HAWTHORN

PAUL'S DOUBLE SCARLET

One of the most beautiful trees that can be grown in eastern climate.

We have a splendid stock of handsome, well grown trees; straight stems with well branched heads, ready to bloom this spring.

	per 10	per 100
8 /10 ft.	\$12.00	\$100.00
6 /3 ft.	10.00	75.00

50 or more at 100 rate.

SPECIAL OFFER

//

East of the Rockies we will stand the entire express charges on orders that take the 10 rate, or 3/4 of the express on lots that take 100 rate. Eastern orders can be shipped now if you wish or held until about March 1st as they will stay dormant here until then.

This is a genuine bargain! We want you to see what splendid stock we grow and how easy it is to get nursery stock from California.

Better "do it now"!
