OUR NURSERY IS LOCATED THREE AND ONE-HALF MILES
NORTH OF VINCENNES ON THE BROUILLETTE ROAD.

We are growing peonies for cut flowers in large quantity, with thirty-two acres from which we cut for Memorial Day sales.

Roots offered are from strong healthy divisions, divided from three and four year old plants. No blooms were taken from these fields for the cut flower market. This gives you assurance of strong vigorous stock. You can make no mistake in buying your peony roots from the Reiman Nursery Company. Forty-seven years of experience, success and satisfaction to the trade is your guarantee.

Although we are growers of many varieties, we list only our surplus stock, and offer attractive prices when wanted in thousand lots. SPECIAL CORRESPONDENCE FOR PRICES IS INVITED.

Digging of roots is started about September 1st, and will continue until November 1st, with weather permitting.

All roots offered are strong 3 to 5 eye divisions from young vigorous stock.

Quotations made on condition that stock is unsold upon receipt of order.
