FUCHSIAS

“Pride of Orion.” This Fuchsia is a strong, vigorous and upright grower, with pure white flowers which are extremely double, very large and attractive, being 2 to 2½ in. long. The plant comes into full bloom in early April, thus making it extremely profitable for late Easter and Mothers Day, when plants in 5-in. and 6-in. pots sell readily at \$3.00 per plant to \$10.00. The blossoms do not drop off in the house but remain on even to form the seed pods.
