Aug 4. 1919 Valley Stream Spung 157
Continued

Reminded my late Cardinal
Flowers in dense Swamp
woods in such fine contrast
to the sombre Swamp colors
and trees.

Visited the pond at Valley Stream
where my brother Ed & I 50 years
ago caught our first fish, yellow
perch & minnow. Father bought us
them here to fish & told of the
big trout he caught in Valley Stream
years before when he was young.

The old mill & pool where the
factory is all gone but the House
remembers the old-timed mill
the last change of the upper
pond when we fished there
about 40 years ago.
