SPARTA, KY.

GENERAL INFORMATION

(This list cancels all previous offerings and prices)

SHIPMENTS. We prefer to have customers state by what method goods are to be shipped. In the absence of such instructions, we will use our own judgment, but our responsibility ceases when shipments are delivered to the freight or express companies for forwarding.

GUARANTEE. We exercise the greatest precaution and care to have our stock true to name, count and grade. It is mutually agreed between ourselves and customers that our guarantee in no case shall make us liable for any sum greater than that quoted. Stock delivered as per order and in good condition is not returnable. We endeavor to fill orders promptly or when specified. However, we cannot be held liable for orders cancelled while enroute.

PRICES AND TERMS: We will supply 5 at 10 rate, 25 at 100 rate, respectively. Items are cash with order to those unknown to us. To old customers and those supplying satisfactory reference the terms are **30 days net**, with two per cent discount on bills paid in ten days from date of invoice. All claims must be made within five days.

VARIETIES NOT LISTED. We have a great many short lots of stock in all classes, so that we suggest, in sending your order, you add any other varieties desired in limited quantities. We will promptly advise if we can supply the additional sorts.
