WAREHOUSE LICENSES

§ 737.3 Application form.

Applications for licenses and for amendments to licenses under the act shall be made to the Secretary upon forms prescribed for the purpose and furnished by the Service, shall truly state the information therein contained, and shall be signed by the applicant. The applicant shall at any time furnish such additional information as the Department may find necessary to a proper consideration of his application.

§ 737.4 Grounds for not issuing license.

A license for the conduct to a warehouse shall not be issued if it be found by the Secretary, or his designated representative that the warehouse is not suitable for the proper storage of tobacco, that the warehouseman is insolvent or is incompetent to conduct such warehouse in accordance with

the act and the regulations in this part, or that there is any other sufficient reason within the purposes of the act for not issuing such license.

§ 737.5 Net assets.

Each warehouseman conducting a warehouse licensed, or for which application for license has been made, shall have and maintain, above all exemptions and liabilities, net assets liable for the payment of any indebtedness arising from the conduct of the warehouse, to the extent of at least \$5 per 1,000 pounds of the maximum number of pounds of tobacco that the warehouse will accommodate when stored in the manner customary to the warehouse, as determined by the Administrator, except that the amount of such assets shall not be less than \$5,000 and need not be more than \$100,000. In case such warehouseman has applied for licenses to conduct two or more warehouses in the same State, the assets applicable to all of which shall be subject to the liabilities of each, such warehouses shall be deemed to be one warehouse for the purposes of the assets required under this section. For the purposes of this section only, paid-in capital stock, as such, shall not be considered a liability. A deficiency in such assets may be supplied by an increase in the amount of the licensed warehouseman's bond in accordance with § 737.12(b).

§ 737.6 Posting license.

Immediately upon receipt of his license or of any amendment thereto under the act, the warehouseman shall post the same, and thereafter, except as otherwise provided in the regulations in this part, keep it posted until suspended or terminated, in a conspicuous place in the principal office where receipts issued by such warehouseman are delivered to depositors.

§ 737.7 Suspension or revocation of license.

Pending investigation, the Secretary, or his designated representative, whenever he deems necessary, may suspend a warehouseman's license

temporarily without hearing. Upon written request and a satisfactory statement of reasons therefor, submitted by a warehouseman, the Secretary or his designated representative, may, without hearing, suspend or revoke the license issued to such warehouseman. The Secretary, or his designated representative, may, after opportunity for hearing has been afforded in the manner prescribed in this section, revoke a license issued to a warehouseman when such warehouseman (a) is bankrupt or insolvent, (b) has parted, in whole or in part, with his control over the licensed warehouse, (c) is in process of dissolution or has been dissolved, (d) has ceased to conduct such licensed warehouse, or (e) has in any other manner become nonexistent or incompetent or incapacitated to conduct the business of the warehouse. Whenever any of the conditions mentioned in paragraphs (a) through (e) of this section shall come into existence it shall be the duty of the warehouseman to notify immediately the Administrator of the existing condition. Before a license is revoked for any violation of or failure to comply with any provision of the act or of the regulations in this part or upon the ground that unreasonable or exorbitant charges have been made for services rendered, the warehouseman involved shall be furnished by the Secretary, or by his designated representative, a written statement specifying the charges and shall be allowed a reasonable time within which he may answer the same in writing and apply for a hearing, an opportunity for which shall be afforded in accordance with § 737.78.

§ 737.8 Return of suspended or revoked license.

If a license issued to a warehouseman terminates or is suspended or revoked by the Secretary or by his designated representative it shall be returned to the Secretary when requested. At the expiration of any period of suspension of such license, unless it be in the meantime revoked, the dates of the beginning and termination of the suspension shall be endorsed thereon,

it shall be returned to the licensed warehouseman to whom it was originally issued, and it shall be posted as prescribed in § 737.6.

§ 737.9 Lost or destroyed warehouse license.

Upon satisfactory proof of the loss or destruction of a license issued to a warehouseman, a duplicate thereof may be issued under the same or a new number.

§ 737.10 Unlicensed warehousemen must not represent themselves as licensed.

No warehouse or its warehouseman shall be designated as licensed under the act and no name or description conveying the impression that it or he is so licensed shall be used either in a receipt or otherwise, unless such warehouseman holds an unsuspended and unrevoked license for the conduct of such warehouse.

WAREHOUSE BONDS

§ 737.11 Bond required; time of filing.

Each warehouseman applying for a warehouse license under the act shall, before such license is granted, file with the Secretary or his designated representative a bond containing the following conditions and such other terms as the Secretary or his designated representative may prescribe in the approved bond forms, with such changes as may be necessary to adapt the forms to the type of legal entity involved:

Now, therefore, if the said license(s) or any amendments thereto be granted and said principal, and its successors and assigns operating said warehouse(s), shall:

Faithfully perform during the period of 1 year commencing ———, or until the termination of said license(s) in the event of termination prior to the end of the 1-year period, all obligations of a licensed warehouseman under the terms of the Act and regulations thereunder relating to the above-named products; and

Faithfully perform during said 1-year period and thereafter, whether or not said warehouse(s) remain(s) licensed under the Act, such delivery obligations and further obligations as a warehouseman as exist at the beginning of said 1-year period or are assumed during said period and prior to ter-

mination of said license(s) under contracts with the respective depositors of such products in the warehouse(s);

Then this obligation shall be null and void and of no effect, otherwise to remain in full force. For purposes of this bond, the aforesaid obligations under the Act and regulations and contracts shall include obligations under any and all modifications of the Act, the regulations, and the contracts that may hereafter be made, notice of which modifications to the surety being hereby waived.

In case a warehouseman has applied for licenses to conduct two or more warehouses in the same State, the assets applicable to all of which shall be subject to the liabilities of each, and shall desire to give a single bond meeting the requirements of the act and the regulations in this part for the said warehouses, such warehouses shall be deemed to be one warehouse for the purposes of the bond required under §§ 737.11 through 737.15.

(b) In case of a deficiency in net assets under § 737.5 there shall be added to the amount ascertained in accordance with paragraph (a) of this section an amount equal to such deficiency.

warehouseman under §§ 737.11 through 737.15 covers obligations arising during the period of such amendment, the warehouseman shall, when notice has been given by the Secretary, or his designated representative that his application for such modification or extension will be granted upon compliance by such warehouseman with the act, file with the Secretary, within a time, if any, fixed in such notice, a bond complying with the act, unless bond in sufficient amount has been filed since the filing of such application. In the discretion of the Secretary, or his designated representative, a properly executed instrument in form approved by him, amending, extending, or continuing in force and effect the obligations of a valid bond previously filed by the warehouseman and otherwise complying with the act and the regulations in this part, may be filed in lieu of a new bond.

§ 737.14 New bond required each year.

Whenever, a license has been issued for a longer period than 1 year, such license shall not be effective beyond 1 year from its effective date unless the warehouseman shall have filed a new bond in the required amount with, and such bond shall have been approved by the Secretary or his designated representative prior to the date on which that license would have expired had it been issued for but 1 year, subject to the provisions of § 737.13.

§ 737.15 Approval of bond.

No bond, amendment, or continuation thereof shall be deemed accepted for the purposes of the act and the regulations in this part until it has been approved by the Secretary or his designated representative.

§ 737.29 Warehouse charges.

A warehouseman shall not make any unreasonable or exorbitant charge for services rendered. Before a license to conduct a warehouse is granted the warehouseman shall file with the Service a copy of his rules and a sched-

ule of charges to be made by him if licensed. Before making any change in such rules or schedule of charges he shall file with the Service a statement in writing showing the proposed change and the reasons therefor. Each warehouseman shall keep exposed conspicuously in the place prescribed by § 737.6, and at such other place, accessible to the public, as the Administrator or his representative may from time to time designate, a copy of his current rules and schedules of charges.

§ 737.30 Business hours.

(a) Each warehouse shall be kept open for the purpose of receiving tobacco for storage and delivering tobacco out of storage every business day for a period of not less than 6 hours between the hours of 8 a.m. and 6 p.m., except as provided in paragraph (b) of this section. The warehouseman shall keep conspicuously posted on the door of the public entrance to his office and to his warehouse a notice showing the hours during which the warehouse will be kept open, except when such warehouse is kept open continuously from 8 a.m. to 6 p.m.

(b) In case the warehouse is not to be kept open as required by paragraph (a) of this section, the notice posted as prescribed in that paragraph shall state the period during which the warehouse is to be closed and the name of an accessible person, with the address where he may be found, who shall be authorized to deliver tobacco stored in such warehouse, upon lawful demand and proper compliance with the regulations in this part.

§ 737.31 Packaging tobacco.

(a) A warehouseman shall not receive for storage in his warehouse any tobacco that is not properly packaged.

(b) A warehouseman shall return to the package from which it is taken all the tobacco drawn for the selection of a sample, except the portion used for such sample.

§ 737.32 Clean warehouse.

(a) Each warehouseman shall keep his warehouse clean and free from trash, rubbish, and scattered tobacco.

He shall also exercise every precaution to keep his warehouse free of rats or other pests.

(b) When in the opinion of the Administrator or his representatives it may appear necessary, it shall be the duty of each licensed warehouseman to fumigate thoroughly his licensed warehouse with such chemicals as may be approved by the Administrator for that purpose.

§ 737.33 Package identification.

A warehouseman shall mark, stencil, or tag each package of tobacco received for storage in his warehouse with a number by which the identity of such package will be preserved. Such numbers shall be in numerical sequence or any series of numerical sequences approved by the Administrator or his representative, shall be made with some durable substance, and shall be clear and legible. If tags are used they shall be made of substantial material and securely attached to the packages.

§ 737.34 Package arrangement.

(a) A warehouseman shall arrange the tobacco stored in his warehouse so that each package of each depositor can be readily removed for inspecting, weighing, or delivering, and he shall arrange each package of tobacco in his warehouse so that the identification number thereon required by § 737.33 is visible and readily accessible, but when the Administrator shall find that it is not practicable to arrange each package so that the identification numbers are visible and accessible, he may authorize the warehouseman to arrange the packages of tobacco in rows and keep in the warehouse a card or chart upon which shall be clearly shown the identification number of each package stored in each row. Such authorization may be withdrawn at any time that the warehouseman fails to observe this requirement or to keep his record current.

(b) If, at any time, a warehouseman shall be offered tobacco in such quantity for storage so as to exceed the capacity of his warehouse, as shown in his license, he shall not accept such tobacco until he has first secured authority through an amended license,

and after such authority has been granted the warehouseman shall continue to arrange the tobacco in accordance with paragraph (a) of this section, and so as not to obstruct free access to the tobacco and the proper use of sprinkler or other fire protection equipment provided for the warehouse.

§ 737.35 Care of stock and equipment.

Each warehouseman shall at all times, including any period of suspension of his license, exercise such care in regard to tobacco in his custody as a reasonably careful owner would exercise under the same circumstances and conditions. He shall see that the sprinkler or other fire protection equipment, if any, provided for his warehouse is maintained in proper working order.

§ 737.36 Care of other commodities.

If, at any time, a warehouseman shall handle tobacco other than for storage, or shall handle or store any other commodity, he shall so protect the same, and otherwise exercise such care with respect to it, as not to endanger the tobacco in his custody as a warehouseman or impair his ability to meet his obligations and perform his duties under the act and the regulations in this part. If the warehouseman shall store commodities other than those for which he is licensed, a nonlicensed receipt shall be issued, which shall contain in its terms a provision that such commodities are accepted for storage only until such time as the space which they may occupy may be needed for products for the storage of which the warehouseman is licensed. Under no circumstances shall any commodities for the storage of which the warehouseman is not licensed be stored if the storage of such commodities might adversely affect the commercial value of, or impair the insurance on, tobacco covered by licensed receipts.

§ 737.37 Removal of tobacco in storage.

Except as permitted by law or the regulations in this part, a warehouseman shall not remove any tobacco in storage from the part of the ware-

house shown in the receipt to another part covered by the license, or to any other licensed warehouse, without first securing the receipt and indorsing on it the fact and date of such removal and making an identical indorsement on the copy of the original receipt. If the insurance on any tobacco would be affected by such removal, prior to removal the warehouseman shall obtain the consent in writing of the holder of the receipt. In the event it should be necessary for purposes of proper sampling and inspecting to move temporarily tobacco from the licensed warehouse, or licensed compartment shown on the outstanding receipt to another licensed warehouse or licensed compartment, removal for such purpose may be made without recalling the outstanding receipt upon compliance with the following conditions:

(a) That such tobacco will be moved only upon specific instructions of the depositor of the tobacco when title to the tobacco remains in him, or of the holder of the receipt, such instructions to be reduced to writing and filed by the warehouseman with his other warehouse records. Said instructions shall show by marks or numbers the specific tobacco to be moved, the warehouse or compartment from and to which the tobacco is to be moved, the date of removal and upon return to the warehouse or compartment from which removed the warehouseman shall indicate the date of return.

(b) That said tobacco so removed shall be fully covered by insurance against loss by fire, lightning, tornado, or theft both while in transit to and from the licensed warehouse or licensed compartment shown in the outstanding receipt and while in the warehouse in which it is being sampled and inspected.

(c) That no such removal from one licensed warehouse or licensed compartment to another licensed warehouse or licensed compartment shall take place while Department examiners are engaged in making inspections except as the chief of the inspection party may approve.

Under no other circumstances, unless it becomes absolutely necessary to protect the tobacco, shall tobacco covered by receipts issued under the act be re-

moved from a warehouse, except as provided in § 737.21. In case it becomes necessary to remove tobacco from a warehouse prior to the surrender of the receipts, the warehouseman immediately upon such removal, shall notify the Service of such removal and the necessity therefor.

§ 737.38 Handling and storing; care.

A warehouseman shall not handle or store tobacco in such a manner as will injure or damage the tobacco or the packages containing the tobacco.

§ 737.39 Tobacco out of condition.

(a) If the warehouseman, with the approval of a licensed inspector or grader shall determine that any tobacco is deteriorating and that such deterioration can not be stopped, the warehouseman shall give immediate notice of the fact in accordance with paragraphs (b) and (c) of this section.

(b) Such notice shall state: (1) The warehouse in which the tobacco is stored; (2) the actual condition of the tobacco as nearly as can be ascertained, and the reason, if known, for such condition; (3) the outstanding receipts covering the tobacco out of condition, giving the number and date of each such receipt and the type, grade, form, condition, and weight of the tobacco as stated in each such receipt; and (4) that such tobacco will be delivered upon the return and surrender of the receipts therefor.

(c) A copy of such notice shall be delivered in person or shall be sent by mail (1) to the persons holding the receipts, if known to the warehouseman; (2) to the person who originally deposited the tobacco; (3) to any other persons known by the warehouseman to be interested in the tobacco; and (4) to the Administrator. Public notice shall also be given by posting a copy of such notice at the place where the warehouseman is required to post his license. A copy of such notice shall be kept as a record of the warehouse. If the holders of the receipts and the owners of the tobacco are known to the warehouseman and cannot, in the regular course of the mails, be reached within 36 hours, the warehouseman shall, whether or not requested so to

do, also immediately notify such persons by telegraph or telephone at their expense.

(d) Any person financially interested in any tobacco or the receipt covering such tobacco stored in a licensed warehouse may, in writing, notify the warehouseman of the fact of his interest, and such warehouseman shall keep a record of that fact. If such person request in writing that he be notified regarding the condition of any such tobacco and agree to pay the cost of any telegraph or telephone toll charge the warehouseman shall notify such person in accordance with his request.

(e) If the tobacco advertised in accordance with the requirements of this section has not been removed from storage by the owner thereof within seven days from the date of notice of its being out of condition, the warehouseman in whose warehouse such tobacco is stored may sell the same at public auction at the expense and for the account of the owner, after giving seven days' notice of such proposed sale in the manner specified in paragraphs (b) and (c) of this section.

(f) Nothing contained in this section shall be construed as relieving the warehouseman from properly caring for any tobacco after notification of its condition has been given in accordance with this section.

(g) Records required to be kept by this section shall be retained, as a part of the records of the warehouse, for a period of six years after December 31 of the year in which created, and for such longer period as may be necessary for the purposes of any litigation which the warehouseman knows to be pending, or as may be required by the Administrator in particular cases to carry out the purposes of the Act.

The Secretary, or his designated representative may, after opportunity for hearing, when possible, has been afforded in the manner prescribed in this section, suspend or revoke a license issued to a sampler, inspector, grader, or weigher when such licensee has, in any manner, become incompetent or incapacitated to perform his duties as such licensee. As soon as it shall come to the attention of a licensed warehouseman that any of the conditions in this section exist, it shall be his duty to notify in writing the Service. Before the license of any sampler, inspector, grader, or weigher is permanently suspended or revoked, pursuant to section 12 of the act, such licensee shall be furnished by the Secretary or his designated representative, a written statement specifying the charges and shall be allowed a reasonable time within which he may answer the same in writing and apply for a hearing, an opportunity for which shall be afforded in accordance with § 737.78.

[SRA, BAE, 129, rev.; 7 FR 6806, Aug. 29, 1942, as amended at 13 FR 8730, Dec. 30,

1948. Redesignated at 50 FR 1814, Jan. 14, 1985]

§ 737.65 Return of suspended, revoked, terminated licenses.

In case a license issued to a sampler, inspector, grader, or weigher is suspended or revoked by the Secretary or by his designated representative, such license shall be returned to the Secretary. At the expiration of any period of suspension of such license, unless in the meantime it is revoked, the dates of the beginning and termination of the suspension shall be indorsed thereon, it shall be returned to the person to whom it was originally issued, and it shall be posted as prescribed in § 737.54.

Any license issued to a sampler, inspector, grader, or weigher shall automatically terminate as to any warehouse whenever the license of such warehouse is suspended, expires, or is revoked, and the license of such sampler, inspector, grader, or weigher shall be returned to the Secretary. In case such license shall apply to more than one warehouse, the Secretary or his designated representative shall issue a new license, omitting the names of the warehouses for which licenses have been suspended, terminated, or revoked. Such new license shall be posted as prescribed in § 737.54.

§ 737.66 Lost or destroyed licenses.

Upon satisfactory proof of the loss or destruction of a license issued to a sampler, inspector, grader, or weigher a duplicate thereof or a new license may be issued under the same or a new number.

§ 737.67 Reports.

Each sampler, inspector, grader, or weigher shall, from time to time, when requested by the Department, make reports on forms furnished for the purpose by the Service bearing upon his activities as such licensee.

§ 737.68 Unlicensed persons: misrepresentation.

No person shall in any way represent himself to be a sampler, inspector, grader, or weigher licensed under the act unless he holds an unsuspended or

unrevoked license issued under the act.

TOBACCO CLASSIFICATION

§ 737.69 Type, grade, form, or condition: statement.

Whenever the type, grade, form, or condition of tobacco is required to be or is stated for the purposes of the act and the regulations in this part, it shall be stated in accordance with §§ 737.69 through 737.73.

§ 737.70 Standards to be used.

Until such time as official tobacco standards of the United States are in effect, the type, grade, form, and condition of tobacco shall be stated: (a) In accordance with such standards, if any, as may be approved for the purpose by the Administrator, or his representative, or (b) in the absence of any such standards, in accordance with the standards adopted by any tobacco organization or by the tobacco trade generally in the locality in which the warehouse is located, subject to disapproval by the Administrator.

§ 737.71 Type, grade, form, or condition.

Whenever the type, grade, form, or condition of tobacco is stated for the purposes of the act and the regulations in this part, the terms used shall be correctly applied and shall be so selected as not to convey a false impression of the tobacco. In determining the type, grade, form, or condition of a package of tobacco, the package as a whole shall be considered rather than parts of it which do not materially affect the value of the entire package and minor irregularities in the tobacco shall be overlooked.

§ 737.72 Type, grade, and form: statement.

Whenever the type, grade, or form of tobacco is stated for the purposes of the act and the regulations in this part, it shall be based upon a careful and thorough examination of the package of tobacco or an official sample thereof. In case the tobacco in one part of a package or sample is inferior to that in other parts of the package or sample, the grade assigned

to the tobacco shall be an average, considering the proportion that each part bears to the whole, and in case of a question as to which grade of two or more grades should be assigned to the tobacco, the lowest grade in question shall be assigned.

§ 737.73 Statement of condition.

Whenever the condition of tobacco is stated for the purpose of the act and the regulations in this part, it shall be based upon a careful and thorough examination of the package of tobacco. In case any portion of a package of tobacco is found to be in a tangled, doubtful keeping, or nested condition, the condition stated for the whole package shall be based upon such tangled, doubtful keeping, or nested portion.

APPEAL ON SAMPLING OR CLASSIFICATION OF TOBACCO

§ 737.74 New receipts; expenses.

If a question arises as to the accuracy of an official sample, or whether the type, grade, form, or condition of the tobacco was correctly stated in a receipt or certificate issued under the act or the regulations in this part, the warehouseman concerned or any person financially interested in the tobacco involved may, after reasonable notice to the other party, submit the question to such committee as the Administrator may appoint. The decision of the committee shall be final, unless the Administrator shall direct a review of the question. Immediately upon making their decision, the committee shall issue a certificate embodying their findings to the appellants and the licensee or licensees involved.

If the decision of the committee be that the sample was not representative of the package of tobacco, or that the type, grade, form, or condition was not correctly stated, the receipt or certificate involved shall be returned to and canceled by the licensee who issued it and the licensee shall issue in lieu thereof a new receipt or certificate embodying therein the statement of type, grade, form, or condition in accordance with the findings of the committee.

All necessary and reasonable expense of such appeal shall be borne by the losing party, unless the Administrator shall decide that the expense should be prorated between the parties.

MISCELLANEOUS

§ 737.75 Bonds required; re State warehouses.

Every person applying for a license or licensed under section 9 of the act shall, as such, be subject to all portions of the regulations in this part, except § 737.5, so far as they may relate to warehousemen. If there is a law of any State providing for a system of warehouses owned, operated, or leased by such State, a person applying for a license under section 9 of the act, to accept the custody of tobacco and to store the same in any of said warehouses, may, in lieu of a bond or bonds, complying with § 737.12, file with the Secretary a single bond meeting the requirements of the act and the regulations in this part, in such form, and in such amount not less than \$5,000 as he shall prescribe, to insure the performance by such person, with respect to the acceptance of the custody of tobacco and its storage in the warehouses in such system for which licenses are or may be issued, of his obligations arising during the periods of such licenses, and in addition, if desired by the applicant, during the periods of any modifications or extensions thereof. In fixing the amount of such bond, consideration shall be given, among other appropriate factors, to the character of the warehouses involved, their actual or contemplated capacity, the bonding requirements of the State, and its liability with respect to such warehouses. If the Secretary shall find the existence of conditions warranting such action, there shall be added to the amount of the bond so fixed a further amount, fixed by him, to meet such conditions.

§ 737.76 Publications.

Publications under the act and the regulations in this part shall be made in such media as the Administrator

may from time to time designate for the purpose.

§ 737.77 Violations to be reported.

Every person licensed under the act shall immediately furnish the Service any information which comes to the knowledge of such person tending to show that any provision of the act or the regulations in this part has been violated.

§ 737.78 Procedure in hearings.

Hearings under the Act or the regulations in this part, except those relating to appeals or arbitrations shall be conducted in accordance with the Rules of Practice Governing Formal Adjudicatory Administrative Proceedings Instituted by the Secretary under various statutes (7 CFR 1.130 through 1.151).

[45 FR 6775, Jan. 30, 1980. Redesignated at 50 FR 1814, Jan. 14, 1985]

§ 737.79 One document and one license to cover several products.

A license may be issued for the storage of two or more agricultural products in a single warehouse. Where such a license is desired, a single application, inspection, bond, record, report, or other paper, document, or proceeding relating to such warehouse, shall be sufficient unless otherwise directed by the Administrator.

§ 737.80 Assets and bond; combination warehouses.

Where such license is desired, the amount of the bond, net assets, and inspection and license fees shall be determined by the Administrator in accordance with the regulations applicable to the particular agricultural product which would require the largest bond and the greatest amount of net assets and of fees if the full capacity of the warehouse was used for its storage.

§ 737.81 Amendments.

Any amendment to, or revision of, the regulations in this part, unless otherwise stated therein, shall apply in the same manner to persons holding licenses at the time it becomes ef-

fective as it applies to persons thereafter licensed under the act.

UNITED STATES WAREHOUSE ACT

1/

(7 U.S.C. 241-273)

That this Act shall be known by the short title of "United States warehouse Act." (7 U.S.C. 241.)

Sec. 2. That the term "warehouse" as used in this Act shall be deemed to mean every building, structure, or other protected inclosure in which any agricultural product is or may be stored for interstate or foreign commerce, or, if located within any place under the exclusive jurisdiction of the United States, in which any agricultural product is or may be stored. As used in this Act, "person" includes a corporation or partnership or two or more persons having a joint or common interest; "warehouseman" means a person lawfully engaged in the business of storing agricultural products; and "receipt" means a warehouse receipt. (7 U.S.C. 242.)

Sec. 3. That the Secretary of Agriculture is authorized to investigate the storage, warehousing, classifying according to grade and otherwise, weighing, and certification of agricultural products; upon application to him by any person applying for license to conduct a warehouse under this Act, to inspect such warehouse or cause it to be inspected; at any time, with or without application to him, to inspect or cause to be inspected all warehouses licensed under this Act; to determine whether warehouses for which licenses are applied for or have been issued under this Act are suitable for the

proper storage of any agricultural product or products; to classify warehouses licensed or applying for a license in accordance with their ownership, location, surroundings, capacity, conditions, and other qualities, and as to the kinds of licenses issued or that may be issued for them pursuant to this Act; and to prescribe, within the limitations of this Act, the duties of the warehousemen conducting warehouses licensed under this Act with respect to their care of and responsibility for agricultural products stored therein. (7 U.S.C. 243.)

Sec. 4. That the Secretary of Agriculture, or his designated representative, is authorized, upon application to him, to issue to any warehouseman a license for the conduct of a warehouse or warehouses in accordance with this Act and such rules and regulations as may be made hereunder: *Provided*, That each such warehouse be found suitable for the proper storage of the particular agricultural product or products for which a license is applied for, and that such warehouseman agree, as a condition to the granting of the license, to comply with and abide by all the terms of this Act and the rules and regulations prescribed hereunder. (7 U.S.C. 244.)

Sec. 5. That each license issued under Sections 4 and 9 of this Act shall terminate as therein provided, or in accordance with the terms of this Act

1/ August 11, 1916, ch. 313, part C, § 28, 39 Stat. 486, as amended July 24, 1919, ch. 26, 41 Stat. 266; Feb. 23, 1923, ch. 106, 42 Stat. 1282; March 2, 1931, ch. 366, § 146 Stat. 1463; Aug. 13, 1981, Pub. L. 97-35, § 158, 95 Stat. 357, effective Oct. 1, 1981; Mar. 20, 1986, Pub. L. 99-260, § 14, 100 Stat. 54.

and the regulations thereunder, and may from time to time be modified or extended by a written instrument. (7 U.S.C. 245.)

Sec. 6. That each warehouseman applying for a license to conduct a warehouse in accordance with this Act shall, as a condition to the granting thereof, execute and file with the Secretary of Agriculture a good and sufficient bond to the United States to secure the faithful performance of his obligations as a warehouseman under the terms of this Act and the rules and regulations prescribed hereunder, and of such additional obligations as a warehouseman as may be assumed by him under contracts with the respective depositors of agricultural products in such warehouse. Said bond shall be in such form and amount, shall have such surety or sureties, subject to service of process in suits on the bond within the State, District, or Territory in which the warehouse is located, and shall contain such terms and conditions as the Secretary of Agriculture may prescribe to carry out the purposes of this Act, and may, in the discretion of the Secretary of Agriculture, include the requirements of fire and/or other insurance. Whenever the Secretary of Agriculture, or his designated representative, shall determine that a previously approved bond is, or for any cause has become, insufficient, he may require an additional bond or bonds to be given by the warehouseman concerned, conforming with the requirements of this section, and unless the same be given within the time fixed by a written demand therefor the license of such warehouseman may be suspended or revoked. (7 U.S.C. 247.)

Sec. 7. That any person injured by the breach of any obligation to secure which a bond is given, under the provisions of Sections 6 or 9, shall be entitled to sue on the bond in his own name in any court of competent juris-

diction to recover the damages he may have sustained by such breach. (7 U.S.C. 249.)

Sec. 8. That upon the filing with and approval by the Secretary of Agriculture, or his designated representative, of a bond, in compliance with this Act, for the conduct of a warehouse, such warehouse may be designated as bonded hereunder; but no warehouse shall be designated as bonded under this Act, and no name or description conveying the impression that it is so bonded shall be used until a bond, such as provided for in section 6, has been filed with and approved by the Secretary of Agriculture, or his designated representative, nor unless the license issued under this Act for the conduct of such warehouse remains unsuspended and unrevoked. (7 U.S.C. 250.)

Sec. 9. That the Secretary of Agriculture, or his designated representative, may, under such rules and regulations as he shall prescribe, issue a license to any person not a warehouseman to accept the custody of agricultural products, and to store the same in a warehouse or warehouses owned, operated, or leased by any state, upon condition that such person agree to comply with and abide by the terms of this Act and the rules and regulations prescribed hereunder. Each person so licensed shall issue receipts for the agricultural products placed in his custody, and shall give bond, in accordance with the provisions of this Act, and the rules and regulations hereunder affecting warehousemen licensed under this Act, and shall otherwise be subject to this Act, and such rules and regulations, to the same extent as is provided for warehousemen licensed hereunder. (7 U.S.C. 248.)

Sec. 10. The Secretary of Agriculture, or the Secretary's designated representative, shall charge, assess, and cause to be collected a

reasonable fee for (1) each examination or inspection of a warehouse (including the physical facilities and records thereof and the agricultural products therein) under this Act; (2) each license issued to any person to classify, inspect, grade, sample, or weigh agricultural products stored or to be stored under provisions of this Act; (3) each annual warehouse license issued to a warehouseman to conduct a warehouse under this Act; and (4) each warehouse license amended, modified, extended, or reinstated under this Act. Such fees shall cover as nearly as practicable, the costs of providing such services and licenses, including administrative and supervisory costs: *Provided.*

That the amount of such fees collected for cotton warehouse inspections shall not exceed \$400,000 in the fiscal year ending September 30, 1982, \$415,000 in fiscal year ending September 30, 1983, and \$430,000 in the fiscal year ending September 30, 1984. All fees collected shall be credited to the current appropriation account that incurs the costs and shall be available without fiscal year limitation to pay the expenses of the Secretary incident to

providing services under this Act. The Secretary may deposit such funds in an interest bearing account with a financial institution. If any interest is earned on this account such interest shall be credited to the account for use by the Secretary in providing such services. (7 U.S.C. 251.)

Sec. 11. That the Secretary of Agriculture, or his designated representative, may upon presentation of satisfactory proof of competency, issue to any person a license to inspect, sample, or classify any agricultural product or products, stored or to be stored in a warehouse licensed under this Act, according to condition, grade, or otherwise and to certificate the condition, grade, or other class thereof, or to weigh the same and certificate the weight thereof, or both to inspect, sample, or classify and weigh the same and to certificate the condition, grade, or other class and the weight thereof, upon condition that such person agree to comply with and abide by the terms of this Act and of the rules and regulations prescribed hereunder so far as the same relate to him. (7 U.S.C. 252.)

Sec. 12. That any license issued to any person to inspect, sample, or classify, or to weigh any agricultural product or products under this Act may be suspended or revoked by the Secretary of Agriculture, or his designated representative, whenever he is satisfied, after opportunity afforded to the licensee concerned for a hearing, that such licensee has failed to inspect, sample, or classify, or to weigh any agricultural product or products correctly, or has violated any of the provisions of this Act or of the rules and regulations prescribed hereunder, so far as the same may relate to him,

or that he has used his license or allowed it to be used for any improper purpose whatever. Pending investigation, the Secretary of Agriculture, or his designated representative, whenever he deems necessary, may suspend a license temporarily without hearing. (7 U.S.C. 253.)

Sec. 13. That every warehouseman conducting a warehouse licensed under this Act shall receive for storage therein, so far as its capacity permits, any agricultural product of the kind customarily stored therein by him which may be tendered to him in a suitable condition for warehousing, in the usual manner in the ordinary and usual course of business, without making any discrimination between persons desiring to avail themselves of warehouse facilities. (7 U.S.C. 254.)

Sec. 14. That any person who deposits agricultural products for storage in a warehouse licensed under this Act shall be deemed to have deposited the same subject to the terms of this Act and the rules and regulations prescribed hereunder. (7 U.S.C. 255.)

Sec. 15. That any fungible agricultural product stored for interstate or foreign commerce, or in any place under the exclusive jurisdiction of the United States, in a warehouse licensed under this Act shall be inspected and graded by a person duly licensed to grade the same under this Act. (7 U.S.C. 256.)

Sec. 16. That every warehouseman conducting a warehouse licensed under this Act shall keep the agricultural products therein of one depositor so far separate from agricultural products of other depositors, and from other agricultural products of the same depositor for which a separate receipt has been issued, as to permit at all times the identification and redelivery of the agricultural products deposited; but if authorized by agreement or by custom, a warehouseman may mingle fungible agricultural products with

other agricultural products of the same kind and grade, and shall be severally liable to each depositor for the care and redelivery of his share of such mass, to the same extent and under the same circumstances as if the agricultural products had been kept separate, but he shall at no time while they are in his custody mix fungible agricultural products of different grades. (7 U.S.C. 258.)

Sec. 17. (a) Except as provided in subsection (b), for all agricultural products stored for interstate or foreign commerce, or in any place under the exclusive jurisdiction of the United States, in a warehouse licensed under this Act original receipts shall be issued by the warehouseman conducting the same, but no receipts shall be issued except for agricultural products actually stored in the warehouse at the time of the issuance thereof. **(b)(1)** Notwithstanding any other provision of this Act, if a warehouseman because of a temporary shortage lacks sufficient space to store the agricultural products of all depositors in a licensed warehouse, the warehouseman may, in accordance with regulations issued by the Secretary of Agriculture and subject to such terms and conditions as the Secretary may prescribe, transfer stored agricultural products for which receipts have been issued out of such warehouse to another licensed warehouse for continued storage.

(2) The warehouseman of a licensed warehouse from which agricultural products have been transferred under paragraph (1) shall deliver to the rightful owner of such products, on request, at the licensed warehouse where first deposited, such products in the

amount, and of the kind, quality, and grade, called for by the receipts or other evidence of storage of such owner. (7 U.S.C. 259.)

Sec. 18. That every receipt issued for agricultural products stored in a warehouse licensed under this Act shall embody within its written or printed terms (a) the location of the warehouse in which the agricultural products are stored; (b) the date of issue of the receipt; (c) the consecutive number of the receipt; (d) a statement whether the agricultural products received will be delivered to the bearer, to a specified person, or to a specified person or his order; (e) the rate of storage charges; (f) a description of the agricultural products received, showing the quantity thereof, or, in case of agricultural products customarily put up in bales or packages, a description of such bales or packages by marks, numbers, or other means of identification and the weight of such bales or packages; (g) the grade or other class of the agricultural products received and the standard or description in accordance with which such classification has been made: *Provided*, That such grade or other class shall be stated according to the official standard of the United States applicable to such agricultural products as the same may be fixed and promulgated under authority of law: *Provided further*, That until such official standards of the United States for any agricultural product or products have been fixed and promulgated, the grade or other class thereof may be stated in accordance with any recognized standard or in accordance with such rules and regulations not inconsistent herewith as may be prescribed by the Secretary of Agriculture; (h) a statement that the receipt is issued subject to the United States warehouse Act and the rules and regulations prescribed thereunder; (i) if the receipt

be issued for agricultural products of which the warehouseman is owner, either solely or jointly or in common with others, the fact of such ownership; (j) a statement of the amount of advances made and of liabilities incurred for, which the warehouseman claims a lien: *Provided*, That if the precise amount of such advances made or of such liabilities incurred be at the time of the issue of the receipt unknown to the warehouseman or his agent who issued it, a statement of the fact that advances have been made or liabilities incurred and the purpose thereof shall be sufficient; (k) such other terms and conditions within the limitations of this Act as may be required by the Secretary of Agriculture; and (l) the signature of the warehouseman, which may be made by his authorized agent: *Provided*, That unless otherwise required by the law of the State in which the warehouse is located, when requested by a depositor of other than fungible agricultural products, a receipt omitting compliance with subdivision (g) of this section may be issued; *Provided, however*, The Secretary of Agriculture may in his discretion require that such receipt have plainly and conspicuously embodied in its written or printed terms a provision that such receipt is not negotiable. (7 U.S.C. 260.)

Sec. 19. That the Secretary of Agriculture is authorized, from time to time, to establish and promulgate standards for agricultural products by which their quality or value may be judged or determined: *Provided*, That the standards for any agricultural products which have been, or which in future may be, established by or under authority of any other Act of Congress shall be, and are hereby, adopted for the purposes of this Act as the official standards of the United States for the agricultural products to which they relate. (7 U.S.C. 257.)

Sec. 20. That while an original receipt issued under this Act is out-

standing and uncanceled by the warehouseman issuing the same no other or further receipt shall be issued for the agricultural product covered thereby or for any part thereof, except that in the case of a lost or destroyed receipt a new receipt, upon the same terms and subject to the same conditions and bearing on its face the number and date of the receipt in lieu of which it is issued, may be issued upon compliance with the statutes of the United States applicable thereto in places under the exclusive jurisdiction of the United States or upon compliance with the laws of any State applicable thereto in any place not under the exclusive jurisdiction of the United States: *Provided*, That if there be in such case no statute of the United States or law of a State applicable thereto such new receipts may be issued upon the giving of satisfactory security in compliance with the rules and regulations made pursuant to this Act. (7 U.S.C. 261.)

Sec. 21. That a warehouseman conducting a warehouse licensed under this Act, in the absence of some lawful excuse, shall, without unnecessary delay, deliver the agricultural products stored therein upon a demand made either by the holder of a receipt for such agricultural products or by the depositor thereof if such demand be accompanied with (a) an offer to satisfy the warehouseman's lien; (b) an offer to surrender the receipt, if negotiable, with such indorsements as would be necessary for the negotiation of the receipts; and (c) a readiness and willingness to sign, when the products are delivered, an acknowledgment that they have been delivered if such signature is requested by the warehouseman. (7 U.S.C. 262.)

Sec. 22. That a warehouseman conducting a warehouse licensed under this Act shall plainly cancel upon the face thereof each receipt returned to him upon the delivery by him of the

agricultural products for which the receipt was issued. (7 U.S.C. 263.)

Sec. 23. That every warehouseman conducting a warehouse licensed under this Act shall keep in a place of safety complete and correct records of all agricultural products stored therein and withdrawn therefrom, of all warehouse receipts issued by him, and of the receipts returned to and canceled by him, shall make reports to the Secretary of Agriculture concerning such warehouse and the condition, contents, operation, and business thereof in such form and at such times as he may require, and shall conduct said warehouse in all respects in compliance with this Act and the rules and regulations made hereunder. (7 U.S.C. 264.)

Sec. 24. That the Secretary of Agriculture is authorized to cause examinations to be made of any agricultural product stored in any warehouse licensed under this Act. Whenever, after opportunity for hearing is given to the warehouseman conducting such warehouse, it is determined that he is not performing fully the duties imposed on him by this Act and the rules and regulations made hereunder, the Secretary may publish his findings. (7 U.S.C. 265.)

Sec. 25. That the Secretary of Agriculture, or his designated representative, may, after opportunity for hearing has been afforded to the licensee concerned, suspend or revoke any license to any warehouseman conducting a warehouse under this Act, for any violation of or failure to comply with any provision of this Act or of the rules and regulations made hereunder, or upon the ground that unreasonable or exorbitant charges have been made for services rendered. Pending investigation, the Secretary of Agriculture, or his designated representative, whenever he deems necessary, may suspend a license temporarily without hearing. (7 U.S.C. 246.)

Sec. 26. That the Secretary of Agriculture from time to time may publish the results of any investigations made under Section 3 of this Act; and he shall publish the names and locations of warehouses licensed and bonded and the names and addresses of persons licensed under this Act and lists of all licenses terminated under this Act and the causes therefor. (7 U.S.C. 266.)

Sec. 27. That the Secretary of Agriculture is authorized through officials, employees, or agents of the Department of Agriculture designated by him to examine all books, records, papers, and accounts of warehouses licensed under this Act and of the warehousemen conducting such warehouses relating thereto. (7 U.S.C. 267.)

Sec. 28. That the Secretary of Agriculture shall from time to time make such rules and regulations as he may deem necessary for the efficient execution of the provisions of this Act. (7 U.S.C. 268.)

Sec. 29. That in the discretion of the Secretary of Agriculture he is authorized to cooperate with State officials charged with the enforcement of State laws relating to warehouses, warehousemen, weighers, graders, inspectors, samplers, or classifiers; but the power, jurisdiction, and authority conferred upon the Secretary of Agriculture under this Act shall be exclusive with respect to all persons securing a license hereunder so long as said license remains in effect. This Act shall not be construed so as to limit the operation of any statute of the United States relating to warehouses or to warehousemen, weighers, graders, inspectors, samplers, or classifiers now in force in the District of Columbia or in any Territory or other place under the exclusive jurisdiction of the United States. (7 U.S.C. 269.)

Sec. 30. That every person who shall forge, alter, counterfeit, simulate, or falsely represent, or shall without proper authority use, any li-

cense issued by the Secretary of Agriculture, or his designated representative, under this Act, or who shall violate or fail to comply with any provision of Section 8 of this Act, or who shall issue or utter a false or fraudulent receipt or certificate, or change in any manner an original receipt or certificate subsequently to issuance by a licensee, or any person who, without lawful authority, shall convert to his own use, or use for purposes of securing a loan, or remove from a licensed warehouse contrary to this Act or the regulations promulgated thereunder, any agricultural products stored or to be stored in such warehouse, and for which licensed receipts have been or are to be issued, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined not more than \$10,000, or double the value of the products involved if such double value exceeds \$10,000, or imprisoned not more than ten years, or both, in the discretion of the court, and the owner of the agricultural products so converted, used, or removed may, in the discretion of the Secretary of Agriculture, be reimbursed for the value thereof out of any fine collected hereunder, by check drawn on the Treasury at the direction of the Secretary of Agriculture, for the value of such products to the extent that such owner has not otherwise been reimbursed. That any person who shall draw with intent to deceive, a false sample of, or who shall willfully mutilate or falsely represent a sample drawn under this Act, or who shall classify, grade, or weigh fraudulently, any agricultural products stored or to be stored under the provisions of this Act, shall be deemed guilty of a misdemeanor, and upon conviction thereof fined not more than \$500, or imprisoned for not more than six months, or both in the discretion of the court. (7 U.S.C. 270.)

Sec. 31. There are hereby authorized to be appropriated such sums as are necessary to carry out the provisions of this Act other than those services for which fees are authorized pursuant to section 10. Such appropriated funds may be used by the Secretary to employ qualified persons not regularly in the service of the United States for temporary assistance in carrying out the provisions of this Act. (7 U.S.C. 271.)

Sec. 32. That if any clause, sentence, paragraph, or part of this Act shall, for any reason, be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, or part thereof directly involved in the controversy in which such judgment shall have been rendered. (7 U.S.C. 272.)

Sec. 33. That the right to amend, alter, or repeal this Act is hereby expressly reserved. (7 U.S.C. 273.)
