THE SUPREME PARROT TULIP FANTASY

RARELY, indeed, is there the opportunity to offer a novelty so distinct and beautiful as this marvelously different Tulip. A giant in size, glowing inside with a color like a burning coal, and exquisitely salmon-pink outside, marked with fresh young green. The crispness of its delightfully ruffled and fringed petals puts the old-time Parrot Tulips to shame, and its strong, stiff stem is miles ahead of the old limber-necked Parrots which we used to have.

Fantasy has not the stiff formality of so many stately Tulips, but glories instead in a gnome-like gaiety which tempts the understanding heart to forget the practicalities and conventions of everyday. **\$1 each, \$11 per doz.**

REGAL LILIES

FOR LATE OCTOBER DELIVERY

A remarkable offering of Magnificent Bulbs at one-half their actual value

Through a very fortunate, last minute purchase from one of the largest lily growers in the country, who desires to turn his season's surplus into immediate cash, we are able to offer first quality bulbs of these rare and costly flowers—unquestionably the royal line of the lily kingdom—at prices that put them within the reach of all.

These bulbs sell normally around \$85 a hundred and higher. Rather than hold them at their real value, we are going to give you the advantage of our good fortune and turn our possible profits into good will.

We are offering these heavy bulbs, 5 to 6 inches in circumference, sure to produce 3 to 4 blooms the first season—an extraordinary bargain at these prices.

Regal Lilies

- 12 bulbs for \$6** (regularly \$12.00)
- 25 bulbs for \$11** (regularly 24.00)
- 50 bulbs for \$20** (regularly 45.00)
- 100 bulbs for \$39** (regularly 85.00)

Regal Lilies follow the Madonna Lilies—which they somewhat resemble—in their blooming period. From three to six long trumpet-like flowers with throats of canary-yellow shading to a pearly white are borne on stately stems four to five feet tall. Being natives of northern China and Thibet, they are perfectly hardy and are the most “fool-proof” of all Lilies, provided they are planted in a sunny spot.

These Lilies are a permanent investment. Each year the bulbs will grow larger and increase in number, giving you recurring pleasure from season to season.

N. B.—Avoid disappointment! Don't delay your order as this stock is limited and will soon be exhausted. Order Now!
