READ CAREFULLY BEFORE ORDERING

Our gladiolus stock is as fine as can be grown. The bulbs are clean, plump and healthy. Because of our long dry falls, our stock is perfectly cured out of doors and we feel confident that we can fill your orders in such a manner as to merit your continued patronage.

All orders will be taken subject to stock. Order early to prevent disappointment. Most varieties will be ready for shipment early in November.

Terms are net cash before shipment, unless otherwise arranged; 25 per cent deposit will hold winter orders until March 1st. Orders not fully paid for will be sent C. O. D. for the balance at time of shipment.

Remittances should be made by post office money order, express money order or bank draft.

Conditions of Sale. We exercise every care to ship only first class stock, but give no warranty, expressed or implied, and will not in any way be responsible for the results of planting or forcing of any seeds, bulbs, roots or tubers sent out by us. We are anxious to satisfy all of our customers and will gladly make replacement or refund purchase price of any article that does not prove true to name or does not arrive in good growing condition. Please notify us at once if shipment does not arrive in satisfactory condition. If the purchaser does not accept the goods on these terms no sale is made, and they must be returned at once.

We pay all packing and transportation charges where regular parcel post rates prevail
