Dahlia Specialist

DEL MONTE, CALIFORNIA

To Our Many Old Customers and Prospective New Ones:

The time has again come to make your selection of Dahlia tubers for the new season. You experienced ones know that it pays to buy truly fine tubers, if only a few, as the results obtained are so much more satisfactory. We offer to the public as fine a variety of first-class, field grown, unforced tubers as could be wished. This high quality, combined with our very reasonable prices, we feel should be adequate inducement for the new customer. Needless to say, our "old repeaters," those who have placed orders with us for several seasons, many for our entire eighteen years in the business, have been greatly satisfied. Allow us to continue to give universal satisfaction.

Many of you who have been receiving our catalog for several years are no doubt surprised to see this list. Rather than issue a catalog this season we have decided to use only this means of reaching our customers. This we expect to be of mutual advantage, as, saving the added expense of a catalog, we can offer even greater values than ever before to our many friends. Your patronage will be greatly appreciated.

We are listing some special selections below. It will be to your advantage to give them your attention. Should you not find what you desire please advise us as to your wishes. We make a specialty of extra fine selections at prices to suit everyone's convenience. These are just a few of our standard offers.

(Write for our extremely low prices on surplus stock in quantity.)

The above varieties (numbering sixty-two in all) have a total value of \$92.25. We are offering the entire collection for the very reasonable price of \$55.00. This would make a wonderful selection for anyone truly interested in growing Dahlias. If the number of tubers is too large or the amount a little too great it might be possible to interest your neighbor to the advantage of you both. This is just a suggestion. Very often two or more parties order a large collection, thereby obtaining the most for the least expenditure. We, of course, should like to ship to only one party.

FULL PRINTED INSTRUCTIONS FOR THE PLANTING AND CULTIVATION OF THE DAHLIAS WILL ACCOMPANY EACH ORDER. THE TUBERS WILL ALL BEAR TAGS WITH NAME OF THE VARIETY AND DESCRIPTION. SEND ONLY THE AMOUNT OF THE ORDER AS WE PREPAY POSTAGE UPON ALL PAID RETAIL ORDERS.
