FOR

GLADIOLUS

CAUTION

When you receive bulbs, no matter where from, open packages immediately to admit air, and store in a cool place but keep from frost. Leave top of bags open, or better place in shallow boxes. They must not be left in closed bags.

Official Cultural Directions, indorsed by the AMERICAN GLADIOLUS SOCIETY are included herein and additional copies will be sent on request. Read and follow these directions and you will have good results.

All lovers of GLADIOLUS should join the
American Gladiolus Society

and receive the REVIEW monthly.

Send your name and \$2.00 to the Sec'y,

Roscoe Huff, Goshen, Ind.

Everyone in New England who is interested in GLADIOLUS
should be a member of the

New England Gladiolus Society

Send your name and \$1.00 to the Secretary

David Tyndall, Brockton, Mass.

T E R M S

Cash with order, or one third with order and balance before shipment. Prices quoted are net postpaid.

One dozen of a kind at 10 times the price each.

Three or six of a kind at dozen rate.

No order accepted for less than One Dollar

Special prices gladly quoted by the hundred.

Also on planting stock of most varieties.

We exercise great care in keeping our stock true to name and will replace without charge any bulb proving untrue. An error sometimes occurs but we are always glad to make adjustment to the customer's satisfaction.

Prices quoted are for large bulbs $1\frac{1}{4}$ inches or over. In most varieties we can furnish small bulbs, $\frac{3}{4}$ to 1 inch in diameter, at one half these prices. These small bulbs, with good care, will produce excellent blooms, and will make more bulblets than large bulbs.

We especially urge that wherever possible at least 100 bulbs be planted, including early, mid-season and late varieties, so that you may have enough open at one time to cut an attractive bouquet, also have a long season of bloom. This may be done in a small space as they may be planted from 4 to 6 inches apart.

If possible grow them by the thousand. Select a few by name for a trial garden and plant one or more thousand mixed bulbs in a bed for landscape and cutting. For this purpose you will find collections A or B, on another page admirably adapted.

A bed 3 feet wide and 50 feet long is ample for 1000 bulbs.

12 Bulbs of a kind at 10 times the price each	Each
ALBANIA. Kemp's fine pure white. Very good.	.08
ALICE TIPLADY. Brilliant orange saffron. Prim.	.05
ALMA GLUCK. A peach red Prim Grandiflorus.	.15

Special Collections

COL. A. 100 BULBS for \$2.00, Postpaid.

This collection is an assortment of all colors mixed, mostly named varieties, together with some seedlings and accidental mixtures and is extra good value at the price.

COL. B. 100 BULBS for \$3.00, Postpaid.

This collection consists of all named varieties assorted to color as follows—25 RED, 25 WHITE, 25 PINK, and 25 YELLOW. It contains several varieties in each color, each color packed separately, and will make a fine display. For \$1.00 additional we will add 25 bulbs of the BLUE shades making quite a complete inexpensive collection.

COL. C. 144 BULBS for \$5.00, Postpaid.

One dozen bulbs each of 12 different varieties, or six bulbs each of 24 different varieties, each kind packed separately and named. These collections are carefully selected to give a good variety of colors, and early, mid-season and late blooms. We believe you will be delighted with either of these collections. If both are ordered together we will send without duplicates.

MAKE YOUR OWN COLLECTIONS.

For \$5.00 you may select any bulbs in this list other than collections to the amount of \$6.00 or for \$10.00 to the amount of \$12.50.

GOLD ELSIE Fischer

GOLD ELSIE is a Primulinus Hybrid, being a cross of Primulinus Species on an unnamed seedling from Golden Measure.

It is extremely early, blooming with us this year before Gold Eagle, planted the same day.

It is extremely deep yellow, being, in some conditions at least, even deeper than Souvenir.

While it is a first cross Prim Hybrid, it has a tendency to open up rather wide, showing less hooding than most prim.

Being a combination of extremely early, extremely deep color, and a first cross prim of good size, Gold Elsie should prove a valuable variety to use in hybridizing, especially as it carries Golden Measure influence.

We do not believe in high prices, even for rather new sorts, and are pricing Gold Elsie at 50 cents each.

In order that you may try it out in various sizes we are making this special offer,

1 large, 1 medium, 1 small, and 10 bulblets for \$1.00

3 large, 3 medium, 3 small, and 30 bulblets for \$2.50
