LIST

FRAGARIA NURSERIES

L. J. FARMER, PULASKI, N. Y.

**SAVE TEN PER CENT BY ORDERING FROM THIS PRICE LIST
SPECIAL DISCOUNT FOR CASH WITH ORDER**

We allow 10% on all orders with cash mailed before March 1st; 8% discount before April 1st; 5% before April 20th. No discount after April 20th.

In previous years, a large number of our customers have waited until late in the season to send in their orders, and this often results in disappointment for them and a congestion of business for us. For our new friends, as well as the old, we are mailing this little circular which lists in condensed form, all varieties of **Trees, Shrubs, Plants and Vines**, priced exactly as they will be in the new 1928 catalog. By ordering now from this list, you can take advantage of our **Special Cash Discount**, and also help us to give better service when the proper time comes to ship your order.

Note: Our new 1928 catalog is now on the press and will be mailed to you soon. This issue, we believe, will be one of the finest that we have ever mailed—with covers in color and 48 pages of illustrations and descriptions of items herein. Watch your mail for Farmer's 1928 catalog.
