Our Eighth Anniversary

This year we complete eight years of service to our many customers and friends scattered throughout the country from Maine to California. We desire to thank each and all for your continued patronage and feel sure that you will use this, our 1930 Catalog, to help you to select your garden needs in PLANTS, BULBS and SEEDS.

Our New Alpine Plant Garden

at 97 Centennial Avenue is larger and better than our old one. We cordially invite you to visit it during Spring and Summer.

Awards.

We were awarded a SILVER MEDAL for our Rock Garden Exhibit at the New Jersey Flower Show held at Newark on Oct. 31, 1929.

We also won First Prize at the New York Dahlia Show in the New Madison Square Garden for our Collection of Perennials.

Shipping Directions.

Please give explicit directions, stating whether stock is to be supplied by freight or express.

Small shipments can be sent by parcel post. All such shipments will be sent insured, insurance and postage to be paid by the customer.

Our terms are Cash but we carry monthly accounts with our regular customers. However, as a special inducement we will allow a discount of 5% on all retail orders of \$5.00 or over if cash accompanies the order.

Garden Lectures

We give interesting talks on garden subjects at a nominal fee. Dates should be arranged a month in advance.

NON WARRANTY

While we exercise the greatest possible care, we, like all other first-class houses, offer all goods subject to being unsold, and without warranty or responsibility for crop in any way and orders are accepted only under these conditions.

That Anyone Can Grow

CROCKET'S HARDY ALPINE PLANTS

The following collection of DWARF PLANTS are excellent for planting in association with rocks and are of known hardiness. We have grouped them under five headings to help you to select the varieties best suited to your needs.

Sub-Shrubs

Plants of this nature are hard-wooded at the base, grow slowly and seldom encroach on other plants.

AETHIONEMA (Lebanon Candytuft).

A. Grandiflorum.—A dainty compact bush, covered in July with pink flowers borne in racemes. 1 ft. Each 50c; doz. \$5.

A. Iberideum.—Trailing habit. White flowers and gray foliage. 6 in. April-May. Each 50c; doz. \$5.

AMORPHA NANA. Dwarf Indigo. (New). Dark green fern-like aromatic foliage. Slender spikes of garnet flowers. Only 20 in. high. Each \$1; doz. \$10.

ARTEMESIA FRIGIDA. Plumy, silvery foliage on wiry stems. Miniature yellow flowers. 1 ft. Each 50c; doz. \$5.

DAPHNE Cneorum. A hardy shrub which trails over the ground in a most beautiful manner. The fragrant flowers are pink, in clusters, and are borne profusely in early spring, and during the summer and fall. Pot Plants, \$1.50 each. Strong Clumps, \$2.50 each.
