For Nurserymen, Florists and Dealers only

FALL 1928 - SPRING 1929

3% Discount and Free Packing for cash with orders

THE RICE NURSERIES, INC.

P. O. Box 78

Geneva, New York

TO NURSERYMEN, FLORISTS AND DEALERS

Our PRICES are based on current market conditions and are subject to change without notice. We are prepared to quote special prices on large inquiries for certain items that we can supply in quantity. All orders should be made up in 10's or multiples of 10.

We offer the usual TERMS to those whose credit responsibility is known to us. On all C. O. D. shipments 25% in cash must accompany the order to insure acceptance on delivery. *3% Discount and Free Packing for cash with order.*

SHIPMENTS can be routed over either the New York Central Lines or the Lehigh Valley, which roads have good trunk-line connections with all other railroads. Customers are requested to give definite shipping instructions if they have any preference. Otherwise we will use our best judgment but we assume no responsibility. All shipments travel at the cost and risk of the purchaser.

We make no charge for packing or delivery to the freight or express station, but BOXING and BALING will be charged to the customer at cost.

A Certificate of INSPECTION will be furnished with each shipment.

All orders are accepted with the understanding that they shall be void should any injury befall our stock from causes beyond our control.

We exercise particular care to keep our varieties true to name and will cheerfully replace, on proper proof, all that may prove otherwise—but we do not give any warranty, express or implied. In the event of an error, it is expressly understood and mutually agreed between the customer and ourselves that we shall not, at any time, be held responsible for a greater amount than the purchase price.

ALL CLAIMS must be made promptly—within 5 days—of receipt of shipment.

We invite your inquiries. Should you favor us with your business, we can assure you complete satisfaction in every particular. We make a specialty of giving individual attention to every order and all of our grading is done under the personal supervision of the president of the company to insure that the stock will meet with your approval.

President.

WE SPECIALIZE IN SERVICE

When you have selected your requirements from this TRADE LIST, you will be glad to know that we specialize in

PROMPT SERVICE

We are exceptionally well located geographically to give you efficient service on all L. C. L. shipments as well as on carload lots.

L. C. L. shipments are forwarded every day to Manchester, N. Y., a central transfer point 12 miles distant from Geneva, where they are reloaded into direct cars, of which over 180 are sent out daily. Thus all delays enroute are eliminated. THIS IS AN IMPORTANT FACTOR IN THE TRANSPORTATION OF NURSERY STOCK.

The total number of days elapsed between the time L. C. L. freight leaves Geneva and arrives at some important points of destination is indicated by the following schedule:
