Peliminary Iris Price List

From

FAIRY GARDENS

Napoleon, Ohio ★ JUL 8 1929 ★

U. S. Department of Agriculture.

Prices will apply until my new price and descriptive list is out in July. As surplus of some varieties are reduced these will be higher in next list and probably a few sorts will be lower. If this happens, buyers from this list can apply the difference in price towards the purchase of any other variety.

Note 1—Prices are for the largest size blooming single Mother Rhizomes except noted.

Note 2 —* * * * * number of stars denote that so many roots will be added gratis.

Note 3—My 1928 descriptive list will be mailed upon request.

X Varieties

Will hardly all be super-size and not more than half will bloom first year.

A Convincing Illustration

This Spring some Super-size Mother Rhizomes of Ballerine and Gaudichau were left over from Spring sales. After replanting every root bloomed. These two are slow growers and some sent out need another years growth. *Fairy Gardens Super-size Mother Rhizomes bloom because they are matured and have the age.*

New Price List

Will list more sorts with truthful descriptions. List of really fragrant sorts will be best ever.

Correction—On the reverse side, the price of Tenebrae should read \$1.50

Good, Fine and Extra Fine Iris

Varieties under these headings are the very cream of the old timers, older sorts and newer choice varieties low in price. These Irises are the backbone of every fine Iris collection and beginners and others should buy them first of all. Rely on *Fairy Gardens* selections.

**Afterglow	**Ann Leslie	*Corrida
*Col. Candlot	Dalilia	*Ed. Mitchell
**Chaubut	*Her Majesty	**Massasoit
Lewis Trowbridge	*Isoline	***Quaker Lady
W. J. Fryer	**P. Laugier	*Rhine Nixie
*P. Vic. Louise	*Ma Mie	*Shekina
*Mother of Pearl	*Marsh Marigold	**Blue Jay

Yvonne Pelletier Queen Caterina
Above sorts 35c with extras

Extra Fine Standard Iris

Dusky Maid	B. Y. Morrison
Seminole	*Princess Beatrice
	*Anna Farr
Above sorts 40c with extras	

Siberian Iris

Are extra fine for cutting and massing and a few varieties should be in every garden. Perry's Blue is early. Other varieties bloom with the late Bearded Iris. The varieties in this list are the cream of all the Siberians.

	1st	2nd
Perrys Blue, wonderful shade of sky blue -----	.60	.40
Emperor, dark purple blue -----	.60	.40
Snow Queen, pure white -----	.50	.35
Blue King, fine intense brilliant blue -----	.50	.35
Kingfisher Blue, larger and taller than Perrys Blue -----	2.00	1.50

First size are medium size clumps having five to six strong stems.

Second size 3 to 4 strong stems. Should have one or more blooms first season but not as certain nor as many flowers the 1st season as 1st size.

Note—Strong stems are blooming stems. Small stems are not counted and there are some to every size. As good value is given as any and better than some.

Remember

Low prices of some varieties may soon deplete my surplus and then extra roots will not be given or not so many.

Second Choice

Give second choice. Some may be sold out.

The Proof of The Pudding

Some of the double rhizomes and clusters of roots sent out are not so sure blooming as *Fairy Gardens* selected *thick heavy* Super-size Mother Rhizomes, because of this kind sent out it is not often that a single root of these doubles or clusters are old or large enough to bloom. My * sorts could be offered in double or clusters at regular price but I prefer to sell one at less than half. After a plant has bloomed, it splits up into small roots which will not bloom until second year.

Special Notice

Largest size super Mother Rhizomes of top notchers such as Frieda Mohr, Wm. Mohr, Los Angeles, were planted a year ago and sure blooming size. Very limited number available.

Reservations

A deposit of 25% on orders \$5.00 and upwards will be accepted and will not be cancelled.

Lower Prices

Three, Six and quantities of some sorts can be supplied at material reductions. Write.

Half Price

To be sure of bloom the next year after your plant has bloomed, buy another medium size root at half price which will bloom second year keeping up continuous yearly bloom.

Shipments

Orders \$1.00 and upwards postpaid. Some varieties cannot be shipped until August 1st. Very small orders including any of these will be held.

Canadian Shipments

10c extra for postage on every dollar for low cost varieties.

Guarantee

All varieties absolutely guaranteed true to name.

Terms

Cash with order.

Payments

Should be made out to H. W. Groschner, or *Fairy Gardens*, Napoleon, Ohio.
