Gladiolus Bulbs & Irises

Season of 1929

Gelzer Brothers

Dalton, - - - - New York

INTRODUCTION

We have been interested in the growing and hybridization of the gladiolus for many years. Each year growing thousands of seedlings from hand pollinated crosses of the best varieties obtainable and selecting only a very few for further testing.

Located, as we are, in the GENESEE COUNTRY (The Valley of the Genesee), famous for over a hundred years for the quality of its agricultural products, our gladiolus bulbs are of a quality seldom attained elsewhere. Hundreds of customers, who depend upon us each year for their gladiolus bulbs, know of the high quality of our bulbs. To those, who have never grown our bulbs, we solicit a trial order and we know you will be pleased with the results.

We guarantee you will be pleased with all bulbs bought of us and we will replace with other bulbs or return all money sent us for stock which does not come up to your expectation.

Terms and Discounts

Remittance should accompany all orders.

We pay delivery charges to all points in the United States.

No substitution unless so ordered.

All bulbs guaranteed true to name and free from disease.

Orders under \$5 are net, no discount allowed.

Orders from \$5 to \$15, a discount of 10% will be allowed.

Orders from \$15 to \$50, a discount of 15% will be allowed.

Orders over \$50, a discount of 20% will be allowed.

Mary Frey

Our Introductions of Previous Years

Mary Frey

The first Gladiolus to win the \$500 Trial Ground Challenge Trophy of the American Gladiolus Society.

Winner of Vaughan's Silver Medal for the best commercial seedling at the A. G. S. show in Rochester, 1925.

Prize winner in its color class, Rochester, 1926.

Mary Frey, our first introduction is a beautiful, lavender-pink with a ruby blotch on the lower petal; resembles a cattleya orchid in color and as beautiful.

Flowers are of large size, perfectly placed on a long, straight slender stem, with six to nine wide open florets of very lasting quality, open at a time. Blooms extra early, vigorous grower and very prolific.

It will be grown by the million as soon as stock is available.

The cut on page 3 gives but a faint idea of the beauty of this variety.

Large Bulbs \$8.00, medium, \$4.00, small \$2.00 each.

Selected bulblets 50c each.

Oneco

Mallow purple with rhodamine purple blotch in throat. Good sized flowers, strong, healthy grower. Medium early. One of the best in its color

.50

Primrose Queen

Light primrose yellow, citron yellow throat. This is a very beautiful variety with many well ruffled flowers open at a time. (Withdrawn for one year to increase stock).

Estrella

Coral red, cream throat feathered carmine. Three to four intensely ruffled flowers open at one time. Very early

New Introductions for 1929

Alice Reid

LaFrance pink overlaid with geranium pink. Long straight spikes of well placed flowers, that will open to the last bud, when cut. The last flowers are even more beautiful than the first as the color deepens when brought in the house. Very early. A good commercial variety. 1.00

Flor-Rico

An unusual glad. The formation of this flower is entirely different from any other we have. Intensely ruffled and fluted. Color: rhodamine purple, upper petals and throat light mallow purple with 3 to 4 large flowers of splendid substance open at time on long straight wiry stems. A very distinct purple gladiolus. 2.00

Neola

A lavender with lighter line through center of petals. The lower petals are blotched cream overlaid with carmine dots. Long straight spike with many well arranged slightly hooded flowers.50

W. G. Welker

Begonia rose shading to geranium pink in throat. Carmine pink blotch tipped with a yellow line, which gives a very distinctive appearance. Vigorous grower with many extra well placed flowers open at a time. (Illustrated on page 6) 5.00

Wyoming

Sulphur yellow bordered with geranium pink, lightly streaked with begonia rose. The pink border in this flower is very beautiful, similar to the blue border in Mme. Chereau Iris. Very early with several good sized flowers open at a time.50

We believe that all the above varieties are distinct from any gladiolus yet introduced and worthy of a place in your garden. Grow them in your garden this summer and if you are not delighted with them, return the bulbs to us in the fall and we will refund the full purchase price with postage.
