**SWEETWATER VALLEY
NURSERIES**

SWEETWATER, TENN.

FOREWORD

Sweetwater Valley Nurseries, incorporated August 15, 1930, own 1000 acres of land fronting on Lee Highway U. S. No. 11, four miles west of Sweetwater, Tennessee—midway between Knoxville and Chattanooga. Reagan Station, on the main line of the Southern Railway is located on the property and a twelve car loading track parallels the spacious packing sheds. Motor transfer companies serve the property daily.

Over 200 acres have been planted to 441 varieties of deciduous and evergreen ornamentals representing 957,437 plants (August 1, 1930). No trouble has been experienced with insect pests or diseases.

Sweetwater Valley Nurseries, strictly wholesale, are growing only the newer, better, and more select varieties of ornamentals for America's progressive Landscape Architects and Nurserymen.

Our policy will be quantity production of quality merchandise sold to permit profitable handling on the part of our clients yet making it possible for the average home owner to purchase and enjoy the finest varieties at a reasonable figure. Our business is organized to serve each client courteously, efficiently, and intelligently—service of the kind that spells satisfaction in every transaction.

In presenting the following list, which constitutes our offerings for this season, we do so with full confidence that we can please, both in quality of stock and in the manner in which each item is handled.

Yours for a bigger and better Nursery Business
