LEAMON G. TINGLE

PITTSVILLE - - MARYLAND

My general catalog which illustrates, describes and prices all stock will be issued in January 1920. It will pay you to have a copy and I want you to have one and will send you one if you will fill out the enclosed post card and return to me at once.

TERMS. Cash with order; remit by money order, registered letter or draft.

SHIPPING SEASON. We begin filling orders about October 15th and continue digging and shipping during the entire Fall, Winter and Spring until May 10th. We are sometimes delayed in January and February by freezing weather but usually able to ship at times during these months.

NOTE. Except where noted 1 to 4 trees or plants are sold at the each rate; 5 to 49 at the 10 rate; 50 to 299 at the 100 rate; 300 to 599 at the 500 rate; 600 or more at the 1000 rate.

Strawberry Plants

We begin shipping strawberry plants about October 20th and continue digging and shipping the entire fall, winter and spring to about May 10th. I expect to have more than twice as many as I have ever had any previous season but I believe there will be the biggest demand that has ever been known, so my advice is place your order for what plants you will want just as soon as you can. This advice applies to other stock as well.
