Dahlia plants at half price of tubers.

New Introduction for 1929

"Gov. Alvan T. Fuller"

This wonderful massive, deep glistening, full centered, Tyrian Rose Beauty, was selected and named in honor of His Excellency Governor Alvan T. Fuller.

This dahlia has all the fine points that are desired, plants grow from three to four feet in height and branch cut freely, with heavy leathery foliage, early bloomer, in fact it is the first dahlia to bloom in our gardens. The big massive full centered eight to ten inch flowers are carried upright on heavy cane-like stems, which make this dahlia unsurpassable as a cut flower or for exhibition purposes, it is also a free tubermaker.

This dahlia was awarded first prize also a special, and the Thos. H. Hughes Silver Cup at the N. E. D. S. Show in Boston 1928, for the best basket of dahlias in the show.
