souvenir. Primulinus. Fine pure yellow.....	2.00	15.00
Wilbrink. Flesh pink, creamy blotch on lower petals; very early.....	1.25	8.00
Yellow Hammer. Pure Yellow. Large and Strong.....	1.25	8.00
Mixtures. Exhibition.....	.75	4.00
Mixtures. Primulinus Hybrids.....	.60	4.00

Bedding Plants

Our Bedding Plants are started early, grown in cool houses to produce compact, stocky plants that are of the hardiest possible character. These will be ready for delivery from the last of May to the first of August.

	Doz.	100
Acroclinium. Everlasting. Pink and white.....	.80	6.00
Ageratum. Valuable for their long period of blooming, and for their attractive blue shade.....	1.75	12.00
Alyssum. Little Gem. A compact variety of sweet Alyssum used for edgings.....	.80	6.00
Alyssum Trailing.....	.80	6.00
Antirrhinum. (Snapdragon). Probably the most satis- factory of plants for summer bedding, offered in all the separate colors.....	1.25	8.00
From flats.....	1.75	12.00
From 3 1-2 inch pots.....	.80	6.00
Arcotis Grandis. There are few flowers grown in the garden more valuable for cut flowers.....	.80	6.00
Asters. Grown from the choicest American seed, offered in separate varieties and colors.....	.80	6.00
Bachelor Buttons. (Cornflower). Offered only in the blue varieties single and double.....	.80	6.00
Begonias. Tuberous rooted. To be grown at their best, these should have partial shade. Strong plants from flats.....	5.00	40.00
From 4 inch pots.....	7.50	50.00
Begonias. Fibrous rooted.....	2.50	18.00
Bellis Perennis. (English Daisy). In bloom for entire season.....	.80	6.00
Browallia. Beautiful perpetual-flowering variety with bright violet-blue flowers.....	1.20	8.00
Browallia. Speciosa Major.....	1.50	10.00
From pots.....	2.40	15.00

Calendula. (Pot Marigold). Blooms all summer.....	.80	6.00
Calliopsis. Showy annuals in various shades of yellow, blooming through the season.....	.80	6.00
Candytuft. All varieties; look best in bed or masses....	.80	6.00
Carnations. Strong plants of the most popular varieties from 4 inch pots for summer flowering.....	3.00	20.00
Carnation, Marguerite. Easily cultivated giving abundance of bloom.....	1.20	8.00
Chrysanthemum. Evening Star and Morning Star....	1.20	8.00
Cosmos. Pot grown plants of the early flowering varieties.	1.20	8.00
Dianthus Heddeggii. Double flowering varieties which are almost as fine for cutting as carnations.....	.80	6.00
Didiscus Coeruleus. The blue lace flower. Excellent for cutting.....	1.20	8.00
Dimorphotheca. Blooms the greater part of the summer and fall.....	.80	6.00
Geraniums. These are standard varieties which have proved to be best for Maine. All are from 4 inch pots.		
A Ricard. Large flowering scarlet variety, semi-double.....	3.50	25.00
Beaute Poitevine. Salmon pink. Conceded to be the best of color.....	3.50	25.00
La Favorite. Large flowering double white.....	3.50	25.00
Paul Crampel. Single. A dazzling rich scarlet.....	5.00	35.00
S. A. Nutt, Undoubtedly the best of the dark red geraniums.....	3.50	25.00
Rose Scented. Old fashioned variety, with strongly scented foliage.....	3.50	25.00
Mme. Salleron. Bright green leaves, edged white. Used for edging purposes.....	1.80	12.00
Helichrysum. Everlastings.....	.80	6.00
Heliotrope. Very fragrant plants, and great favorites for summer bedding.....	2.50	20.00
Heliotrope. White.....	2.50	20.00
Larkspur, Annual. Blooms until frost.....	.80	6.00
Lemon Verbena. Every garden should have at least a few of these plants which are grown for their fragrant foliage.....	3.50	25.00
Lobelia. Both dwarf and trailing varieties.....	1.20	8.00
Lupins, Annual. Valuable for mixed borders, prefers a little shade.....	.80	6.00
Marguerite. (Paris Daisy). Both single and semi-double white varieties. From 4 inch pots.....	2.50	20.00
Marigolds. We offer both the African and French tall and dwarf varieties in their several shades of yellow and orange.....	.80	6.00
Mignonette. A well known garden favorite.....	1.20	8.00
Nasturtiums. Of the easiest cultivation, and provide a wealth of color and bloom throughout the summer....	.60	4.00
Nemesia. A bedding plant which does best in a cool position.....	1.50	10.00
Nemophila. Blue and white.....	.80	6.00
Nicotiana. Tuberosc-flowered Tobacco.....	1.20	8.00
Nigella. Love in a Mist.....	1.20	8.00
Pansies. Plants in all the different shades, from the open ground, from seeds, sown last August.....		
Best varieties.....	.80	6.00
From flats.....	.70	5.00
Pentstemons. These are among the best of bedding plants for giving continuous bloom in the garden from the middle of July until killed by frost.....		
Selected from pots.....	2.50	20.00
Petunias. Single white and pink, and Ruffled Giants....	1.20	8.00
