DAFFODILS (Narcissus)

1927

Fall Bulbs for Spring Flowers

	Double nose bulbs	per doz.
EMPEROR, perianth primrose, trumpet deeper yellow, large flower		\$1.75
GLORY OF SASSENHEIM, perianth nearly white, trumpet yellow		2.00
GOLDEN SPUR, golden yellow, very early, probably the most popular daffodil for all round use		1.50
KING ALFRED, perianth and trumpet rich yellow, very large flower on long stem. One of the best, early. 35c each....		3.75
VICTORIA, perianth creamy white, trumpet yellow		1.75

All bulbs were sterilized last fall and will have State and Federal inspection before shipment.

Our tulip list will be issued in May. We have many of the best and most popular varieties.

We are also growing hyacinths, crocus, muscari, ixia, Dutch and Spanish iris and other varieties of narcissi, many of which will not be offered for sale until next year.

Flower lovers are cordially invited to visit our gardens any time and enjoy the flowers.
