"PLANT ANOTHER TREE"

READ CAREFULLY

All of the stock offered is grown on my grounds, grown from cuttings and divisions I know to be clean and true. Plants grown from seeds are from seed stocks obtained from the most reliable sources. Seeds, however, don't always come true to color of some kinds of plants.

PLANTS ARE ALL FIELD GROWN, ARE GIVEN CONSTANT CARE AND CULTIVATION AND WHEN SENT OUT ARE STRONG AND WELL DEVELOPED, MUCH LARGER THAN POT-GROWN PLANTS OFFERED BY OTHER FIRMS.

GUARANTEES

I guarantee all stock furnished to be first-class, true to name, and larger than pot-grown plants, all of a size so as to give immediate results.

However, there are so many causes for failure over which I have no control that I can assume no responsibility after stock is delivered. Poor soil, unfavorable weather, ignorant or careless culture—all contribute to failure and are beyond my control.

LAKE VIEW GARDENS

Nurseries at West 46th Avenue, opposite entrance to Rocky Mountain Lake Park. Take Car No. 28 or 37 within two blocks from Nurseries, by automobile on Federal Boulevard to 46th Avenue then two blocks west.

VISITORS ALWAYS "WELCOME"

PRICES:

All Perennial Plants are 25c each or \$2.50 per dozen, except when prices are quoted.

ERNEST A. SCHOEPPKE

LAKE VIEW GARDENS

Landscaping a Specialty

ACANTHUS MOLLIS**(Bear's Breech)**

A handsome decorative plant of stately effect, with deeply toothed, heart shaped leaves, 2 feet long by one foot wide, producing spikes 3 feet high of curious rose colored flowers. July to September.

50c.

ACHILLEA**(Millfoil or Yarrow)**

FILIPENDULA. Bright yellow, 3 feet. June to September.

MILLEFOLIUM ROSEUM. Pink flowers in compact heads. 2 feet.

PTARMICA. The Pearl. Double pure white.

ACONITUM (Monkshood)

NAPELLUS. Spikes of blue flowers. Shady or half shady position.

50c.

FISHERI. A dwarf variety. pale blue. September.

50c.

ADENOPHORA POTAINI

Elegant hardy perennial with numerous large bell-shaped, drooping flowers of a beautiful light blue color. August. 18 inches.

**AEGOPODIUM PEDEGRARIA
VARIEGATA****Bishop's Weed**

Border plant. 1 foot.

AGROSTEMMA, MULLEIN PINK

CORONARIA. Deep crimson flowers. 2 feet. June to July.

CORONARIA alba. A pure white variety.

HYBRIDA WALKERI. Bright rose. Stout erect growing plant with silvery foliage.

ALTHEA (Hollyhock)

ALLEGHENY MAMMOUTH. Flowers wonderfully formed of loosely arranged fringed petals. Mixed colors only.

CHATER'S DOUBLE. Crimson, maroon, salmon, white, pink, yellow, blush, scarlet, Newport Pink.

ALYSSUM**(Rock Madwort, Golden Tuft)**

SAXATILE COMPACTUM. Golden yellow.

ROSTRATUM. Beaked Madwort. Rock plant, heads of yellow flower.

ANCHUSA, ALKANET

ITALICA DROPMORE. The rich blue tones of their flowers fill a vacancy in this color, of which there never is an abundance.

ANGUSTIFOLIA. Narrow leaves, light grower, sky blue.

INCARNATA. Dwarf, early, flesh colored flowers.

MYOSOTIDIFLORA. Dwarf, graceful panicles of bright blue.

ANEMONE HIRSUTISSIMA

Pasque Flower. Rock plant. 6 inches.

ANTHEMIS TINCTORIA KELWAYI

Hardy yellow Daisy. Daisy like yellow flowers. Fine for cutting, free bloomer.

APOCYNUM**ANDROSAENIFOLIUM**

Tutson leaved Dog Bane. Pale red, fragrant.

AQUILEGIA (Columbine)

These early flowering perennials are valuable for cut flowers.

CANADENSIS. Scarlet and yellow.

CALIFORNIA HYPBRIDS. Mixed colors.

CHRYSANTHA. Yellow.

CHRYSANTHA ALBA. White.

COERULEA. Blue and white. The Rocky Mountain variety.

HYBRIDS. Long spurs. Mixed colors. The gems of Columbines.

ROSE QUEEN. Deep rose.

ARABIS ALPINA**(Rock Cress)**

Dwarf edging plant. Flowers pure white.

ARGEMONE**(Mexican or Prickly Poppy)**

PLATYCERAS. Spickly leaves, orange flowers.

ARMERIA**(Sea Pink or Trift)**

BEE'S RUBY. A wonderful free bloomer, bearing great quantities of rosy-carmine flowers. 12-18 inches high.

FORMOSA. A pretty edging plant, rosy pink flowers.

MARITIMA. A fine purple. Foliage grass-like evergreen.

ARTEMISIA ABROTANUM

(Old Man or Southern Wood)

Dark green finely cut foliage. Pleasant aromatic odor. Fine for carpet bedding.

PURSHIANA. A silvery white form, fine for edging.

STELLERIANA. (Old woman) Fine for carpet bedding.

LACTIFLORA. Hawthorn scented Mugwort. While introduced a long time ago, this plant is very little known. It is of strong growth, long erect stems up to 5 feet with creamy white feathery flowers which are sweet scented. August to September.

ASCLEPIA TUBEROSA

(Butterfly Weed)

A fine native perennial with compact umbels of brilliant orange red flowers. July to August. 2 feet.

ASTER PERENNIAL

(Michaelmas Daisy or Starworts)

BEAUTY OF COLWELL. Semi-double. Clear lavender blue.

FELTHAM BLUE. Light aniline blue.

GLORY OF COLWELL. Good sized, almost double. Ageratum blue.

NOVAE ANGLIAE. Climax. One of the best and showiest, with large lavender flowers on pyramidal spikes. 5 feet.

MISS RAYNOR. Crimson.

ROSEUM. Red in color and a profuse bloomer.

ST. EGWIN. A pleasing rosy pink.

TARTARICUS. Distinct large blue violet. Very late.

BAPTISIA AUSTRALIS

FALSE INDIGO. Tall showy plant with deep blue flowers. June.

BELLIS PERENNE

ENGLISH DAISY. Improved double flowering, white and pink. Very fine for edging.

BOCCONIA CORDATA

PLUME POPPY. Well adapted for planting in shrubbery and border. Panicles of white flowers. 6 feet.

BOLTONIA ASTEROIDES

FALSE CHAMOMILLE. One of the showiest of our native perennials, growing 5-6 feet tall with daisy-like flowers in countless thousands during August and September.

LATISQUAMA. Light pink, slightly tinged with lavender.

BUPHTHALMUM SALICIFOLIUM

OX-EYE DAISY. Ornamental perennial with large yellow flowers on long stem. August. 2 feet.

CAMPANULA (Bellflower)

Indispensable for the hardy garden, but should be considered as a Biennial.

CARPATICA. Harebell. A blue and white variety. 6".

LACTIFLORA. Attractive flower with milk-white bells tinged with blue. 3 feet.

MEDIA CALCYCANTHEMA. The real Cup and Saucer variety. Blue, white, pink.

MEDIA, double, blue, white, pink.

MEDIA, single. Blue, white, pink.

PERSICIFOLIA. Peach leaved Bellflower. Blue, White. 2 feet.

PYRAMIDALIS. Steeple Bellflower. The most conspicuous of all Campanulas, forming a perfect pyramid 4-6 feet high. Blue or white.

PYRAVERSI. A new hybrid with bell-shaped flowers of lavender blue with indigo centers. 3 feet.

ROTUNDIFOLIA. Blue Bells of Scotland. A delightful rockplant with slender sprays of azure blue.

TRACHELIUM. Coventry Bells. A common and very hardy species, with light purple flowers. June to July.

CARNATION (Hardy)

GRENADIN. Scarlet, white, pink, dark red. Double and semi-double.

CATANACHE COERULEA

CUPIIDS' DART. Blue. 3 feet. June to August.

CENTAUREA MONTANA

PERENNIAL CORNFLOWER. Blue. 2 feet. June to September.

CEPHALARIA TARTARICA

ROUNDHEADS. Delicate sulphur yellow flowers.

CHEIRANTHUS ALLIONI

SIBERIAN WALLFLOWER. An exceedingly showy rock or border plant, flowers bright orange, continues to bloom all summer, if the seed pots are removed. 1 foot.

CIMIFUGIA RACEMOSA

SNAKE ROOT. Spikes of pure white flowers. 4-6 feet.

CHRYSANTHEMUM (Hardy)

JAPONICUM. Novelty. Hardy early flowering Japanese variety. Starts to bloom in July until frost. 50c.

BUTTON VARIETIES.

BETTY McLEAN. Golden bronze.

BRONZE BUTTON. Deep bronze.

ECLAIRE. Bronze.

FRANK WILCOX JR. Golden bronze.

HILDA CANNING. Bronze. Very fine.

PRESIDENT. Ox-blood red.

PRINCE VICTOR. Dark Purple.

POMPONS.

CAPRICE. Pink, bronze, yellow.

CHICAGO. White.

GOLDEN CLIMAX. Yellow.

GYROLA. Deep pink.

HELENE. Pure white.

MRS. NELLIE CLERIS. Shell pink.

NIZA. Pink.

QUINOLA. Deep yellow.

WM. TRICKER JR. Bronze.

WM. SOBEY. Yellow.

SINGLE AND ANEMONE-FLOWERED.

BOSTON. Golden bronze.

INDIAN. Brownish red.

GODFREY'S PERFECTION. White.

MRS. WM. BUCKINGHAM. Rosy pink.

LARGE FLOWERED.

MARIE ANTOINETTE. Pink.

MRS. PHILLIPS. Pink.

OCTOBER GOLD. Deep orange.

MRS. THOMPSON. Pink.

OLD FASHIONED WHITE.**COREOPSIS TICKSEED**

CALIFORNIA SUNBEAM. Improved variety, golden yellow.

LANCEOLATA GRANDIFLORA. This is one of the finest hardy plants with large

showy bright yellow flowers produced in abundance from June until frost. As a cut flower it is not surpassed by any hardy plant, long stems and good keeper.

CIRSIUM VELENOWSKY

CIRSIUM VELENOWSKY. Ornamental Thistle. White, changing to violet.

CLEMATIS RECTA

Fragrant pure white flowers in large showy clusters.

CORYDALIS AUREA

ROCKPLANT. Yellow. 8 inches.

DELPHINIUM (Hardy Larkspur)

BELLA DONNA. Light turquoise blue.

BELLAMOSUM. A dark blue type of the above.

CHINENSIS. Dwarf, white or blue, free bloomer.

FORMOSUM. Deep blue.

COELESTINUM. Sky blue.

GOLD MEDAL HYBRIDS. A very beautiful strain with large handsome flower spikes up to 5 feet and the colors vary from pearly white to lavender and from soft azure blue to rich indigo.

ENGLISH HYBRIDS—Single and double, from light blue to dark blue, violet and purple.

DESMODIUM PENDULIFLORUM

A graceful shrublike plant covered with purplish red flowers in September, when very few are in bloom. Long drooping sprays, often 3-4 feet long. \$1.00.

DIANTHUS (Hardy Garden Pink)

ATROCOCCINEA. Everblooming Sweet William, a fine bedding variety with masses of fiery crimson flowers. All season.

SCOTCH. Clove scented. Double, semi-double and single mixed.

ERFURT. Dwarf double mixed.

HEDWEGII. Crimson Bell. Brilliant crimson.

HEDWEGII. Mixed colors. Japan Pink.

PHEASANTS EYE. Single fringed flowers.

ALWOODII. A new race of hardy perpetual flowering pinks.

LACINIATUS FLORA PLENA. Double fringed pink, large double showy flowers in a great variety of colors.

DIGITALIS (Foxglove)

For stateliness and picturesque beauty they cannot be surpassed.

GLOXINAEFLORA. From rose to deep purple and white.

THE SHIRLEY. Mixed colors in a strain said to be much larger and better than the above. 35c.

DIELYTRA (Bleeding Heart)

SPECTABILIS. An old fashioned favorite, its long racemes of graceful heartshaped pink flowers are always attractive, especially valuable for planting in the shade. \$1.00, \$1.50.

EXIMIA. (Plumy Bleeding Heart.) A dwarf-er growing variety with finely cut ornamental foliage. \$1.00, \$1.50.

DICTAMUS (Gasplant)

FRAXINELLA. A very showy border Perennial, forming a bush about 2½ feet high, having fragrant foliage and spikes of rosy pink flowers with deeper veins. June to July. Giving off on warm sultry evenings a fragrant volatile oil which ignites when a match is applied directly under the head of the flowers. 50c.

DODECATHEON RADICATUM

SHOOTING STAR. Rock plant. 1 foot. May.

DORONICUM CAUCASICUM

SUNFLOWER like yellow flowers on terminal stems in early spring. 50c.

ECHINOPS RITRO (Globe Thistle)

An interesting thistle-like plant with large globular heads of bluish-white attractive flowers, 3 feet.

ERIGERON (Flea Bane)

Michaelmas. Daisy like plants.

COULTERI. Very early. White, spreading masses of flowers.

MULTIRADIUS ROSEUS. Lilac rose.

SPECIOSUS HYBRIDS. Handsome blue flowers, violet tinted and yellow center. Fine for cutting and good keepers.

ERIOGONUM UMBELLATUM

ROCKPLANT. 12".

ERYNGIUM (Sea Holly)

Handsome ornamental plants, growing from 2-3 feet high. The flower heads, which are produced from July to September are useful for cutting or to dry for winter Bouquets.

AMETHYSTINUM. The finely cut spiny foliage and the beautiful thistle like heads are very ornamental. Steel blue.

PLANUM ROSEUM. Rosy gray.

EUPATORIUM

A fine perennial and useful for cutting.

AGERATOIDES. A very useful variety, growing 3-4 feet high, with dense heads of minute white flowers. August to October.

COELESTINUM. One of the best blue perennials. 18-24 inches high, with an abundance of lavender blue flossey flowers.

FRASERI. A very pretty dwarf variety, growing clusters of snow white flowers. Fine for cutting and bouquets. 1½ feet.

PURPUREA. Joe Pye Weed. Purple. 6-7 feet. July to September.

ZEPHYRI. Dwarf. Yellow flowers. Early.

EUPHORBIA

EUPHORBIA POLYGROMA. Very effective in early spring, when it bears masses of chrome yellow flowers.

COROLLATA. Flowering Spurge. Showy and useful native plant growing about 18 inches high, and bearing from June till August, umbells of pure white flowers with a small green eye.

FRANCOA RACEMOSA

BRIDAL WREATH. White Spikes 2 feet long. 75c.

GAILLARDIA (Blanket Flower)

Gigantic attractive flowers appear during the whole summer. No perennial border can be without it.

GRANDIFLORA COMPACTA. Mixed.

GRANDIFLORA SANGUINEA. Blood red.

PORTOLA. The finest of all, originated in California. Flowers 3-4 inches in diameter. Color a rich coppery scarlet, each petal heavily tipped or margined with golden yellow. 50c.

GALIAM BOREALE

NORTHERN BEDSTRAW. Leaves in whorls, small white flowers in clusters. 2 feet. May to July.

GEUM COCCINEUM

MRS. BRADSHAW. A beautiful new variety with large double brilliant orange scarlet flowers. All summer. 50c.

LADY STRATHEDEN. A counterpart of the above with rich golden-yellow flowers. 50c.

GOLDEN GLOW

See Rudbeckia.

GOLDENROD

See Solidago.

GYPSOPHILLA (Baby Breath)

PANICULATA. Graceful sprays of white flowers. Single.

ROKEJEKA. *Acutifolia.* Rose colored Baby Breath. Tall graceful grower and wonderful cutflower.

PANICULATA FLORA PLENA. Double Baby Breath. 2 year. \$2.50.

HEDYSARIUM CORONARIUM

FRENCH HONEYSUCKLE. Red. Pea shaped flowers.

HELENIUM SNEEZEWORT

Strong growing hardy perennials, succeeding in any soil and useful in the hardy border, giving an enormous crop of flowers in late summer.

AUTUMNALE SUPERBUM. Golden yellow flowers.

AUTUMNALE RUBRUM. A splendid variety, deep ox-blood red, changing to terracotta.

RIVERTON GEM. Flowers opening old gold, changing as they open to wall-flower red. 3 feet.

RIVERTON BEAUTY. Lemon Yellow with a large purplish black cone.

HELIANTHEMUM

ROCK OR SUN ROSE. Low growing evergreen plants, forming broad clumps. All colors.

HELIANTHUS

MISS MELISH. Perennial Sunflower.

HELIOPSIS (Orange Sunflower)

PITCHERIANA—A desirable hardy perennial plant, growing from 3-4 feet high, beginning to flower early in the season and continuing the entire summer. The flowers are of a beautiful golden yellow about 2 inches in diameter.

SCABRA EXCELSA. A new variety with very rich chrome yellow flowers, turning to a bright yellow as they mature. These are almost double having from 3 to 4 rows of petals. July to September.

SCABRA ZINNIAEFLORA. A double flowering form bearing golden yellow Zinnia-like flowers. In addition to being a very showy plant in the hardy border it is one of the best perennial plants for cutting.

HEMEROCALLIS (Yellow Day Lily)

Popular hardy plants belonging to the Lily family. They succeed anywhere and should always be included in the border of old fashioned plants.

DR. REGAL. Deepest orange. Early. Very fragrant.

GOLD DUST. Golden yellow.

FULVA. Orange.

FLAVA. Golden yellow. Sweet scented, known as the Lemon Lily.

KWANSO FLORA PLENA. Large double orange flowers, with darker shadings. July to August.

HESPERIS MATRONALIS

SWEET ROCKET. Fragrant purple or white flowers in showy spikes. June to July.

HEUCHERA (Alumn Root)

SANGUINEA. Coral Bell. One of the finest hardy perennials. The flowers are of rich, bright, coral red color. The leaves light green and slightly haired. Excellent for cutting.

HIBISCUS

MALLOW. New Giant-flowering, a wonderful improved form of our greatly admired native Marshmallow or rosemallow, in which not only the colors have been greatly intensified, but in which flowers of an enormous size, frequently 10-12 inches in diameter, have been developed. They are indispensable for large groups and mixed border, blooming from early July until September.

HIERACIUM AURANTIACUM

(Hawksweed)

Flowers deep orange. 12-15".

HOLLYHOCK

See Althea.

HYPERICUM MOSERIANUM

GOLD FLOWER. Beautiful golden flowers with crimson stamen. 1½ feet. June to September. 50c.

IBERIS GIBRALTICA (Hardy Candytuft)

White shading to lilac.

SEMPERVIRENS. A profuse white-blooming hardy perennial, coming in flower early in the spring; much used for cemeteries, rockery.

IRIS MISSOURIENSIS

Native Specie. Lavender. 1 foot. May.

PALLIDA DALMATICA. Large tall lavender. Fragrant.
Other varieties on request as we have a large collection.

LAVENDULA VERA

This is the true sweet lavender; grows about 18 inches high; delightful fragrant blue flowers. July to August.

LATHYRUS LATIFOLIUS

(Perennial Sweet Pea)

CRIMSON. The well known red Pea.

PINK BEAUTY. Large racemes of pleasing deep rose flowers.

WHITE PEARL. A great improvement on the older white varieties.

LIATRIS (Kansas Gay Feather or Blazing Star)

PYCNOSTOCHIA. Most showy and attractive native perennial plants, with long spikes of rosy-purple flowers. July to September.

LIGULYSTILIS. Rocky Mountain Gay Feather. A sturdy dwarf species. 1½ feet, with large showy heads of rosy purple flowers.

PUNCTATA. A still dwarfer variety of the above, growing 10-12 inches high.

LINUM PERENNE (Blue Flax)

A desirable plant for the border or rockery, growing 1½ feet high with light graceful foliage and large blue flowers all summer.

LILIUM TIGRINUM

FLORA PLENA. The double Tiger Lily. The only double Tiger lily worth growing.

TIGRINUM SIMPLE X. This single variety of the Tiger Lilies is of easiest culture and worthy of general planting on account of its stateliness.

LOBELIA CARDINALIS (Indian Pink)

A handsome border plant, preferring a moist deep loam, rich fiery cardinal flowers, often producing 10-12 spikes 24-30 inches long.

SYPHILITICA. Fine spikes of blue flowers.

LUPINUS

The Lupins produce beautiful long spikes of pea-shaped flowers one foot long on three foot stem.

POLYPHYLLUS. Blue, white, pink.

Moerheimi. Rose and pink.

Six Hills scented. The range of the colors and fragrance of this strain of hardy Lupins has attracted much attention, colors from light to deep blue, also rose and white. 75c.

Golden Spire. Golden yellow. 75c.

Hybrids. Colors run from flesh to yellow and maroon and shades between. 75c.

LYCHNIS (Campion)

Handsome hardy perennial plants of easy culture, for massing in beds and border.

CHALCEDONICA. Fine scarlet flowers. 2 feet.

FLOS-CUCULI. Cuckoo Flower. Bright pink fringed flowers. 2 feet.

HAAGEANA. Brilliant orange, scarlet or crimson flowers. 1 foot.

VISCARIA SPLENDENS. Bright rose red, double flowers. Very showy.

LYSIMACHIA (Loosestrife)

CLETHROIDES. Long spikes of pure white flowers.

NUMMULARIA. Creeping Jenny or Moneywort. Good ground cover. Yellow flowers.

PUNCTATA. Flowers yellow spotted, in whorls around the leafy stalk. 1 to 3 feet. June to July.

LYTHRUM SUPERBUM ROSEUM (Purple Loosestrife)

A very pretty hardy perennial; growing about 3 feet high and produces spikes of rosy flowers.

MONARDA

(Bergamot or Oswego Tea)

Showy plants growing 2 to 3 feet high, succeeding in any soil or position, aromatic foliage.

DIDYMA. Cambridge. Brilliant crimson scarlet.

FISTULOSA. Wild Bergamot. Purple.

OENOTHERA YOUNGI

EVENING PRIMROSE. Orange, persistent bloomer. Fine for shade. 1½ foot. June to August.

AFTERGLOW. Clear yellow with bright red calyx. The flowers remain expanded in brightest sunshine.

PACHYLOPHUS CAESPITOSUS

A rock plant 6-10 inches high. Flowers white.

PAPAVER NUDICAULE (Iceland

Poppy)

Plants of neat habit, forming a tuft of bright green, fern-like foliage and a profusion of cup shape flowers throughout the entire season. 1 foot high, colors white, clear yellow and orange mixed.

SUNBEAM. Large flowered and brighter colors.

NUDICAULE THIBET. New giant flowered Iceland Poppy with deep orange yellow flowers during summer and autumn. 35c.

PILOSUM. Tall branching sort of nudicaule with salmony-red flowers of large size. 50c.

PAPAVER ORIENTALE

ORIENTALE. The large Oriental Poppy. Enormous scarlet, and orange cup shaped flowers with large purplish black blotches at base of petals. Exceedingly showy.

PRINCESS VICTORIA. A beautiful salmon pink. 50c.

PENTSTEMON

BARBATUS TORREY. Beard Tongue. Spikes of bright scarlet flowers. A very effective border plant. Entirely hardy.

CONFERTIUS. A native variety from the Rocky Mountains. 12".

HUNTINGTON'S SHELL PINK. A wonderful addition to this class. Spikes are not as tall and "stringy" as Torreya, and flowers are more plentiful on the spike. Color is a bright clean shell pink.

PEONIES

All the varieties named are splendid garden varieties and a selection from them should satisfy even the most critical.

ADOLPHE ROUSSEAU, purple garnet. \$2.00

ALBERTRE, milk white centre, petals tinged lilac. 1.00

ALBERT CROUSSE, Salmon pink. 1.00

ASA GRAY, Lilac, guard petals flesh. 1.00

AVALANCHE, creamy white, slightly flecked carmine. 1.00

BARONESS SCHROEDER, white changing flesh. 1.50

BAYARD, maroon. 1.00

EUGENE VERDIER, light Hydrangea pink. 2.50

FESTIVA MAXIMA, White flecked crimson. The finest white. .75

FELIX CROUSSE. Ruby red, late. .75

FLORAL TREASURE, clear pink. .50

HUMEI CARNEA, deep rose. .50

IDILIA, satin pink. .75

LEONA KENNEY, flesh pink. 1.50

MAD. LEBON, cherry red. .75

MAD. GALLE, Shell pink to helio. 1.00

MARCELLA DESERT, Creamy white, flecked crimson. 2.00

MONS. DUPONT, Very large ivory white, center carmine. 1.00

MONS. ELIE, Satiny pink. 1.00

MONS. Martin Cuhazac. Dark crimson maroon. 3.50

MODESTE GUERIN. Light red, early. .75

PETERSON'S SEAFOAM. Pure white. .50

PHILOMELE, Rose shading to amber. .75

PRESIDENT ROOSEVELT, dark red. 1.50

THURLOW'S dark red. .75

PHLOX DECUSSATA

For beauty and showiness these grand hardy plants are of highest importance in the hardy border, either in clumps or massed. They desire rich, well worked soil and are greatly benefitted by a mulch of coarse manure, to keep the soil cool and retain moisture. These plants are very much attacked by red spider, more so in a dry season, which will cause dropping of bottom leaves and small flowers. A strong spray of water to reach the under side of the leaves will be of the greatest benefit or a powdering of "Flowers of Sulphur". We have the biggest collection West of the Missouri River.

ALBION, white with faint red eye.

AETNA, scarlet.

ANTONINE MERCIÉ, lilac, white center.

ATHIS, salmon pink.

AUSTRALIA, bright claret red.
BEACON, cherry red.
B. COMPTE, burgundy red.
BACHANTE, rosy lavender.
BOUQUET OF FLOWERS, pink, crimson eye.
BARON VON DEEDEM, Cochineal red, salmon shaded.
CHAMP ELYSEE, Purplish crimson.
COQUELICOT, orange scarlet.
CRISPUCULE, white, suffused mauve, purple eye. .50
DEUTSCHLAND, intense scarlet. .50
ECLAIREUR, carmine, suffused primrose.
EDMOND ROSTRAND, reddish violet, white center.
ELIZABETH CAMPBELL. Salmon pink, very scarce. .50
EUROPA, white, red eye.
FERDINAND CORTEZ, deep crimson.
FRAU ANTON BUCHNER, white, shaded pink.
FEUERBRAND, orange scarlet. .50
FRED. PASSY, mauve pink.
GENERAL VON HENTZ, salmon red, white center. .50
ISABEY, rosy lilac.
JOSEPH GERBEAUX, blush.
JULES SANDEAU, bright cerise. .50
L'ESPERANCE, lavender. .50
LA VAGUE, blush lilac, cherry center.
LE MAHDI, deep purple, nearly blue.
LOTHAIR, bright crimson.
LUMINEUX, rosy crimson, carmine eye.
LORD RALEIGH, dark violet, purple center.
MADAME P. DUTHRIE, orchid pink.
MADAME BESANCON, deep crimson.
MRS. JENKINS, pure white.
MRS. M. VON HOBOKEN, NEW. Soft pink, very large. .50
MISS LINGARD, white, faint lilac eye. The earliest.
PACHA, rose.
PANTHEON, rose pink.
PROFESSOR VIRCHOW, bright carmine. orange eye.
PEARL, white.
QUEEN OF PINKS. Clear pink. Very free bloomer.
RHEINLANDER, salmon pink.

RICHARD WALLACE, white with crimson eye.
RIVERTON JEWEL, mauve rose, crimson eye.
ROBERT WERNER, deep blush, pink eye.
R. P. STRUTHERS, rosy carmine, red eye.
ROSENBERG, wine with red eye.
RYNSTROM, deep rose.
SIEBOLDI, orange scarlet.
SIR EDWIN LANDSEER, bright crimson.
SPECIAL FRENCH, light pink, very fine. .50
TERRE NEUVE, grayish lilac, violet center.
THEBAIDE, rosy pink.
THOR, terra cotta red.
VAN LASSBURG, pure white.
WANADIS, light violet with border of white, giving an effect of blue from the distance.
WIDAR, reddish violet, white center.
W. C. EAGAN, delicate lilac.
WM. ROBINSON, salmon rose, pink center.
SUBULATA, lilac, low spreading and moss like leaves. Flowers in wonderful profusion. 3-6 inches.
SUBULATA PURPUREA, purplish rose.
SUBULATA ALBA. A white variety.

PHYSALIS FRANCHETTI

(Chinese Lantern Plant)

An ornamental plant, forming dense bushes about 2 feet high, bearing freely its bright orange-scarlet lantern-like fruits, which can be cut and dried for winter Bouquets.

PHYSOSTEGIA

(False Dragonhead)

VIRGINICA. One of the prettiest hardy perennials, and gaining popularity as it becomes known. It forms dense bushes, 3-4 feet high, bearing freely during the summer months spikes of delicate pink tubular flowers not unlike a gigantic heather.

VIRGINICA ALBA. A white flowered form of the above.

PLATYCODON GRANDIFLORUM

CHINESE BELLFLOWER. Blue flowers.

ALBUM. White with blue veins.

MARIESI—Large bell-shaped flowers of rich violet-blue, dwarfer and more compact than above.

PLUMBAGO LARPENTAE

One of the most desirable border or rock plants; 6-8 inches high, producing freely blue flowers all season. .50

POLEMONIUM COERULEUM**(Jacob's Ladder)**

Popular hardy perennial plant, with bell-shaped bluish-purple flowers, nearly an inch across.

RICHARDSONI. Finely cut foliage, sky-blue flowers. 2 feet.

POLYGONUM SIEBOLDI

A strong growing plant; stems curving gracefully outward. Produces creamy white flowers in immense quantities. Prolific grower, 3-6 feet. Very effective for massing.

POTENTILLA CINQUEFOIL

Charming hardy perennial plants for the border with brilliant single or double flowers, mostly in orange, red or crimson colors, that are produced in profusion from June to August. Succeeds in any soil. 18 inches.

PRIMULA VERIS**(English Primrose)**

Splendid for the rockery, shaded nooks, or border. A wide range of colors, gold laced, single or double. A real gem.

PULSATILLA HIRSUTISSIMA**(Rocky Mountain Anemone)**

Fine for rockery. 6".

PYRETHRUM**(Persian or Painted Daisy)**

Nothing can surpass the Pyrethrum in profusion of flowers from May to July. They are perfectly hardy and absolutely invaluable for cut flowers.

HYBRIDUM. Single and double mixed, all colors.

ULIGINOSUM. Giant white daisy.

RANUNCULUS

ACRIS. A pretty double flowering, bright golden yellow Buttercup.

REPENS. A creeping variety with bright golden yellow masses of flowers. May to June.

RUDBEKIA (Cone Flower)

GOLDEN GLOW. A stately border plant, up to 6 feet high, masses of large double golden-yellow flowers.

NEWMANNI. The perennial form of the "Black-Eyed Susan". Deep orange-yellow flowers, with a dark purple cone, long wiry stems. 3 feet high.

NITIDA "Autumn Sun". Stately bushes up to 6 feet high. Lemon-yellow. Fall.

MAXIMA. A rare and attractive variety, growing 5 feet high, with large glaucous green leaves and bright yellow flowers 5 to 6 inches across with a cone 2 inches high.

PURPUREA. Peculiar reddish-purple flowers, with a very large, brown cone-shaped center.

SUBTOMENTOSA. A pyramidal densely branched plant, 2½ feet high, which is covered with a mass of bright lemon yellow flowers with a dark purple center. A beauty among the late flowering plants.

SALVIA (Blue Sage)

AZUREA. A Rocky Mountain specie, producing during August and September, spikes of pretty sky-blue flowers in great profusion, 2 to 3 feet high.

FARACINEA. Beautiful pale blue flowers. Only half hardy.

PITCHERI. Similar to Azurea, but of more branching habit and larger flowers of a rich Gentian blue color.

PATENS. Blue. Generally called the only "Real Blue" in the floral kingdom. .50

TURKESTANIA. Extremely decorative sweet scented foliage and whorls of white flowers surrounded by pale pink.

SCABIOSA CAUCASICA

Magnificent perennial with beautiful large light blue flowers. 2 feet. June to August.

SCUTILLARIA BRITTONII**(Scullycap)**

Light blue Snapdragon like flowers. 10 to 12 inches.

SEDUM SPECTABILIS

Brilliant. Erect growing specie with broad light green foliage and immense heads of bright amaranth red flowers. Indispensable for late fall flowering.

SIDALCEA ("Rosy Gem")

Erect growing branching plant, 2 to 3 feet high, with bright rose colored mal-low like flowers. 1 inch across. June to July.

CANDIDA. Tall racemes of white flowers.

SIEVERSIA CILIATA

ROCK PLANT. 10 to 12 inches.

SOLIDAGO CANADENSIS

(Golden Rod)

The well known golden favorite. 5 feet with immense plume like panicles of golden yellow flowers.

STACHYS LANATA

(Woundwort, Rabbit's Ear)

Fine for edging, soft silvery wooley foliage. Purple spikes of flowers. 1½ feet.

STATICE LATIFOLIA

(Sea Lavender)

Tufts of leathery leaves and large heads of purplish blue flowers on 1½ to 2 feet stem. Valuable for cutting and decoration, either fresh or in dry state.

CASPIA—Pyramidal habit, purple flowers.

PEREZII. Rich bright blue, half hardy.

TATARICA. White, useful for dyeing.

STELLARIA

A useful plant for dry banks with white flowers.

STOKESIA CYANA

(Cornflower Aster)

One of the most desirable plants for the border and excellent for cutting. Lavender blue. 18 to 24 inches.

SWEET WILLIAM

DIANTHUS BARBATUS. The Sweet William is a fine plant which produces great masses of blooms of extremely rich and varied colors.

AURICULA FLOWERED. Single mixed.

CRIMSON.

PINK BEAUTY. Salmon pink.

SCARLET BEAUTY. A very effective rich deep scarlet. Single velvety dark maroon.

NEWPORT PINK. In color it is what flor-

ists call a water mellow pink, or salmony rose. Strikingly beautiful.

HOLBORN GLORY. The most beautiful and admired of all Sweet Williams. The range of colors, all showing a clear white eye, is truly superb.

ATRO-COCCINEA. Ever-blooming hybrid Sweet William. A brilliant crimson scarlet variety that is very effective in any position and one of the best perennials in the list. Fine for bedding. A cross between the Sweet William and the annual Pink.

THALICTRUM (Meadow Rue)

AQUILEGIFOLIUM. Graceful Columbine foliage and rosy purple flowers from May to July. 2 to 3 feet.

ADIANTIFOLIUM. Foliage like Maidenhair fern and miniature white flowers in July.

DIPTEROCARPUM. Truly one of the handsomest and daintiest Perennials. Buds resemble pearls, opening to lavender delicate flowers, with yellow centers, graceful sprays arranged on stems up to 3 feet high. .75

THERMOPSIS CAROLINA

(False Lupin)

Clover-like foliage and long spikes of bright yellow pea shaped flowers. 4 feet. June to July.

TRITOMA

RED HOT POKER PLANT, Flame Flower. Torch Lily.

HYBRIDA. The introduction of new continuous flowering Tritomas has given them a prominent place among hardy plants. .35

TUNICA SAXIFRAGA

A neat tufted hardy perennial growing but a few inches high, and bearing throughout the entire season numerous pink flowers. Will thrive anywhere, but especially adapted for the rockery or the margin of the hardy border.

VALERIANA (Garden Heliotrope)

COCCINEA. Showy heads of old rose flowers. 2 feet. June to October.

ALBA. A white flowering variety.

OFFICINALIS. Showy heads of rose-tinted white flowers with a delicious heliotrope odor. 3 to 4 feet. June to July.

VERBENA AUBLETIA GRANDI-**FLORA**

Large flowered Rose Vervian. American native, Colorado, New Mexico, Texas. 12 to 18 inches. Rose purple. It is regretted that this charming specie, so well thought of in Europe, should be neglected in its native America.

VERONICA (Speedwell)

A showy hardy perennial of easy culture.

CANDIDA. Silvery leaves and light blue flowers. Useful in rockery and border. 1 foot.

HENDERSONI. Spikes of delicate pink flowers, like Scotch Heather. 2 feet. June to September.

INCANA. A white wooley plant, flowers numerous. Blue. 1 foot.

LONGIFOLIA SUBSESSILIS. Japanese Speedwell. The showiest and best; forms a bushy plant 2 to 3 feet high, with long dense spikes of deep blue flowers. July to September.

SPICATA. Long spikes of violet blue flowers. 18".

TRUE BLUE. Spicata type, everblooming, slender stems of royal blue. 1 foot. New.

VERBASCUM (Mullein)

The chief value of this family is the foliage, leaves often three feet.

MISS WILMOT. Large flowered various shades of yellow.

OLYMPICUM. The showiest of the entire family. Foliage silvery.

VIOLA (Tufted Pansy)

The best edging plant for the border or garden. For continuous bloom for the entire summer, they must be sheared several times in the season, so that the flowers do not go to seed.

SCOTCH BORDER. Like Pansies and almost as large. Mixed colors.

BLUE PERFECTION. Light blue.

VINCA**(Periwinkle or Trailing Myrtle)**

MINOR. A trailing evergreen plant, used extensively for carpeting the ground under shrubs or trees or on graves, where it is too shady for grasses or other plants to grow.

WALLFLOWER

See Cheiranthus.

BEST BLUE PERENNIALS

Anchusa.

Aquilegia coerulea.

Aster in variety.

Baptisia australis.
