40 sheets, 21 of which I kept all
& 19 returned part of plant to Cushman

April 28. 1925 Freeport Swampy woods 52
3656 *Vaccinium* 15 in letter from P.C.
Standley in *Antennaria*.

May 1. Munson.

In flower. *Viola cucullata*. *V. pallens*
Urtica sessilifolia *Androsace intermedia*

May 5. Plattsdale & N.W. Hilly woods

3657. *Viola emarginata*

3658 " *pubescens*.

3659 " *sororia*

3660 *Vaccinium*. See letter from P.C. Standley's

3661 " *Corymbosum*.

Noted in flower. *Viola palmata*. *triloba*. *cucullata*
Papilionacea. *lanceolata*. *pallens*. *incognita* *Antennaria*

Ranunculus hispidus - *abortivus*.

Syringium thalictroides *Artemisia gangetica*.

Potentilla paniculata.

Post-flowering *Euphorbia americana*
Sanguinaria canadensis

May 9. Woods S of Jerusalem A.E. E. of Hempstead

3662 *Urtica sessilifolia*

In flower. *Viola cucullata*. *V. pallens*.

May 12, 1925 Roukonkoma

- 3663 *Vaccinium cowanianse*
 3664 " "

 3682 " "
 3683 *Viola emarginata*
 3684 *Krigia virginica*.
 3685 *Gonolobus tataricus*.
 In flower *Viola pedata* & *porphyroloba*.

May 13. 1925 Swamp Woods Meadowbrook
S. of Farm 51-54
3686. *Carex stricta*.

Noted in flower. *Viola lanceolata*. *palustris*.
littoralis. *Cucullata*. *papilionacea*.
Trifolium americanum *umbellatum* *canadense*.

May 15. with Mr Henry Hicks

3687 *Zizia aurea*. Woodbury.

Noted at Roslyn native Hemlock
Creek for but could not find *Euphrasia*
bulbosus where Hicks found it - in Swampy
woods

May 19 P.M. Mineola - Hempstead plain

3688 *Sisyrinchium angustifolium*

In flower. *Viola pedata*. *v. fimbriata*
Hypoxis furcata. *Potentilla fruticosa*

Hempstead. Water lower - damp ground
in foliage. *Viola litoralis*. *v. lanceolata*.
Aconitum melanocarpum. *Erigeron capitatus*.

May 20. 1925 Hempstead to Wading River 55
with Edith. with Donald at his farm at
Middle Island

Middle Island

- 3689 Carex umbellata.
