Arrangements can be made for distance deliveries by motor truck, if desired.

QUANTITY: At the prices named herein 5 plants will be furnished at the 10 rate; 6 at the 12 rate and 25 at the 100 rate.

INSPECTION: Our plants are regularly inspected and a certificate of inspection will be attached to each shipment.

GUARANTEE: All plants are warranted true to name, full count, up to size specified and in good, healthy condition when shipped. Any plant proving otherwise will be replaced or the original amount paid will be refunded. Our stock is of the highest grade, thrifty and well grown, insuring its success if properly cared for after transplanting. As we have no control over its usage after it leaves our hands, properly packed and in good condition, we can not guarantee it to grow; however, any just complaint will receive our utmost consideration. All complaints of error on our part, except that of untruthfulness of name, must be made within five days after receipt of goods. **PLANTS ARE LIVING ORGANISMS and THEIR SUCCESS DEPENDS UPON THE CARE YOU GIVE THEM. TREAT THEM WELL and do not hesitate to confer with us, at any time, regarding the care that should be given them. WE WANT THEM TO GROW AND THRIVE FOR YOU.**

THE FRUITS

All of our fruit trees are carefully grown, true to name, healthy and well formed. They are graded according to the Horticultural Standards of the American Association of Nurserymen. The caliper is taken two inches above the bud. Unless specially mentioned the apple, cherry, plum, pear and quince trees are two years old and the peach trees are one year old.
