SPECIAL STOCK SEEDS I have a lot of this season's
grow whether for home use or for market they will

Asparagus, Randolph Special. A very fine variety

Peppers, Harris Early Giant. The largest, early
red pepper. Seed saved from select fruits only. . Pkt.

GOLDEN GIANT. Large size, flesh thick, of very
I know of no better kind. Pkt. 10c. $\frac{1}{4}$ Oz. 25c. Our

TOMATO. Brewer's Favorite. Medium early, good
free from cracking and of fine red color. A combination
tomato satisfaction all the way through. Pkt. 10c. $\frac{1}{4}$

BULBS, **GLADIOLUS**. I have a few to spare from
varieties, mixed. First size, 50c. per 12. Second size

PLANTS. **Brewer Blackberry**. Canes vigorous and
no core and when fully ripe just simply delicious in
limited, get a start by setting a few plants this spring.

Golden Leaved Elder. Very ornamental and fruit
plants. One year, 30c. each, 6 for \$1.25. 2 year, 50c. each

Your money returned if seeds or plants do not produce
will convince you of the great merits of these varieties

C. H. BREWER, RAHWAY, N. J.
