NEW PEACOCK INTRODUCTIONS FOR 1930

A. Lincoln

The greatest, commercial red Hybrid Cactus. Large size, bright red, and an early, profuse and continuous bloomer on long stiff slender stems. A Dahlia worthy of the name; a flower for the people.

Strong Plants

Each, \$3.50; 3 for \$10.00; Doz. \$35.00

Cape Henlopen Light

Creamy yellow, changing to creamy white, with yellow vein and tip. Extremely early and free bloomer on slender stiff stems. A gem for exhibition, cutting and the garden.

Strong Plants

Each, \$3.50; 3 for \$10.00; doz. \$35.00

Marie

Color is a deep, rich, glorified Jersey Beauty. Medium dwarf plant, and profuse bloomer on rigidly stiff stems. A remarkable keeper as a cut flower. A much better plant and color than Jersey Beauty.

Strong Plants

Each, \$2.00; 3 for \$5.00; doz. \$17.50

Eliza London Shepard

Color, a clear rich orange-apricot-gold; reflex deeper of the same one tone color. Acknowledged the greatest Dahlia of its color yet produced. Strong, vigorous plants with huge flowers on long stiff stems.

Strong Plants

Each \$7.50; 3 for \$20.00; doz, \$75.00

Katherine Kelly

Rich glistening brownish red, shaded maroon; reflex lighter. A new color, new type and new form. Winner as best red at Ardmore.

Strong Plants

Each, \$3.50; 3 for \$10.00; doz. \$35.00

Jersey Beacon Ball

This is just what the name implies,—a large ball form of Jersey Beacon. The brilliant orange scarlet, with the buff reflex, giving the buff center, is most effective. Strong grower and profuse bloomer on long slender, stiff stems. The best cut flower seller last season.

Strong Plants

Each, \$3.50; 3 for \$10.00; doz. \$35.00

Edythe Holloway

Deep scarlet, shaded red, tipped yellow. The enormous flowers are produced on long stiff stems. An early and free bloomer; one of the best. A seedling of Zeus.

Strong Plants

Each, \$3.50; 3 for \$10.00; doz. \$35.00

President Hoover

Peach red, blending to begonia rose; very bright and luminous. A cross of Papillon and Jersey Beauty (see natural color reproduction on front cover page of descriptive catalogue). It has been called a huge glorified Papillon, but it has much of the Jersey Beauty depth of flower, and is a much stronger grower on a Jersey Beauty type plant.

Strong Plants, each \$5.00

Robert E. Lee

The greatest exhibition red to date. Won in Camden over Elite Glory and Fort Monmouth. Also, wonderful for cutting and the garden; perfectly full blooms until frost. The best red for the South and Pacific coast, where so many fail late in the season. Color, bright luminous cardinal red; reflex lighter. Free and continuous bloomer, on rigid erect stems.

Strong Plants

Each, \$7.50; 3 for \$20.00; doz. \$75.00
