<u>PEPEROMIA</u> obtusifolia, large, round, dark green leaves. Bush-like when small, but vine-like in older plants. 2" pots, 3-5",	2.00	15.00
<u>SANSEVIERIA</u> zeylanica, the green and gray variegated form. 6-8", 2-3 leaves,	1.50	12.00
12-15", 3-4 leaves,	2.50	20.00
<u>SANSEVIERIA</u> laurentii, the gold striped variety. 6-8", 2-3 leaves,	2.50	20.00
12-20", 2-3 leaves,	4.50	35.00
20-30", 4-6 leaves,	7.50	60.00
<u>SEDUM</u> (??), a small rosette-like plant; very decorative. 2" pots, 2-3" high,	2.00	15.00

FOLIAGE & DECORATIVE PLANTS

	<u>10</u>	<u>100</u>
<u>ARALIA</u> balfouri, round leaved, variegated green and white; stands well in shade. 2½" pots, 6-8",	\$2.00	\$15.00
<u>CROTONS</u> , highly colored foliage plants. Best assorted, 2½" pots, 6-8" high,	2.50	18.00
<u>CYPERUS</u> alternifolius, Umbrella Grass. Very dainty in dish work; also excellent in Aquariums. 2" pots, 8-12" high,	1.25	10.00
<u>DRACAENA</u> sanderiana, upright, green and white variegated, much used for Fern Dishes,	2.00	15.00
<u>PANDANUS</u> veitchii, green and white "Ribbon Plant". Specially selected small plants, well variegated,	2.00	15.00

<u>COCOS</u> weddelliana, a very fine miniature Palm. 3" pot plants, 6-8", tall,	3.00	25.00
<u>SAGISI PALM</u> , carries more leaves than any other small Palm we know. 2" pots, 6-8" tall,	3.00	25.00

<u>FICUS</u> repens, suggests Ivy in dish work, though the leaves are much smaller. 2" pots, 6-8" runners,	1.50	10.00
<u>NEPHTHYTIS</u> liberica, a quick growing vine with large, halberd-shaped leaves; very useful for wall vases and similar dark situations. 2" pots, 6-8" high,	2.00	15.00
<u>PHILODENDRON</u> cordatum, heart-shaped leaves, smaller, slower grower than Nephthytis above, but for the same uses. 2" pots, 6-8" high,	2.00	15.00
<u>POTHOS</u> aureus, another hanging basket or wall vase plant for dark situations. Green and yellow, variegated; heart-shaped leaves. 2" pots, 6-8",	2.00	15.00
