—Read This Before Ordering—

My tests of new varieties are among the largest in the U. S. A. For several years I have purchased new varieties to the extent of \$1,000.00 per year. Wherever these have increased sufficiently they are offered in Special Offers in my price list and in this supplementary list. New varieties have been added to Special Offers in the March issue. This is an opportunity to try some of the newer things at very reasonable prices.

Bulbs on this list carry the same guarantee as those on my main list to which this is supplemental. The quantities on hand are small not exceeding 100 bulbs of one variety in any size and in a few cases less than six bulbs. If you have any second choice in size or variety, mention it in your order, as money will be refunded for any items sold out.

If you have an unshipped order here, your selections from this list will be accepted for \$1.00 or more. If we have shipped all your stock, the minimum order that can be accepted is \$2.50. Transportation charges prepaid.

This list is brought up to date and reprinted frequently. If you desire to order later, ask us to send you a list corrected to date.

All offers are made and accepted subject to prior sale and these offers expire May 1st as I begin planting at that time.

SUPPLEMENTAL LIST OF SMALL LOTS

Use these prices for quantities of 24 bulbs or less, one size and variety. For 25 or more bulbs, one size and variety, deduct 10% from prices as given. All bulbs on this list are counted net.
