RUSSELLVILLE, ARK.

READ CAREFULLY BEFORE ORDERING

Remittances should be made with each order. Make them the way that is most convenient with you. Personal checks are good if you have the cash in the bank to cover it.

MY GUARANTEE—Everything entirely satisfactory and as good or better than represented or you may return at my expense and receive all money you have been out.

OUR MOTTO—"Quick Service; a Square Deal to All." It is Plants we ship, not mere promises.

SUBSTITUTING—If temporarily out of any variety, we will substitute another equally as good unless you say so in writing.

NO SUNDAY BUSINESS WHATEVER, EXCEPT FLOWERS FOR FUNERALS.

PRICES—We request that you compare our prices with others. The more you investigate the better you will be pleased. A trial is all we ask.

HOT BED PLANTS—Have no soil on the roots, therefore will be much cheaper than pot plants.

POT GROWN—Are grown in small flower pots and mailed postpaid to the customer with the ball of earth on them, the size of the pot which is matted together with roots. All our flowering plants are pot grown, unless stated otherwise.

POSTAGE PAID—Everything postpaid, to everybody, everywhere.

REFERENCE—Bank of Russellville, Russellville, Arkansas; American Railway Express Company, Russellville, Arkansas.

HANGING BASKETS

—We believe this to be the best wire hanging basket on the market today. You can either hang it up or set any place you may desire. We have baskets twelve inches in diameter for 50c; fourteen inches, 55c.

GREEN SHEET MOSS

—For lining the baskets, enough for twelve-inch basket, 15c; fourteen-inch basket, 20c, postpaid.

ARKANSAS STATE PLANT BOARD

Office of Chief Inspector

LITTLE ROCK

CERTIFICATE OF NURSERY INSPECTION

1927-1928—No. C-71—Issued November 5, 1927.

This is to Certify, that, in accordance with the provisions of the Arkansas Plant Act of 1917, the nursery and premises thereof belonging to

W. V. TAYLOR, OF RUSSELLVILLE, ARKANSAS,

have been inspected by a duly authorized inspector and were found to be apparently free of injurious insect pests and plant diseases, and that, as a condition of the issuance of this certificate, the owner or operator of such nursery has agreed to comply with such requirements as the Chief Inspector has prescribed for the elimination of infested or diseased trees or plants, and has further agreed not to dispose of any nursery stock unless it is covered by a certificate granted by the Chief Inspector of the Arkansas State Plant Board.

This certificate is not transferable and may be revoked for cause.

This Certificate Expires September 1, 1928.

PAUL H. MILLAR, Chief Inspector.

SWEET POTATO PLANTS

READY FOR SHIPMENT APRIL 25th

We can supply any quantity from the small garden to the largest fields. Diversify your crop, cotton is too cheap—grow Sweet Potatoes.

Our seed are selected from the best potatoes obtainable in this vicinity and treated as the Government suggests.

We have been bedding several hundred bushels for a good many years and we claim to know a little about growing Sweet Potato Plants, and in buying from us you get the benefit of all our experience. Our potatoes are bedded in soil each year that potatoes were never grown or bedded in before. We pack well and guarantee plants to arrive in good condition.

PRICES ON EITHER VARIETY OF SWEET POTATOES—Postage or Express Paid—100 for 30c; 200, 55c; 500, \$1.30; 1,000, \$2.35; 5,000 or over, \$2.25 per 1,000; 10,000 or over, \$2.15 per 1,000. If you can use a larger amount write for special prices.

DIFFERENT VARIETIES—We only grow Nancy Hall and Porto Rico. These are best varieties to be had, in our opinion.

The above prices are the market at the time of going to press. If the market should decline, our prices will be lower.

CABBAGE PLANTS

READY MARCH 5th

100, 50c; 250, \$1.00; 500, \$1.25;
1,000, \$1.90.

EARLY JERSEY WAKEFIELD—One of the most popular of the extra early varieties; not so large, but fine quality; very solid; fine leaves, sure to head.

CHARLESTON WAKEFIELD—This is a very valuable sort; is only a few days later than the Early Jersey, but is much larger; is a standard, early variety in the South and proves to be one of the bests known for clay and heavy soil; heads solid.

FLAT DUTCH—Large, flat heads. A good variety.

AFTER APRIL 10

You may deduct 20 per cent on all cabbage plant orders.

BERMUDA ONION PLANTS

Bermuda Onion Plants are growing more and more in favor every year.

Onions grown from plants mature quicker, are sweeter, will keep longer—a sure crop if planted out early.

To get the best results they must be planted early. If you wait until May to transplant the chances are you will fail to get satisfactory results.

100 for 25c

500 for \$1.00.

1,000 for \$1.55.

Write for prices on larger quantities.

CELERY PLANTS—If you like celery, try a few plants. From beds, 20c a dozen, 2 dozen, 35c. Pot grown, 5c each. Ready April 1st and later.

WASHINGTON ASPARAGUS—One of the best; it has thick and heavy shoots, long and straight and closely folded tips; rapid grower. Set four inches deep; fertilize well. Price, two year roots, 6 for 20c; 12 for 35c; 25 for 60c.

HORSE RADISH ROOTS—For best results plant in a moist, partly shaded corner. Nice roots, 2 for 10c; 6 for 25c; 12 for 40c.

RHUBARB ROOTS—Rhubarb is the earliest plant you can pluck from your garden in the spring; makes fine pies and sauces; nice large roots. 10c each, three for 25c; doz. 90c.

GARDEN SAGE—Once planted, will last for years. Grow a few and have plenty of fresh or dry sage the year round. Nice plants, 10c; three for 25c.

ENGLISH MINT—10c, three for 25c.

CATNIP—10c, three for 25c.

TOMATO PLANTS

READY MARCH 15, AND LATER

STOP HERE FOR GOOD TOMATO PLANTS

Having had much experience in growing Tomato plants both wholesale and retail, we feel that we will be able to please the most exacting.

PRICES—All Tomato Plants at the following prices unless stated otherwise. Postpaid—12 for 15c; 25 for 25c; 50 for 45c; 100 for 75c; 250 for \$1.50; 500 for \$2.75. If you want a larger amount, write for prices. When it comes to Tomato Plants, we are headquarters. Below you will find some varieties quoted in quantities.

NOTICE—20 PER CENT DISCOUNT—Orders for 100 or more Tomato Plants shipped after May 1, you may deduct the difference, or send full price, and we will send extra plants.

POT GROWN TOMATO PLANTS

We grow Beefsteaf, Earliana Fifty-Day and Stone Tomato Plants in flower pots. For extra early tomatoes, try a few plants this being the quickest way known to have early tomatoes. Once you try them, you will want no other, if it is early tomatoes you are after. Nice large plants, well rooted, shipped with soil on them. 5c each; six for 25c; 12 for 45c; 100 for \$3.00. Express or Postage Paid. At Greenhouses, 35c dozen.

BEEFSTEAK TOMATO

The Beefsteak Tomato without question is the king of all tomatoes. The world's unbeatable tomato for the main crop. Ripens early and continues to fruit for a long period. Large, a splendid keeper; very productive. Fine color. Flavor cannot be beat. 1,000 for \$4.40; 2,000, \$7.50.

PONDEROSA—Of perfect shape. Very large, extra prolific, early to late. Quality fine. Color pink. Too well known to need much description. A winner. 1,000, \$4.00; 2,000, \$7.00.

EARLIANA—An extremely early, smooth, bright red tomato; good sizes and vines small but vigorous. This is the tomato that delivers the goods. 1,000 for \$4.00; 2,000, \$7.00.

ACME—Beautiful deep rose; solid; fine for market and family. A real main cropper.

PERFECTION—A standard early red variety. As now grown it is very similar to Chalk's Jewel. The fruit ripens early and bears until frost.

BUCKBEE'S FIFTY-DAY—Mr. Buckbee, the originator, claims that good plants will produce ripe fruit in fifty days after set in the ground. Hence the name, "50-Day." If it is early Tomatoes you want, try this one. Our plants are grown from originators' seed only. 1,000 for \$4.50; 2,000, \$7.50.

NEW STONE—A standard, main crop; red, medium early, a fine canner. Very popular. 1,000, \$3.50; 2,000, \$6.50

GIANT EVERBEARING—A beautiful red, wonderful yielder; ripe fruit from early summer until killed by frost; medium size.

DWARF CHAMPION, OR TREE TOMATO—The most popular of the dwarf variety in cultivation. Sturdy, stocky plants, are of upright growth, need no support. Produces handsome purplish red fruits that begin to ripen early and are produced throughout the season.

MATCHLESS—A very dependable, large and smooth tomato, second early sort, makes a good canning variety; color, cardinal red.

KING OF THE EARLIES—This tomato is claimed to be, the smoothest early tomato in the world—a tomato above all others. The plant is a mass of beautiful red fruit.

RED ROCK—One among the best. Its size, beauty, shape, color, flavor, durability and productiveness makes it desirable to growers. Similar to Stone.

SNOWBALL—A novelty in tomatoes; color pearly white; firm and solid; early to late; fine for table, pickling or canning.

"FIRST OF ALL"—Originators claim this to be the earliest, largest, smoothest, finest flavored extra early tomato in cultivation. Color, red; tough skin, good shipper, fine for market or table. Don't fail to try it.

MARGLOBE (WILT RESISTANT)—This variety is a cross between Marvel and Globe, producing a heavy yield, of large smooth, solid, red fruit which ripens medium early. It is somewhat larger than the Stone, and is highly recommended because of its wilt-resisting features. The havoc wrought by wilt in Tomatoes is serious, if you have been disappointed in growing tomatoes because of this disease, you will be interested in this hardy, wilt-resistant sort.

JOHN BAER—Early, smooth, bright scarlet; has short, vigorous vines; has less seeds than Earliana and a little later.

OLD DUKE OF YORK—Claimed by the Originators to be Blight-Proof—This is a new one, the originator, made such great claims that we wanted to try it. A heavy cropper, ripens evenly to the stem; produces until frost; quality the very best; solid and meaty. A fine shipper.

BONNY BEST—Fruit generally borne in clusters. A good, uniform, early tomato; scarlet red.

EGG PLANT

Fruit a rich, shining purple; cook by cutting in one-fourth inch slices. Pare, let stand in salt water an hour. Drain and dip in egg and cracker crumbs. Fry brown. Plants from hot bed, 20c doz; pot grown, 5c each.

PEPPER PLANTS

SWEET OR HOT.

(Ready for Delivery After March 20.)

Price of all pepper plants postpaid as follows: 12 for 20c; 25 for 35c; 50 for 60c; 100 for \$1.00.

Planted near together, sweet and hot Pepper will mix, causing all to be hot. We use as much care as possible to get seed that are pure, but as soon as pepper begins to fruit notice and if any small or hot plants appear, pull them at once. It matters not where you get your plants or seed, this will be a good rule.

RUBY KING—A pepper of large size, fine for truck growers. A beautiful ruby red when ripe. Good plants from beds. 500 for \$4.00.

CHINESE GIANT—Plants dwarf; mammoth sized fruits. A late variety; grown heavy on account of its mammoth size.

PIMENTO PEPPER—Very mild; most all meat; fine flavor; requires rich, moist soil.

RED CHILI—Fruit small, pointed, bright scarlet and quite hot.

PIE PLANT

Rheubarb (or Pie Plant) is easy to grow. Fine for pies. Be sure to try it. Roots, 10c each; three for 25c.

TOPEPO

This is a new vegetable that has lately had considerable publicity. Cross between the Bell pepper and New Stone Tomato. Looks more like a pepper than a tomato. Not only the outward appearance, but inside it resembles a pepper, and also tastes like a good sweet pimento or mango pepper. It is about as large as a tomato. The quality is fine and can be baked, stuffed or in soups, chowders, dressings and other table delicacies, or any way that a sweet pepper can be used. It originated in California. One dozen, 25c; 25 for 40c; 50 for 55c.

WE GUARANTEE ALL PLANTS
TO ARRIVE IN GOOD CONDITION

TAYLOR'S CHOICE CANNAS

The greatest of all bedding plants, of quick growth and tropical appearance. Will bloom first year from early until frost. They do best in rich soil with plenty of water. Do not plant in the open until danger of frost is past. Do not plant too deep. The eyes should be barely covered. We do not send out anything but strong two or three-eye bulbs.

Most varieties should be dug after frost and stored in box or soil where they will keep dry and not freeze.

Any six cannas of the same variety for five times the price of one. Any 12 of same variety for nine times the price of one.

KING HUMBERT—Five feet, large scarlet flowers, bronze leaves; free bloomer. One of the leading varieties. 15c each.

YELLOW KING HUMBERT—Queen Helen—4 to 5 feet; flowers rich, clear canary yellow; crimson spots in center; very large; green foliage. 10c each.

CITY OF PORTLAND—3 feet; deep pink; foliage green; a new variety, sure to please. 20c each.

WYOMING—5 feet; flowers large, bright orange, slightly rimmed and flaked with rose; leaves rich purplish bronze. 15c each.

GAIETY—5 feet; reddish orange, mottled with carmine; the tongue is yellow and densely spotted with carmine. 5c each.

WINTZER'S COLOSSAL—The color is a striking vivid scarlet that retains its brilliancy over a long period. A most showy flower of enormous size with large and broad petals. A strong grower; height, 5 feet.

MORNING GLOW—4 feet; another color contrast of more than usual beauty. Soft shell, pink and orange, red center; olive green foliage, stripped and veined with bronze; novel and fine. Our price, 20c each.

VENUS—4 to 5 feet; an exceedingly beautiful variety; variegated rose pink, mottled near center, edge with creamy white; vigorous and long seasoned; one you will like; green foliage. Price, only 15c each.

PRESIDENT (New)—6 feet; flowers extra large, red, high quality; flower stalks strong, holding the flower well above the foliage. Our price, only 15c each.

BRANDYWINE—Fine display of large red flowers, dappled with deep crimson; some of the petals are narrower edged with bright gold. Foliage, bronze. Price 15c each.

EUREKA—4 1-2 feet; one of the best white flowering cannas grown; robust, quick grower, free bloomer; a few placed in bed with red add much to the appearance. Try it and be convinced. Price, only 15c each.

ALEMANNIAS—5 feet; orange, mixed with scarlet; an old variety; a hardy grower. 5c ea.

MMS. CROZY CANNA (New)—The flowers are borne erect in great heads in such profusion that they crown the plant with a blaze of vermilion, scarlet, bordered with deep golden yellow. Very popular. 15c each.

No home should be complete without at least a few cannas. They increase rapidly. Buy a few now. In two or three years you will have them to sell.

SPECIAL BARGAIN OFFER

One each of 10 named varieties for \$1.00; two each of 10 varieties, 20 in all, \$1.85. Our selection.

EXTRA SPECIAL

Many colors mixed. No name or color given. Fine roots. Only 7c each. 65c doz.; \$5.00, 100.

BEAUTIFUL DECORATIVE FERNS

WHITMANII COMPACTA FERN.

More Ferns are killed by watering than from lack of it. When soil is sticky, do not water. When soil is dry, water thoroughly. The best way is, stand pot in basin of water 15 minutes. Watch for the very small white specks on underside of leaf near base of stem for this Spray with Volck, enough Volck to make 4 gallons of spray for \$1.00.

WHITMANII (Ostrich Plume Fern)—More of a dwarf habit than the Boston Fern. The fronds are of entirely different nature. Each frond is subdivided on the order of the Compacta Fern, thus producing a very beautiful effect. Its decorative ability is excellent. Price 15c.

SPLENDIDA ("The Big Four Fern")—A decided novelty. It combines the good qualities of the four most popular sorts—the grace of the Boston, wavy effect of Roosevelt, fluffy effect of Ostrich Plume, and the uniqueness of the Fish Tail. 20c, 3 for 55c.

NORWOOD FERN (Fluffy Ruffles)—A dwarf compact fern similar to the Ostrich Plume, carrying its fronds stiff and erect. Makes an ideal specimen. A favorite of mine. Good plants, at 20c; 3 for 55c.

NEPHROLEPIS SPARROWII FERN—We are glad to offer our customers this new variety. Quite robust, rapid and easy grower, can be grown with success by the amateur; dark green foliage, beautiful crested fronds, 20c, 3 for 55c.

SMITHII FERN (Baby Breath)—An improvement over the Ostrich Plume; compact; form fronds on wiry stems. Very attractive. A popular variety. Price, 15c.

NEW FERN (John Wanamaker)—This new fern is quite distinct from other ferns, growing rapidly, making an abundance of long, narrow drooping fronds. This is a very durable house fern. Price, 15c each, 3 for 40c.

FEATHER FERN (Asparagus Sprengerii)—The plants are rapid growth, grow freely all year, producing large sprays. Fine for window boxes or hanging baskets. A fine house plant. Foliage used for cut flower work or in bouquets. Keeps fresh a long time. 15c each, 3 for 40c.

TEDDY JUNIOR—New dwarf fern, said to produce nearly four times as many fronds as any other fern introduced; fronds are broad and tapered from base to tip. 15c each.

BOSTON FERNS—An old stand-by that is hard to beat. Has long, graceful drooping fronds. Grows very large and is very popular. Price 15c, 3 for 40c.

COMPACT SWORD FERN—Resembles the Boston, only is more dwarf and more erect and darker shade of green gracefully arched. A good house plant. 15c each, 3 for 40c.

LACE FERN (Asparagus Plumosus)—Graceful bright green leaves of delicate form and unusual beauty. A fine house plant. Thrives under all conditions. The foliage cut and put in water will hold its shape and color for weeks. Price, only 15c each, 3 for 40c.

CHRYSANTHEMUMS

(Indoor Variety.)

One of the finest flowers growing; the king of all blooming house plants. Flowers will keep a long time after cutting. Get your plants now; plant in open garden if you want large flowers; keep plants pruned and disbudded, leaving only 3 or 4 buds, for a real show bloom leave only 1. In August, dig with ball of dirt on roots, pot in eight-inch or larger pot; keep from frost and well watered. Keep them sprayed with Volck, Enough Volck to make 4 gallons of spray, \$1.00. Prices on all of the following, 15c each; two for 25c.

NAGAYA—One of the best late varieties. Blooms about the last of December; color, bright yellow.

CHYSOLORA—This fine new variety can be described as a standard yellow; early variety.

HARVARD—A good, large flowered, dark red.

EDWIN SEIDWETZ—Late, bright pink.

BLACK HAWK—Large; dark red; velvety.

WILLIAM TURNER—One of the finest of beautiful white.

BETSY ROSS—Large, pure white. A very popular variety. Sure to please.

WHITE CHIEFTAIN—An ideal white.

YELLOW WILLIAM TURNER—One of the brightest yellow Chrysanthemums; a standard variety.

TAYLOR'S GLADIOLUS WILL MAKE YOU GLAD

NOTICE THE REDUCED PRICES THIS SEASON

The Gladiola deserves a good place in every garden, small or large. Easy culture and fine for bedding. Excellent for cut flowers. Plant any time from April 1st to July, in sunny places, in rows four to five inches apart, or bed out six inches each way, 4 inches deep, and stake. After frost, lift the bulbs or uncover, remove the roots, store in a dry place away from frost. Plant out again next spring.

Price of all Gladiolus listed, your selection, 1 for 6c; 6 one kind 30c; 12 one kind, 55c; 25 for \$1.00; 50 for \$1.50; 100 for \$3.50. Postpaid For 50 or over you may select 25 of kind.

MRS. FRANCIS KING—A most beautiful flame of pink. Large flowers.

AMERICA—Stands among the best. Large beautiful flesh pink. Will last long time after being cut.

SCHWABEN—One of the newer of the yellow varieties; magnificent cut flower. The flowers all open nearly at the same time. A real beauty.

GRETCHEN ZANG—Deep pink.

1910—Rose color.

PEACE—Flowers are long, heavy, straight spike; a beautiful white, with pale lilac markings.

HALLEY—One of the earliest of all Gladiolas to come into bloom. Color a delicate rose with a white blotch.

EVELYN KIRTLAND—An outstanding variety of luminous coral pink, shaded with deep pink on the lower petals. Strong spikes.

WAR—Deep blood red, shaded crimson black; flowers very large; borne freely; late.

LEMARECHAL FOCH—A great novelty; a lily like flower of salmon pink, with blood red blotches. One among the very finest.

WILBRINK—Lovely flesh pink with orange blotch on lower petals.

MRS. FRANK PENDLETON, JR.—A lovely salmon pink, having blood red blotches in the throat.

ALICE TIPLADY—Orange saffron, flamed red.

EXTRA SPECIAL—A mixture of many kinds, no name or color given; good bulbs. Only 5c each; 6 for 25c; dozen for 40c; 2 doz. for 75c; 50 for \$1.45; 100 for \$2.75.

CALADIUM ESCULENTUM

(ELEPHANT EAR)

A most effective plant for the flower border or for planting upon the lawn. To obtain the best results it should be planted in rich, well supplied with water. Bulbs will grow nice plants the first season; 10c, 15c, 20c, 25c each, according to size.

CALADIUM ARBOREUM—This fine plant, when young, resembles the Elephant's Ear, but grows to immense size as it attains age. Instead of dying down in the fall this grows into a

stem or trunk, which retains the foliage through the winter if kept in the sitting room. Plants well cared for will grow to be 8 or 10 feet high. Fine plants from 4-inch pot, 50c. This one you will like.

ALOCASIA ILLUSTRIS (Blue Stemmed Elephant's Ear)—An excellent plant to grow in connection with fancy leaved Caladium, or for planting in the open. The foliage is dark green, blue stems. Fine pot grown plants, 20c each, 3 for 50c.

They are the most charming conservatory plants. Being of a tropical nature, they like a warm temperature. Their beautiful foliage is variegated in an indescribable manner. One leaf will be dotted, another ribbed and veined with pink or scarlet or yellow. Some give a Japanese effect. Has to be seen to be appreciated. Nice bulbs, 25c each. They create a sensation wherever grown.

TAYLOR'S CHOICEST GERANIUMS

LARGE DOUBLE

Price, 15c each; three for 40c; six for 75c; dozen, \$1.25.

Eben E. Rexford, in his book on flower culture, states as follows: "If I were asked to name the one flower best adapted to general culture, I would unhesitatingly name the geranium as the flower. It is of easy culture. All that is asked is good soil, enough water to keep roots moist, but never wet, sunshine, and away from frost."

Geraniums will not stand much water, neither will they bloom well in a large pot.

DUKE DE MONTMART—This is nearest to the blue geranium. It is more strictly speaking a rich purple; a striking color.

ALPHONSOE RICARD—A most beautiful shade of bright vermillion, large flowers and enormous trusses; a grand variety.

AMERICAN BEAUTY—Flowers light red color; large and double; fine for pots or bedding.

S. A. NUTT (Queen of Crimson)—Said to be the best dark red bedder; a great bloomer; double. A great favorite.

SWEET SCENTED GERANIUMS—15c each, or two for 25c.

BEAUTE POITEVINE—A beautiful variety, with large double flowers of a bright salmon pink; very fine.

BUCHNER—Plants bushy, large flowers; pure white; fine for pot or bedding.

JEAN OBERLE—One of the most beautiful among the colors; known as peach or hydrangea pink. Plants strong and free bloomers.

JEAN VIAUD—Among the best large flowering double pink geraniums, color rich deep pink, shading near the base of petals to light pink.

HELEN MITCHELL—Clear, brilliant scarlet. One among the best.

MRS. E. G. HILL—A good single geranium and a profuse bloomer of a soft, light salmon; each petal bordered with rose salmon.

IVY-LEAVED GERANIUMS—Very fine for baskets, either trailing or climbing. Color, pink.

STRAWBERRY GERANIUMS—Leaves nearly round and striped freely with silver bands. Blooms white. Easily grown. Does well in sun or shade. Does not resemble the Geranium. 10c each, three for 25c; fine for baskets.

EASTER GREETINGS

NEW EVERBLOOMING PELARGONIUM—Flowers large and free blooming; amaranth red; each petal marked with a large black blotch. A fine variety to grow, on account of its long blooming season. Our price, 20c.

DAHLIA BULBS

All the following 15c each; two for 25c; six for 70c.

SPECIAL—A fine lot of mixed Dahlias, 12c each, two for 20c; six for 35c; per dozen, \$1.00.

Spade or plow the ground to a depth of 10 inches or more; use a liberal amount of well rotted manure; lay bulbs flat and cover to a depth of about five inches; space each way three or four feet. Stake when one foot above ground. Cultivate well.

MINA McCULLOUGH—Golden yellow, tipped with bronze red.

QUEEN VICTORIA—Pure golden yellow.

QUEEN MARY—Rose pink, good stiff stems, a strang plant. We grow this variety in order to supply a good large pink dahlia at the price of the smaller.

PENELOPE—White overlaid lavender. An old standard. Has compact clumps.

JACK ROSE—Red. The identical shade of the rose with the same name.

F. L. BASSETT—This Dahlia will produce more blooms than any Dahlia we ever saw. The first to bloom and always in demand, it is deep lavender or purple, stems 18 inches long and bright foliage. This Dahlia should be cut regular, every day.

DEE LIGHTED—The largest white Dahlia, with immense double blooms six inches across; instead of centers being round they are elongated in such a way that it suggests a smile, "the Teddy Roosevelt smile." This Dahlia should be pinched back when one foot high. A surprise for any garden and will give satisfaction; also a good bulb producer and easy to keep over the winter.

FLORAL PARK JEWELL—Extra long stems and free blooming; variegated red tipped white.

SYLVIA—Pink with white center.

ROYAL PURPLE—Medium size, purple.

ORANGE KING—Early and free bloomer, orange color.

BLUE OBAN—Color, mauve.

ROBERT BROOMFIELD—Early, white.

TAYLOR'S CHOICE BEGONIAS

CORALLINA LUCERINE—Bright coral red, changing to delicate pink. The foliage is dotted with silvery white; will stay in bloom for months. Sure to please. Fine plants only 20c.

THURSTONII—The flowers are a beautiful deep pink in bud, but when fully expanded become a beautiful shell pink. Leaves large and polished or emerald green color, blood red underneath. Very showy. Price, 20c each.

ARGENTEA GUTTATA—Purple bronze leaves with silver markings. White flowers; fine plants; 15c each.

RUBIA BEGONIA—The Rubia is one among the Begonias; has dark glossy green leaves; makes a wonderful house plant; free bloomer. The flowers are scarlet rose color. Price, 20 ea.

METALLICA—The Metallica Begonia has large hairy leaves with metallic lustre; blooms are pink. Price, 20c each.

BEEFSTEAK BEGONIA (called by some the Strawberry Leaf Geranium)—The leaves have silver top, red underneath. Flowers pink. Nice plants, 15c each, larger one 25c.

BEGONIAS (known as the Everblooming Varieties)—Very fine for bedding out or for pot plants. They are great bloomers, almost perpetual. Small foliage, glossy green, turning to a purplish bronze. State color, red or pink, 18c each; 2 for 35c; 6 for 95c.

REX BEGONIA—Our Rex Begonias are the most beautiful of foliage plants, with beautiful colored leaves of enormous size, making an unequaled house plant; sure to please. Price 20c.

CARNATION

The popular national flower. Very double; last a long time for cut flowers; red, white and pink. Price, 15c each.

PANSIES

Plants should be planted out very early in the spring. Fine, large flowers; use one-half well rotted manure and one-half soil. We have a fine mixture of good plants. Price, 5c each; 6 for 25c; one dozen, 45c.

OTAHEITE ORANGE

A fine pot plant; glossy green leaves; blossoms very fragrant; fine plants for 20c each.

PONDEROSA LEMON

Easily brown in pots. Fruits eight or ten times the size of ordinary lemons, and makes as good or better lemonade. Can be used for anything that ordinary lemons are used for. Everbearing; blooms very fragrant. Will begin fruiting at two or three years old. Nice plants, 20c; larger plants, 45c.

SCARLET SAGE AND DUSTY MILLER.

SALVIA (SCARLET SAGE)

Salvias are easily grown. Set plants in open after danger of frost is past. Plant freely in beds or borders about 18 inches apart. Salvia makes a fine background if planted in rows. Pinch young plants back to make them bunch out. They are sure to more than please. Plants ready March 20.

SALVIA SPLENDEUS—One of the most popular plants through the summer and fall. Plants grow to a height of three feet; covered with scarlet flowers. Price, not pot grown, one dozen, 20c; two dozen, 35c; four dozen, 65c. Pot grown, 5c each; 6 for 25c.

DUSTY MILLER—This plant is used for edging beds of Salvia, Cannas, Coleus, Geraniums, etc. Almost too well known to need a description. Silver white leaves. Price, 10c each, three for 25c.

FUCHSIAS

(Ladies' Ear Drops.)

Will grow in almost any soil, but does best in a light, open, spongy one. It must be well watered. Do not allow the roots to become dry. A daily shower on its foliage will be a great help. It likes the morning sun or will do well in a partial shade. Never expose to the hot mid-day or afternoon sun.

BLACK PRINCE—One among the very finest Fuchias grown for the beginner. It makes a shapely bush; robust in growth. Blossoms of a beautiful, waxy carmin or pink color; 15c each, two for 25c.

SPECIOSA (known as the Winter Bloomer)—Color rich carmine and rose. Remarkable for its bright glossy green leaves. Price, 15c each, two for 25c.

Three other named varieties at 15c each, two for 25c; mixed, nice plants, no name or color given, 10c.

COLEUS

These are all fine for bedding and as specimen pot plants during the winter. They are wonderfully attractive. I do not know of a finer foliage plant than the Coleus. Keep well sprayed with Volck to kill the white cotton-like bugs. Enough Volck to make 4 gallons of spray for \$1.00. Postpaid.

NEW PRESIDENT HARDING COLEUS—Bright red leaves, with brown, green-yellow edging. A real beauty. Only 15c.

TRAILING QUEEN—A free, rapid and easy grower. Elegant fringed leaves, blending from pink to crimson, bordered with chocolate markings. 10c each, three for 25c.

CHRISTMAS GEN—Very broad leaves; bright crimson, marked with yellow. Sure to please. Price, 15c each, three for 40c.

NEW GIANT RAINBOW (Christmas Queen)—Long leaf, richly colored. Many colors, ranging from dark velvet to pink, yellow, brown and green. A winner. Price, 15c each, three for 40c.

DEFIANCE—New; fine leaves, bright yellow about one-half of surface, in center bright velvety crimson. Price, 15c each, three for 40c. You would certainly be pleased with these Coleus for bedding out in the open after frost is over.

MANY VARIETIES MIXED—10c each; three for 25c; 85c dozen.

CALENDULA

Easily grown annuals; grow well and bloom freely; fine for cut flowers; color, yellow. Pot grown plants, 5c each; six for 25c; dozen for 45c.

ARTILLERY PLANT

PILEA—Drooping, graceful habit with fern-like foliage. Is covered with very small pods or blooms. 10c each.

CINNAMON VINE BULBS

Beautiful foliage and dainty flowers, highly perfumed; hardy climber. Once planted will last a life time; vines dying down to the ground each autumn, but growing very rapidly each spring. Grows well in the shade or sun, on dry land or wet land. Good sized bulbs, priced at 8c each; three for 20c. Large bulbs, two years old, will make a fine vine the first year, 15c each; two for 25c; six for 60c; 12 for \$1.00.

PEONIES

Few hardy plants are so suited to any position in the garden or lawn as the Peony. The display of flowers is very effective, rivaling the rose in beauty. A good deep rich soil suits them best with plenty of sun, while they do well in any ordinary soil, once planted they will last for years. Plant two and one-half inches under ground.

DUCHESS D'ORLEANS—Medium to large; dark carmine pink guards, center soft pink; fragrant; midseason; vigorous, tall; a free bloomer. A profitable cut flower; it ships well, can be depended upon for an abundance of flowers year after year. Price, 35c each.

ZOE CALOT—very large; soft pink tinted lilac; fragrant; full globular bloom; midseason; growth strong; good height; stiff stems; blooms freely. Price, 45c each postpaid.

CANDIDISSIMA—Large; tinged sulphur, becoming white; fragrant; rose type; early; blooms freely. Price, 45c each.

MIXED PEONIES—Not a cheap lot of undesirable sorts, but a really first-class mixture of good named Peonies, the leading commercial varieties predominating. Each 35c, two for 65c.

OLD FASHIONED GARDEN PEONIES—Pink, white and red. Each, 35c; two for 65c.

HIBISCUS

Where can we find a more striking plant for summer or winter? It is always budding or blooming. Hibiscus in pots are extra fine for the porch or balcony, or for bedding out in summer.

PEACH BLOW—The flowers are double and from four to five inches in diameter, of a rich, clear pink with small deep crimson center. Very beautiful. 15c; two for 25c; large size, 40c each.

RUBIA—Has large double flowers of a deep crimson color. This is one you will appreciate. 15c; two for 25c.

FREE BLOOMING LANTANA

Surely you will want to try a few Lantanas this season. They are free and continuous bloomers, stand heat and drouth well, when bedding out; fine for growing in pots for specimen plants; can be wintered in a light cellar. Price, postpaid, each, 15c; two for 25c.

RADIATION—A great bloomer; opens orange yellow, changing to brilliant red.

A. COOK—Opens deep orange, changes to a bright rose.

VIOLET—Yellow and pink, golden center; changing to pink orange, then to a beautiful violet.

GOLDEN PLUME—Gold and yellow; one you will like.

JACOB SCHULTZ—Immense size; opens golden yellow, changing to orange yellow. A beauty

WEeping LANTANA—Weeping plant of great beauty. The plant has a most graceful, drooping habit; grows very rapidly and blooms continually, summer and winter, producing large clusters of flowers of the most delicate lilac. Foliage a dark green. 15c; two for 25c.

Grow a few Lantanas this year and you will want many more next year.

VINCA VARIAGATA

Green and white variegated leaves. Grows rapidly out of doors in summer, and is much used for porch or window boxes and hanging baskets. An attractive trailer. Price, 10c each.

CUPHEA (CIGAR PLANT)

Bushy plants of neat habit, about 15 inches high, bearing great numbers of narrow, tubular flowers, bright scarlet, with purple and white tips. Bright and attractive, always in bloom. These plants thrive beautifully in hanging baskets, vases, etc.; are also fine as pot plants in the window and good for bedding out of doors. Price, 10c each; three for 25c.

ZENIAS

Hardy annual; begins to bloom early and continues until frost; fine lasting cut flowers; long stems; a real favorite; new; double giant flowers. Price, pot grown, 5c each; from beds, 20c dozen.

OLEANDERS

An old time favorite for porch or lawn decoration. Give rich soil and plenty of water in growing season. May be wintered any place that does not freeze. Pink or white. State color. Price, 20c each; mixed, 15c each. Leaves and stem are poison if taken in mouth.

MADAGASCAR. PERWINKLE. OR VINCA

Blooms the entire summer season, growing about two feet high; very bushy. Good for growing in pots and better for borders or beds. The more you plant, the better you like them. Pot grown plants, 10c each; three for 25c; from hot beds, 25c per dozen.

IVIES

PARLOR IVY (German Ivy)—For hanging baskets; no trouble; extra fast grower. Price 10c each, three for 25c.

VARIGATED IVY—Its green leaves are spotted with white. Each, 10c.

IVY—Solid green leaves, 10c; 3 for 25c.

MONEY IVY—One of the best Ivies grown; extra fast grower; foliage green and round; leaves are the size of nickles, quarters, half dollars and dollars. The leaf is borne from a stem in the center, giving a parasol effect. A real good one. Price, only 10c.

GIANT MOON VINES

Great climber; extra fast grower. Has large, white flowers, which are produced in abundance. Price, 10c, each. This is what you want for porch or window shade. An annual; reaches maturity the first year.

SULTAN'S-IMPATIENS

(Zanzibar Balsam.)

Almost a constant bloomer. Has blooms about the size of a half dollar. Salmon, pink, white and red. (Give very little water; too much water will rot the plant off.) Price, 10c each, three for 25c.

TUBE ROSES

Dwarf Excelsior Pearl—24-inch; early bloomer, bears pure white flowers. Very durable and sweetly scented; 7c each; 3 for 20c; 6 for 30c; 12 for 50c.

WATER HYACINTHS

Fill bowl about half full of good soil. Pour in water until it will stand two or three inches deep. Place the lower ends of the roots in soil and let plant float in water. Has fine blooms, borne on spike of bluish color. Price, 15c; two for 25c.

SWORD CACTUS

A large growing plant. Has white flowers about four or five inches in diameter; night blooming. Price, 15c, 25c and 50c, according to size. Yes, everything is postpaid.

SANSEVIERIA

(Zebra, Snake or Tiger Plant)

Just the plant to grow in sunless windows, dark or heated rooms; will stand almost any amount of neglect, yet hold its thick, fleshy green clouded and sword-like leaves in this very graceful position. Our prices, postpaid, only 15c each.

THE COMET PLANT

(*Acalpha Sandrilli*)

Leaves are dark green, from the axil of each of which spring a long, drooping spike of glowing crimson scarlet, nearly an inch in diameter and from 18 to 24 inches long, very velvety in texture. Exceedingly curious and interesting novelty. Is bound to have a large sale on account of its oddity. Price, 15c each.

FRENCH HYDRANGEAS

These plants are adapted for pot culture or for the garden in summer only. By thoroughly mixing one-half pound alum to one-half bushel of soil to pot them in, they will bloom blue.

GEN. DE VIBRAGE—Large, bright rose flowers; a fine variety and very popular. In order to move them, will sell nice plants at 20c each.

EMIL MOULLIN—One of the finest sorts; very large flowers; pure white, with rose carmine eye, and only 20c each.

ROYAL PURPLE PLANT

The leaves are beautiful variegated with a very deep purple; for beds and borders; also a fine pot plant. Price, 15c each; two for 25c; postpaid.

ABUTILON ECLIPSE

Trailing in habit; fine for box or basket; flowers bright yellow with crimson throat. Price, 15c each.

MAMMOTH VERBENA

A very popular and useful bedding plant; to keep blooming in best condition, keep all old flowers cut off; a severe clipping will make a better plant. A fine collection of mixed colors. Each, 8c; 3 for 20c; 6 for 35c.

BRAZILLIAN PLUME PLANT

(*Justicia Carneia*.)

This is a good plant, blooming profusely, commencing to flower when young; strong and rapid grower and throws long shoots, each of which is tipped with a plume-like flower. Color, pink. 20c, Two for 35c.

TAYLOR'S ROSES

These Pot Grown Roses May Be Planted Successfully any Time From Now Until the End of June

Taylor's Roses are everbloomers, Pot Grown and Sent Postpaid.

(All varieties are monthly or everbloomers except those marked with a *)

The ideal garden has many Roses in it. Roses here, and there, and everywhere. There cannot be too many of them. They will bloom well, comparatively speaking, in ordinary soil, but must be given very rich soil if you want them to do their best. Work plenty of old manure in soil and grow specimens. The Rose likes heavy soil; it prefers clay loam instead of sandy loam. For best results, cut back heavy.

CITY OF LITTLE ROCK—Surprisingly beautiful. It is distinct and beautiful in color, a rosy pink. The buds which open perfectly are long and ideal form. The growth is vigorous and the flowers are produced profusely. Its pronounced fragrance will attract all Rose lovers. Price 30c.

JOSEPHINE VESTAL—In this magnificent Rose, we find a rose of attractive coloring. It might be described as a salmon-flesh tinted rose, with a touch of yellow at the base. Buds of unusual attractiveness, opening full and double, unusually long and beautifully pointed petals of wonderful depth and substance. Very fragrant, growth strong, almost thornless, flowers on long stems, and in great profusion all summer. Hardy in most localities. Grand for outdoors. Price, 30c each.

CLIMBING WHITE DOROTHY PERKINS—The flowers are a brilliant, glistening white, 15c.

BABY DOLL, OR TIP TOP—Blossoms, golden yellow. Beautifully, small, delicate. 15c.

JONKHEER J. L. MOCK—Large flowers, erect stems, heavy foliage, quick growth, rich pink; a rose among roses. This is one of our favorites. 20c.

KAISERINE AUGUSTA VICTORIA—White; a real rose. 20c.

SUNSET—A good pink; blooming all season; large buds. 10c each; large plants, 40 c.

CLOTHILDE SOUPERT—A fine bedder produces large quantities of medium-sized roses; the color effect is beautiful; ivory white, shading toward center to a bright silvery pink; everybody's rose; 10c.

SOUVENIR DE PIERRE NOTTING—Beautiful long bud, large blooms; orange, yellow bordered, with carmine rose. 15c.

CLIMBING COLUMBIA—A hardy, ever-blooming pink climbing rose. Buds and blooms immense size; borne on long stems for cutting. Petals large, color clear, imperial pink. Many have been wanting this rose. each 25c.

WHITE MAMAN COCHET—Magnificent white rose, with a tinge of pale blush; ever-blooming; quite hardy; a queen among roses. 15c.

NATIONAL EMBLEM—Buds large, long and pointed; very beautiful; flowers freely and continuously all season. Double. Color, dark crimson. 20c.

CLIMBING AMERICAN BEAUTY—Color, a rich glowing crimson. Same color and qualities as the American Beauty, only this is a climber, 20c each.

WILLIAM SHEAN—Very free bloomer; most unique of Roses, both in color tones and contrast; the flowers are a beautiful pure pink, with delicate tinting, are of immense size. Plant makes a sturdy, well formed bush that will give satisfaction anywhere. 20c.

COMMONWEALTH—This new Rose has large, long, pointed buds, borne singly on medium strong stems. Color, an even deep pink, would be called a solid color. A vigorous grower, delightfully fragrant. 25c.

J. B. CLARK—Deep scarlet, shaded blackish crimson; large, beautiful flowers, 25c.

CLIMBING SUNBURST ROSE—The same as Sunburst, except this is a climbing. One of the finest climbing yellow Roses, 20c.

RED RADIANCE—Hardy, free bloomer, vigorous grower, large, double red blooms, 20c.

PINK RADIANCE—Giant flowering, fine buds, very double; fine for cut flowers, 20c.

FRAU KARL DRUSCHKI—"White American Beauty". The distinctive form and expression of its bud, half open state and maturity, are a three-fold revelation of exquisite charm and beauty. They commence blooming with the June Roses, are conspicuous throughout the summer with their large flowers of waxy paper white, and yield their last armful with the first snows of any fall. 25c.

MRS. WARREN E. LENOX—Bright scarlet and vermillion double flowers of excellent form and large size, with particularly fine perfume. Extraordinary blooming qualities for a red Rose of so fine form, 40c.

PAUL NEYRON *

"Among the Foremost Roses of the World"

Paul Neyron, the largest of Roses, blooms two or three times a year. Color, pink, shading to rose, most beautiful in the massiveness of the blossoms. Very fragrant with mild touch of apple blossoms. The rose is very strong and vigorous and is considered by Rose growers as being among the six Roses of the world best suited for outdoor planting, 25c.

THE VOGUE OF OLD-FASHIONED FLOWERS

ROOTS LIVE IN THE OPEN THROUGH WINTER

Today, more than ever before, lovers of flowers everywhere, are seeking for their gardens the better forms of those "Old-Fashioned Flowers of Grandmother's Days." New and rare types continue to appear from various sources. Both here and from foreign countries. Not pot grown.

YUCCA (Adam's Needle)

A very effective and striking hardy plant; will grow on high, dry banks or on the lawn. Good for the rockery; sword-like evergreen foliage. Creamy white flowers, borne on tall stems. Price, 15c and 25c.

LATHYRUS (Perennial Sweet Peas)

These perennial Peas, although lacking fragrance, are very valuable because they will last indefinitely. The vines grow from 8 to 10 feet long. Cut flowers, good for funeral work. Blooming plants, 15c; two for 25c.

TAYLOR'S HARDY PHLOX

No class of hardy perennials is more important than the Phlox, which succeed under almost any conditions and flowers from the end of June until late in the fall; and while they will continue in good condition and flower freely for many years without attention, still they are much improved by liberal cultivation. Red, pink, purple and white. Our price, postpaid 15c each.

SHASTA DAISY

Our many friends would be surprised to see the enormous size of the large-flowering Shasta Daisies. The plants grow vigorously and are perfectly hardy. The large white flowers are borne in the greatest profusion. Price, 10c each.

SWEET WILLIAM

These are excellent for border plants and should be included in every garden. Hardy, grow about 18 inches high. Many beautiful colors, mixed; a mass of blooms; sure to please. Price, 15c each, four for 50c.

GOLDEN GLOW (Double Rudbeckia)

FORSYTHIA (Golden Bells)—This is one of the most useful shrubs for the permanent decoration of buildings. It can be easily trained over a wall, fence or tree trunk. The flowers are bell-shaped, of a clear yellow. It is the earliest shrub to bloom. Price, 25c each.

HYDRANGEA (Hill of Snow)—H. Abroecens Grandiflora—One of the most valuable characteristics of this shrub is its coming into bloom just after the passing of all the early spring flowers; flowering season from May until late August, makes it an acquisition on any lawn; the heads of flowers are produced on long, strong stems, making them good for cutting for indoor decoration and at time when few other flowers can be obtained. Price 30c.

HYDRANGEA PANISULATA—A most valuable ornamental shrub. Brushy and robust, every branch tipped with an immense close panicle of flat snow-white flowers. The trusses of bloom are ten to twelve inches long and nearly as thick through, lasting for two or three months. 30c, two for 55c, four for 95c.

CORNUS, SIBIRICA (Red Branched Dogwood)—This variety grows ten feet tall and its coral red branches are very effective in winter especially when planted in masses. The flowers appear in clusters and are a creamy white color. Fruit, pale blue. The Dogwood likes a moist soil. 25c; two for 45; four for 75c.

ABELIA GRANDIFLORA—Plant in half-shaded place; an evergreen producing immense quantities of tubular shaped white flowers, about an inch long. Bush, dense and compact; fine for specimens or hedges; plants, 25c.

BUMALDA SPIREA—Dwarf; everblooming; color pink. Plants, 8 to 10 inches, for 25c.

FORSYTHIA SUSPENSA—The drooping or weeping variety; 12 to 15 inch plants for 15c ea.

BEGONIA—A large climbing vine; large flowers; dark red throat; fine for covering unsightly places. Price 20c.

ANTHONY WATERER SPIREA—Grows 15 to 18 inches; a great and continuous bloomer; fine to grow any place you want plants. Color, red. Small plants 15c; 2 for 25c; large, 35c.

WEIGELAS—Free blooming; grows five to eight feet; in spring branches are covered with flowers, trumpet shaped, light pink. 50c.

HIBISCUS (MALLOW)—Perfectly hardy for outside growing, mixed colors. Price, 20c each, two for 35c.

DEUTZAS—Grows strong and upright, four to six feet high, double white flowers, 25c.

CREPE MYRTLE—A real beautiful shrub. Free bloomer, grows eight to ten feet. Color, crimson. Price, 20c; two to three foot bushes, 50c.

PHILADELPHUS (Mock Orange)—Flowers very fragrant, creamy white. Plants 15 to 18 inches high, 25c.

PHILADELPHUS VIRGINAL—The first of the ever-blooming Mock Oranges to win our hearts; double, semi-double and single flowers appearing in same bunch, and so enchantingly sweet that we wonder someone has not converted this flower into "Mock Orange" perfumes. Price, 30c.

BUSH HONEYSUCKLE—The Honeysuckle in bush form; color, white or pink, state color; 18 to 24-inch plants, 20c.

BERBERIS THUNBERGI—A very attractive shrub, as single specimen on or about the lawn, or for planting in corners by the house or porch; fine for hedges; about 18 inches high and well branched. Price, 25c; two for 45c; doz, \$2.35.

SYRINGA, VULGARIS (Common Lilac)—This is the well-known Lilac of the old-fashioned garden. A tall shrub with smooth, heart-shaped leaves and great panicles of most fragrant blossoms in spring. Much used as a cut flower. It grows well in any garden soil, but prefers a heavy loam. Price, 25c; two for 45c.

CALIFORNIA PRIVET—The greatest and most used plant for hedges; green foliage; grows well most anywhere. Price, 6 for 50c; 14 for \$1.00; 50 for \$3.00; 100 for \$5.50.

SPIREA VAN HOUTTEI—Said to be the best of all white Spiraeas. In the spring a fountain of white flowers; long graceful drooping stems. Nice bushy plants, 20 to 24 inches high, 25c; two 45c; 12 for \$2.50.

WEeping WILLOW—Plants well rooted and thrifty. Good plants 15, very large, 50c.

UMBRELLA CHINA

CHINA BERRY—Quick growing, top like an umbrella; will quickly grow to a height of 10 to 14 feet. Plants 2 to 3 feet for 15c; 2 for 25c. Not hardy farther north than Arkansas.
