SPIRAEA VANHOUTTEI

Now is the Time to Plant

THIS little booklet gives you a condensed list of the best material for your garden and lawn plantings, suitable to local climate and soil conditions.

We will gladly have our representative call at your convenience to go over your landscape problems and submit estimate and planting plans to fit your requirements and means. It is understood that there will be no obligation on your part.

Should you care to select and label your own plants, you will find a visit to our nurseries worth your while. Small quantities can be taken along, while larger orders we will deliver and plant if so desired.

Our stock is **GUARANTEED** if planted by our men.

Thanking you for your anticipated visit, or interview, we are,

Yours truly,

WESTBURY ROSE CO., INC.

Location: South side Jericho Turnpike,
(opposite East Williston Road)
