GREETINGS TO ALL DAHLIA LOVERS

AFTER a most successful season in which my dahlias gave great pleasure to others as well as myself, I am presenting my Catalog for 1929.

I was again successful this year in winning many prizes at all the Shows in which I exhibited.

I won the Gold Medal of the American Dahlia Society for the Best General Display, at the Dahlia Show of the Dahlia Society of California at the San Francisco Auditorium.

I was awarded a Special President's Award for a particularly beautiful basket of my new dahlia, May Dearborn Schwab, as well as many other First Prizes.

I received First Prizes for the Best Dahlia in the Show, and for the best Three Year Old Seedling in the Show of the San Leandro Dahlia Society. I won twenty (20) Prizes this Year.

All who visited my beautiful gardens, expressed the greatest admiration for the lovely dahlias blooming in such profusion everywhere.

While on a visit to the Hawaiian Islands this Fall, I saw dahlias blooming in many gardens. I wish to express my thanks for the many letters received, telling of the pleasure derived from my own Introductions.

The petals twist, showing the eosine pink reverse, which casts a warm glow over the entire flower, giving an unusually beautiful effect. It is a prolific bloomer, the flowers having great depth and often measure $9\frac{3}{4}$ inches and having long, strong stems, which carry the flowers well above the tall growing bush. It is a Certificate of Merit Dahlia. Rating 90. Tuber \$10.00 Net.
