IF YOU ASK ME---
HERE ARE TWELVE GREAT GLADS.

MRS. H. E. BOTHIN (Diener)—

Heavily ruffled, light geranium-pink with a flame-scarlet blotch in center. A late variety, which never fails to please as a show or cut flower variety. 10 cents each, \$1.00 per doz.

BYRON L. SMITH (Kunderd)—

Lavender-pink, on a white ground, with yellow throat. Truly orchid colored, and as fine a cut flower as there is available. 15c each, \$1.50 per doz.

HOLLYHOCK (Kunderd)—

A striking novelty of merit.

Color white, with just enough cream to give character. Lower petals blotched violet-red. The large round ruffled flowers are apt to be top heavy, and the spikes should always be cut as soon as the first flower opens, unless they are securely staked. Wonderful as an exhibition cut flower. \$1.00 each, \$10.00 doz.

*IMPERATOR (Alkemade)—

A late, sturdy, large flowering variety. Blooms are creamy white and very well arranged on the spike. Occasionally flecks under certain weather conditions, but even this does not detract from the beauty of the flower. 35c each, \$3.50 per dozen.

*MR. W. H. PHIPPS (Diener)—

LaFrance-pink, overlaid with light rose-salmon. Lighter towards the center, and with lightly speckled ruby throat markings. From twelve to twenty florets open at a time. A novelty which will cause you to exclaim with wonder. 50c each, or \$5.00 per doz.

PURPLE GLORY (Kunderd)—

Color is popularly called velvety maroon-red, but contains enough purple pigments to so classify according to the color charts. 15c each, \$1.50 per doz.

*PFITZER'S TRIUMPH (Pfitzer)—

Enormous blooms of a bright salmon-orange color, with deeper throat blotch. Almost a self color. Two to four blooms open at once. \$5.00 each, \$50.00 per doz.

ROMANCE (Kunderd)—

A novelty colored variety that creates a sensation wherever shown. A beautiful combination of orange, salmon, rose, red and yellow. Petals are bordered wine-blue. Distinct and showy and very vigorous. 15c each, \$1.50 per doz.

SOUVENIR (Gravereau)—

Pure golden yellow primulinus variety. Has the charm of yellow silk. Just the color for indoor decoration. We were awarded first prize on this variety at the Michigan Gladiolus Show, East Lansing, 1927, for best basket any primulinus variety. 10 cents each, \$1.00 per doz.

ALICE TIPLADY (Kunderd)—

A large primulinus variety of a beautiful orange-saffron. Excellent for bedding and other landscape uses. Also much prized for cutting. 10c each, \$1.00 per doz.

*VEILCHENBLAU (Pfitzer)—

The Leading Blue Gladiolus.

The first, large, vigorous violet-blue Gladiolus. Has a darker blotch on the lower petals, which adds to the beauty of the flower. Color suggests that of the Iris. \$2.00 each, \$20.00 per doz.

*VIRGINIA HALE (Kunderd)—

Beautiful, soft, creamy salmon-rose. Deeper toward border of petals. A very refined color combination. In a class with Mrs. Dr. Norton. A strong grower, and with us, it is faultless. 20c each, \$2.00 per doz.

PRIZE WINNERS EVERYWHERE

HERE ARE TWELVE HUNTER FAVORITES. MOSTLY LIGHT COLORS.

FERN KYLE (Kunderd)—

A large, ruffled, creamy-white variety with slight amaranth-purple throat markings. Outstanding as an exhibition variety. 25c each, \$2.50 per doz.

SALMON BEAUTY (Kunderd)—

A large, flowering primulinus hybrid of great merit. Color deep salmon with rich salmon-yellow throat. Superb for cutting and especially fine for basket work. 10c each, \$1.00 per doz.

MARY PICKFORD (Kunderd)—

Creamy-white, with throat of finest soft sulphur-yellow. Stem and calyx also white. Distinct and beautiful. One of the very best for cutting. 10c each, \$1.00 per doz.

MARIE KUNDERD (Kunderd)—

The best early ruffled white. An almost invisible soft pink line in the center of the lower petals adds to the charm of the flower. A great favorite. 15c each, \$1.50 per doz.

ROSEMARY (Wing-Bales)—

Another novelty of merit.

Very unusual in its coloring, which is white with fine hair line markings and stiplings of lavender-rose, giving an old rose effect. The markings are carried clear thru the petals so the back of the blossom looks the same as the front, thus they are easily arranged in vase or basket. There never was a "Glad" like Rosemary, and you will regret it if she is not smiling at you in your garden this summer. 25c each, \$2.50 per doz.

MARSHALL FOCH (Kunderd)—

Large, slightly ruffled flower, of a beautiful shade of salmon-pink, with darker throat. A favorite everywhere. 15c each, \$1.50 per doz.

RUFFLED AMERICA (Kunderd)—

Beautiful, ruffled, blush, lavender-pink with slight throat markings. Valuable for either exhibition or cut flower purposes. We highly recommend this variety to you. 15c each, \$1.50 per doz.

SCARLET PRINCEPS (Kunderd)—

This variety is now the vogue.

Scarlet-red, with slightly deeper throat. A wonderful bedding or landscape variety. Many large, round blooms are open at one time. 10c each, \$1.00 per doz.

RUTH HUNTINGTON (Kunderd)—

Color is violet lilac-pink, with deeper velvety red blotch on lower petal. Worthy of a place in every garden, no matter how small. Nicely ruffled and artistically arranged on the spike. 15c each, \$1.50 per doz.

PRIMUNELLA (Kunderd)—

One of the best ruffled primulinus hybrids. A combination of delicate shades. Probably best described as orange-saffron with salmon and yellow suffusions. As gay as a butterfly in a summer's breeze. 10c each, \$1.00 per doz.

MING TOY (Kunderd)—

An outstanding primulinus variety. Color is a most pleasing shade of buff-yellow. Several spikes of bloom are produced by the same bulb and the season of bloom is thus prolonged. 10c each, \$1.00 per doz.

WILLIAM KENT (Diener)—

Creamy shell-pink, with golden ochre lip. Many open and intensely ruffled. Season late. Not a rapid multiplier. Surely worth while as an exhibition variety. 75c each, \$7.50 per doz.

COLLECTION "B"

One each of the twelve varieties on this page, valued at \$2.35, for \$2.10.

Three each of the twelve varieties on this page, valued at \$7.05, for \$6.00.

ANNA EBERIUS (Diener)—

Deep rhodamine-purple shading into deep bordeaux. A sensational variety and a vigorous grower. 10c each, \$1.00 per doz.

CAPT. BOYNTON (Boynton)—

White suffused lavender blotched with a darker spot on the lower petals. Tall and vigorous and unquestionably one of the finest lavender "Glad's" in existence. 20c each, \$2.00 per doz.

MAINE (Vos)—

Glistening white, save for very faint lavender featherings in throat. Very tall straight spikes. Buds are greenish but flowers open white and have fine lasting qualities. A most dependable variety and is often called "The Best White." 15c each, \$1.50 per doz.

VESTA TILLY (Krelage)—

Large, well placed flowers, of a very delicate blush-pink, almost white, with a fine violet blotch. Season medium early, substance good, and very promising as a cut flower variety. 10c each, \$1.00 per doz.

MISS MADISON (Boynton)—

Large, clear, delicate pink. Has a silvery glistening sheen which adds to its attractiveness. A remarkable cut flower, and much in demand. 15c each, \$1.50 per doz.

MRS. F. C. PETERS (Fischer)—

Beautiful rose-lilac with purplish blotch in throat. Resembles an orchid in color. Many large flowers are open at once on a long, erect stem. 10c each, \$1.00 per doz.

MYRTLE (Kunderd)—

Dainty, clear rose-pink, softly dissolving into a throat of clear, creamy white. Exquisite as a cut flower. Not as vigorous as some, but very early. 10c each, \$1.00 per doz.

PERSIA—

The real dark horse of Gladiolusdom.

You will be delighted and surprised how dark this almost black one really is. Fine foliage and a vigorous prolific variety. Be sure and include a few with your order. Especially priced at 50c each, or \$5.00 per doz.

A very choice giant dark red. A rather slow multiplier and therefore very scarce. Order early, please. 25c each, \$2.50 per doz.

ROSE GLORY (Kunderd)—

Ruffled rose-pink with rhodamine-purple lines on lower petals. A very dependable bloomer and always a favorite. Very representative of the ruffled type and much in demand. 10c each, \$1.00 per doz.

THISTLE (Kunderd)—

Large rose-red, of very open and perfect form. Large, dark, pansy-like throat markings add to its charm. A good grower and finely ruffled. 15c each, \$1.50 per doz.

MONA LISA (Kunderd)—

A soft lavender-rose pink, almost a self color, ruffled and several open at once. Superb for cutting on account of its delicate coloring and excellent form. 10c each, \$1.00 per doz.
