GLADIOLUS CATALOGUE

GRANT E. MITSCH

"GLADLAND"

BROWNSVILLE

OREGON

GLADIOLUS SOCIETIES

The Gladiolus has grown in popularity until now there is perhaps no other flower organization devoted to one flower which has as many members as the American Gladiolus Society. All lovers of the Gladiolus should be a member of this organization. Dues are \$2.00 a year. All members receive the monthly Gladiolus Review which alone is worth much more than the cost of membership. To anyone who sends me dues for one year, I will send free one large bulb of Minuet and one small bulb of Aflame. Or, send \$2.50 and become a member both of the Oregon and the American Gladiolus Societies.

Also, to anyone sending me their remittance for membership in the British Gladiolus Society, I will send a bulb of Berty Snow. Dues, \$1.25 to amateurs and \$2.60 to growers. This organization issues a splendid yearbook.
