DEAR PROSPECTIVE CUSTOMER:—

This year I offer for sale the varieties of Peonies listed in this circular.

Prices are for vigorous 3 to 5 eye divisions.

I will send you only healthy roots, true to name, which I feel sure will please.

Many of my customers send me repeat orders year after year, often with very complimentary letters in regard to the quality and size of my roots and the after satisfaction at time of blooming.

I would rather not ship at all than have dissatisfied customers.

Yours very truly,

Eugene W. Howe
