Any person inclining to purchase any of the above mentioned trees, there is many thousands of a proper size; if any of the above trees should be wanted to send over sea, the purchaser may depend upon having them safely put up in either matts, cask, or boxes, with earth, without any other cost except the first cost of said matts, cask or boxes.

The price of the fruit trees is 1/6 each, except the fig trees 2/; the mazarine cherry 1/; the morrello cherry 1/; quince trees 1/.

Any person having a mind for any of the above trees, and choose to have them sent to New-York, they can have them sent on Tuesday and Friday of every week; as there is a boat that constantly goes from Flushing to New-York on them days, and may commonly be found at Burling's Slip, (John Yates, master.) If any person should want to send their orders for trees, and the boat should not be there, they are desired to leave them with Mr. William Field, merchant, at the head of Burling's Slip, in New-York. If any of the seed of the above timber trees, ever-green shrubs, or flower trees, should be wanted, the person may be supplied by applying to said William Prince.

W. F. L. S. I. N. G. - L. A. S. I. N. G.

A large Collection of Print Types, as follows:

The wood framework of a garden
house is of great impor-
tance, and will last for years.
The best material for the frame-
work is seasoned lumber, such as
oak or pine. The lumber should
be well seasoned before it is used,
and should be protected from the
weather by painting or staining.
