FALL Planting days are with us; it is a joy to know that they are here. Fall is the planting season ideal. Weather conditions are most favorable; soil can be handled, and there is more time to plant properly. Ask Us About It.

PRICE LIST

FALL, 1928

H. J. WEBER & SONS
NURSERY CO.

AFFTON, MO.

Gravois and Weber Roads

Telephone - - - Riverside 0897

Terms of Sale

Please Read Carefully

TERMS INVARIABLY CASH.

REMIT BY POSTOFFICE OR EXPRESS MONEY ORDER ON ST. LOUIS, MO., REGISTERED MAIL TO AFFTON, MO., OR BY DRAFT. Do not send private checks unless drawn on some St. Louis Bank. Address all correspondence to **H. J. Weber & Sons Nursery Company, Affton, Mo.**

C. O. D. ORDERS must be accompanied with at least 25 per cent of the amount in cash. If shipped by express, you pay the balance to your express agent upon delivery of goods. If by freight, you pay the balance at your bank, where you will find the bill of lading, which you present to the freight agent, who will deliver shipment to you. Always give us name of bank you wish us to send bill to. We deliver free of extra charge to any freight depot, express office, or boat landing in St. Louis, Mo.

NON-WARRANTY CLAUSE.—If Nursery Stock proves untrue to the name under which it is sold by us, a replacement of the stock, as originally ordered, without charge, or a refund of the purchase price shall be a complete satisfaction of our liability. Except for such liability we give no undertaking or warranty, express or implied, as to description, quality, growth, productiveness, or any other matter of any Nursery Stock we sell.

We assume no liability for delays in delivery or for non-delivery of Nursery Stock caused by frost, fire, flood, drought, hail, strikes, embargoes, war, or other causes beyond our control.

H. J. Weber & Sons Nursery Co.

TRANSPORTATION RULES.—Every care is taken to secure safe and prompt transportation. The forwarders alone must be held responsible for loss or delay in transit.

DIRECTIONS.—Observe carefully that your **name, postoffice, county and state** are plainly written on your order; also, state whether to be sent by freight or express, and by what route. If no directions be given we will use our best judgment.

ERRORS.—Any errors that may occur in filling orders must be reported within five days after receipt of goods. We will immediately correct same. Complaints entered after the above stated time will not be entertained.

SUBSTITUTION.—It is customary, should the supply of a variety become exhausted (as will occasionally occur in all establishments), to substitute in its place a similar sort if there is such. Should it be desired for us not to do this, please state on your order "**No substitution.**"

SELECTIONS.—Persons not acquainted with the different varieties can leave the selection to us, in which case we will select as if planting for ourselves.

INSPECTION.—Our nurseries are annually inspected by the State Entomologist, and have been found free of San Jose Scale and other dangerous insects and diseases. A copy of certificate of inspection will be attached to every package that leaves our establishment.

QUOTATIONS.—Prices quoted in this catalogue are for the quantities specified. 1, 2 or 3 trees or plants of a kind are to be figured at the single price, 4 or more plants of a kind are to be figured at the 10 price. If you take 40 trees or more, not less than 5 trees of a variety, you will be entitled to the 100 price, and so on throughout the catalogue. Thousand prices will be quoted on application, where list of varieties accompanies the request. All orders are booked with the understanding that same shall be void should injury befall the stock from drought, fire, hail, frost, or other causes beyond our control.

LIBERAL REPLACEMENT OFFER made because of our confidence in the vitality of our plants. We agree to re-supply F. O. B. our nurseries at one-half of the original purchase price, any nursery stock purchased from us at catalog rates that may fail to grow by July 1st following season planted from causes other than abuse or neglect. **This offer applies only to accounts that are promptly paid in full when due.** Any labor involved in planting such replace orders is to be borne by the customer.

REPLACEMENT.—There are good reasons why plants may sometimes fail to grow well after transplanting. Poor soil, dried condition due to transportation delay, careless or improper culture, excessive drought, neglect, insect or disease attacks are some of the causes often to blame. After delivering plants in good order to your home or to the transportation company it is obvious that we have no control whatever over these future conditions. It is not reasonable, therefore, to ask us, nor do we in any way agree, to guarantee the results or the outcome of plantings. Should any plant prove untrue to variety ordered we will replace it without charge or refund the purchase price.

NOTICE.—The prices in this list abrogate previous quotations and are made on stock to be strictly first-class in the grades named. Please do not compare our prices with firms quoting on mailing size trees and plants only.

Iris are magnificent; plant a bed this fall for next spring's bloom. See page 19.

Plant More Fruit

Fruit growing is one of the finest occupations; work is light compared with other farm work and the profits far better than from the average farm crops. Let us help you with suggestions; we have had 60 years' experience.

Planting Instructions for Trees and Shrubs

No matter how good your tree is, if you do not plant properly, prune properly and give after-care, you cannot expect to be successful.

Full instructions for planting shrubs, etc., will be found in our Annual Guide. If you do not have a copy, advise us and we will gladly send you one.

Protect Your Trees

from the ravages of the "SAN JOSE SCALE" by spraying with "SCALECIDE," the best known spray for the control of all kinds of "SCALE INSECTS." Spray this fall as soon as leaves have fallen.

We are WESTERN DISTRIBUTING AGENTS for this material; we have used it in our Orchards for the past 25 years and know what it will do.

See prices on page 24 of in this price list. Place your order now; we will ship in October as soon as fresh stock reaches us from the factory.

Deciduous Ornamental Trees

[We would advise our patrons to place orders early for all ornamental shade trees as stock is very scarce this season. Order while the stock is complete.]

Acer (Maple)

	1.25		

Wisteria

W. sinensis	Each	Per 10	
2-year-old plants (Layers).....	\$1.00	\$9.00	
W. sinensis alba	1.00	9.00	

To Plant Evergreens

1. Dig a hole several inches larger than the ball of the plant to be planted.
2. Set tree in hole a trifle lower than it stood in the nursery.
3. Fill good top soil up around ball. Pack firmly with feet or settle by filling hole with water.
4. Loosen burlap at top of ball and roll back or cut off.
5. Fill hole with soil. Pack firmly and leave top of ground covered with loose earth or better mulch with straw.

Evergreens (Coniferae)

Best time to plant is in September and October for fall. All Evergreens are dug with ball and burlapped the "WEBER WAY"—None better. Each tree a specimen.

It's not a home until it's planted

No matter how fine you build, how expensive your interior decorations, "IT'S STILL NOT A HOME" until you have surrounded same with TREES, SHRUBS, FLOWERS, EVERGREENS, etc.

Roses

SEE PAGE 3
FOR SPECIAL
ROSE
COLLECTIONS

Use Arsenate
of Lead for
the Rose Slug.

Hybrid Perpetual

Dormant Plants	Each	Per 10	Per 100
2-year, No. 1.....	\$.75	\$6.50	\$50.00
Can be planted in the fall during early November.			

Anna de Diesbach	George Ahrends
Baron de Bonstettin	Hugh Dickson
Capt. Hayward	J. B. Clark
Clio	Mrs. John Laing
Frau Karl Druschke	Paul Neyron
General Jacqueminot	Ulrich Brunner

Use Sulfocide
for Mildew
on Roses.

Hybrid Tea—Everblooming

Should not be planted in fall. March and April is proper time for planting dormant stock. Potted plants should be planted after May 5th. See Spring, 1928, Catalog or write for 1929 Catalog to be issued in January.

Dwarf Polyantha or Baby Ramblers

Best planted in spring; orders can be placed now for spring delivery.

Climbing Roses—Ramblers and Trailing Roses

Can be transplanted in the fall—Early November.

Hardy Perennials

Our Perennials are well grown and stocky plants.

There are only a few varieties of Perennials that are safely transplanted in the fall. Our Perennial plants are all potted in the fall and carried over winter in cold frames. This keeps them in good condition, and if planted in early April produce a crop of flowers the first season. There are some varieties that should be planted in September and October. These will be quoted in this list. Varieties not quoted in this list will be quoted in our 1929 Catalog and Guide.

Aquilegia (Columbine)

<i>A. californica hybrida</i>	<i>A. coerulea</i>
<i>A. canadensis</i>	<i>A. helenae</i>
<i>A. chrysantha (Golden spurred)</i>	<i>A. nivea grandiflora</i>
<i>A. chrysantha alba</i>	

Each 25c; per doz. \$2.50; per 100 \$15.00.

Convallaria (Lily of the Valley)

Clumps. Each 50c; per doz. \$5.50.
Dutch pips. Per 25 \$1.20; per 100 \$3.50.

Funkia (Plantain Lily)

<i>F. coerulea</i>	<i>F. subcordata grandiflora</i>
<i>F. robusta elegans</i>	<i>F. undulata media picta</i>

Each 30c; per doz. \$3.00.

Iris—Germanica (Fleur de Lis)

SEE PAGE 3 FOR SPECIAL IRIS COLLECTION

The German Iris is one of the most desirable early spring-flowering plants. The flowers are of large size and exquisite colors. No garden should be without a collection of these popular flowers.

- Celeste.* S, lavender; F, deep lavender. Large flower.
Crimson King. Rich claret-purple.
Delmariensis. S, pale gray-blue; F, darker, shaded violet-brown.
Honorabilis. S, golden-yellow; F, rich, deep brown.
Khedive. Both standards and falls soft lavender.
Leonidas. S, clear mauve; F, rosy-mauve.
Loute. S, light mauve with bronze sheen; F, soft red-violet.
Mme. Chereau. White, elegantly frilled azure-blue.
Mandaliscac. Rich lavender-purple.
Mrs. Horace Darwin. S, snow-white; F, white, slightly violet at base.
Midnight. A rich, deep purple.
Monsignor. S, violet; F, velvety purple-crimson.
Nibelungen. S, fawn and yellow; F, violet-purple on bronze.
Prosper Laugier. S, light bronze-red; F, velvety ruby-purple.
Princess Victoria Louise. S, sulphur-yellow; F, rich plum, bordered cream.

Prices on above: Each 20c; per doz. \$2.00; per 100 \$14.00.

- Archeveque.* S, deep purple-violet; F, deep velvety violet.
Caprice. S, rosy-red; F, deeper rosy-red.
Eldorado. Bronze, good variety.
Fro. S, golden-yellow, edged olive-yellow; F, chestnut-brown.
Lohengrin. Deep violet-mauve, large.
Loreley. S, light yellow; F, blue, bordered light yellow.

Prices on above: Each 25c; per doz. \$2.50; per 100 \$18.00.

SPECIAL VARIETIES

- Alcazar.* S, light violet; F, deep purple-bronze, veined throat. Each 50c; per doz. \$5.50.
Ambassadeur. S, smoky velvety-purple color; F, velvety purple-maroon. Each 90c; per doz. \$9.60.
King of Iris. S, clear lemon-yellow; F, rich maroon, bordered yellow. Each 30c; per doz. \$3.00.
Lent. A. Williamson. A new introduction; very fine. S, lavender-violet. Each 90c; per doz. \$9.60.
Oriflame. S, light blue; F, rich violet-purple. Each 40c; per doz. \$4.00.
Pallida dalmatica. S, clear lavender-blue; F, deep lavender. Each 35c; per doz. \$3.50.
Queen Catarina. Another new introduction; very fine. Azure-blue, fragrant. Each 70c; per doz. \$8.00.
Sherwin Wright. S and F, bright clear yellow. Each 35c; per doz. \$3.50.

INTERMEDIATE VARIETIES

- Walhallia.* S, lavender; F, wine-red. *Frcya.* S, pearl; F, flamed violet.
Helge. Lemon-yellow, pearl shadings. Each 20c; per doz. \$2.00.

DWARF IRIS FOR EDGING

- Pumila.* Purple. Each 15c; per doz. \$1.25; per 100 \$7.50.
Cyanea. Deep velvety-blue; flowers large. Each 15c; per doz. \$1.25; per 100 \$7.50.
Bride. White with primrose beard. Each 20c; per doz. \$2.00.
Stewart alpina hybrata. Pure yellow. Each 20c; per doz. \$2.00.
Fairy. Pale blue, fine. Each 18c; per doz. \$1.75.

Peonies (*Herbaceous*)

SEE PAGE 3 FOR SPECIAL PEONY COLLECTION

For planting instructions, see 1928 Guide.

- Charlemagne. Light pink, late. Each 50c; per doz. \$5.50.
Duch. de Nemours. Pure white, early. Each 50c; per doz. \$5.50.
Duch. de Orleans. Deep pink, mid-season. Each 50c; per doz. \$5.50.
Edulus Superba. Rose-pink, early. Each 50c; per doz. \$5.50.
Felix Crousse. Bright ruby-red, rose type, mid-season. Very good. Each 75c; per doz. \$8.50.
Festiva Maxima. White, crimson-flecked center. Early. Each 50c; per doz. \$5.50.
Francis Ortegat. Purplish-crimson. Mid-season. Each 75c; per doz. \$8.50.
Gen'l McMahon. Brilliant red. Mid-season. Each 75c; per doz. \$8.50.
Livingstone. Pale pink, very good. Each 75c; per doz. \$8.50.
Mme. de Verneville. Pure white. Early. Each 50c; per doz. \$5.50.
Mme. Ducl. Silvery-pink. Mid-season. Each 50c; per doz. \$5.50.
Mons. Krelage. Dark red. Mid-season. Each 75c; per doz. \$8.50.
Officialis Rosea. Fringed leaf, pink. Very early. Each \$1.25; per doz. \$13.00.
Officialis Rubra. Crimson, fringed leaf. Early. Each \$1.15; per doz. \$12.00.

Following is a list of unnamed sorts, which we are selling by color. All varieties in this list are of the best and are sure to please. 3 to 5-eye plants:
Pink and White. Each 40c; per doz. \$4.25.
Red. Each 50c; per doz. \$5.25.

Papaver (*Poppy*)

- Oriente Pink. Each 45c; per doz. \$4.50.
Oriente Red. Each 35c; per doz. \$3.50.
Oriente Mixed. Each 25c; per doz. \$2.50.

Phlox

SEE PAGE 3 FOR SPECIAL PHLOX COLLECTION

- Beacon. Bright cherry-red.
Champs Elysee. Rosy magenta.
Eclairer. Bright rose-carmine with lighter halo.
F. G. Von Lassburg. Pure white, very large flowers.
Michael Buchner. Pale lavender, strong grower.
Mme. Bezanson. Bright crimson.
Pantheon. Clear deep crimson-pink, with faint halo.
R. P. Struthers. Rosy cherry-red with claret-red eye.
Siebold. Orange-scarlet, with red eye.
Thor. Lovely shade deep salmon-pink overlaid with scarlet glow; medium growth.
Widar. Bright reddish-violet with white eye.

Prices of above list:

Each, 25c; per doz., \$2.50; per 100, \$15.00.

- B. Comte. Rich French-purple. Each 30c; per doz. \$3.00; per 100 \$20.00.
Elizabeth Campbell. Salmon-pink. Very fine. Each 35c; per doz. \$3.50; per 100 \$25.00.
Mme. Prosper Langier. Fine dark red. Each 30c; per doz. \$3.00; per 100 \$20.00.
Prof. Virchow. Bright carmine overlaid with orange-scarlet. Each 30c; per doz. \$3.00; per 100 \$20.00.
Salmon Queen (New). A beautiful clear salmon-pink. Rivals Elizabeth Campbell. Strong hardy grower. Large flowers and trusses. Each 35c; per doz. \$3.50; per 100 \$25.00.
Special French. Light pink. Extra fine. Each 35c; per doz. \$3.50; per 100 \$25.00.
W. C. Egan. Pleasing shade of soft pink, very fine. Each 30c; per doz. \$3.00; per 100 \$20.00.

Phlox Suffruticosa

Miss Lingard. Each 25c; per doz. \$2.50; per 100 \$15.00.

Platycodon (*Balloon Flower or Japanese Bell Flower*)

- P. grandiflorum. White and blue.
P. japonica fl. pl. White and blue.
Each 25c; per doz. \$2.50.

Linnaeus, Large Sets.....	.15	1.00	7.50

HUGH STEPHENS PRESS, JEFFERSON CITY, MO.

SCALECIDE

THE COMPLETE DORMANT SPRAY

Known for many years as the most effective dormant spray for scale and many other pests. We have used it exclusively for twenty-seven years. Scalecide alone does all that any combination of dormant sprays can do. It controls scale of all kinds (fall or spring). It controls peach leaf-curl (fall). It controls aphids and pear thrips without nicotine (delayed dormant). It controls leaf roller and European red mite (delayed dormant), neither of which is controlled by lime-sulfur even with nicotine. It controls pear psylla (fall or early spring). It controls bud moth and case-bearer (fall or spring). It controls fire-blight and fungous cankers (fall or spring). In addition to all these things Scalecide invigorates trees.

One gallon of Scalecide makes enough spray to cover the same trees with equal thoroughness as $3\frac{1}{2}$ gallons of lime-sulfur. Use 1 gallon of Scalecide to 15 gallons of water, or 3 gallons to 50 gallons of water. Spray only on days when the temperature is above 40°. Scalecide is pleasant to use—it does not injure even the eyes.

Prices

Prices are subject to change without notice. All orders accepted subject to strikes, fire or causes beyond our control.

	Weight	Price
50-gallon barrels.....	450 lbs.	\$38.00
30-gallon barrels.....	270 lbs.	26.00
15-gallon drums.....		13.50

\$2.00 refund on 15-gallon drum when returned, freight or express, prepaid to B. G. Pratt Co., Hackensack, N. J. 30 and 50-gallon drums not returnable.

10-gallon cans.....	87 lbs.	\$10.60
5-gallon cans.....	44 lbs.	6.25
1-gallon can.....	11 lbs.	1.75
1-quart can.....	5 lbs.	.75

The above prices are net, and are F. O. B. St. Louis, Missouri.

Sulfocide A highly concentrated, non-poisonous, liquid sulfur fungicide. Can be used on both peaches and apples and all kinds of fruits, vegetables and flowers. Within a few minutes after the spray is applied, it is broken down by the action of the air and the sulfur is deposited in the finest and most active fungicidal form. Sulfocide does not russet apples like bordeaux, nor devitalize the foliage and dwarf the fruit like lime-sulfur. On the contrary, it gives the leaves a rich green color and imparts a beautiful lustre to the fruit. It costs no more than home-made bordeaux. Ask for literature. Should not be used in fall—use Scalecide for controlling fungous in dormant state.

Carboleine The safest and most effective low-priced oil spray on the market since 1907. It mixes instantly in any kind of water and stays mixed. Diluted 1 to 20, Carboleine kills scale, aphids and many other pests. But it does not have fungicidal or invigorating properties and does not control fire-blight cankers—Scalecide is the only oil spray that has these advantages. You can buy Carboleine at \$20.00 per 50-gal. barrel F. O. B., Hackensack, N. J., with full assurance that no dormant spray—except Scalecide—will serve you so well.

We extend a cordial invitation to visit our Nurseries. We, however, wish to announce that our offices will be closed all day Sunday excepting during the months of September, October and November, also March, April and May, when we will have open Sundays from 8 to 11:30 to accommodate those who cannot come during the week.
