COLE'S FAVORITE LILAC COLLECTION

French Hybrid Lilacs are bushy semi-tall growers, excellent in size, shape and color of bloom and are extremely floriferous in early spring.
DELICIE DE NANCY. Double early pink.
GEORGE DE LORRAINE. A most beautiful new variety. Heavenly blue flowers of mammoth size.
LEWIS ST. PAUL. Single, deep rich red. One of the latest flowering sorts.
MICHAEL BUCHER. Plant dwarf. Blooming double; color pale blue with interior of petals shaded blue.
MISS CASPER-PERIER. Double, creamy white. A dwarf grower.

Cole Nursery Co. Painesville, Ohio

18 to 21 in., reg. 50c; special, 40c each.
2 to 3 ft., reg. 60c; special, 50c each.

The most larger size in every instance represents practically our additional year's growth. Would you put your planting behind one year for such a small saving?
We recommend the larger grades.

Cut-Leaf White Birch

(Betula albo pendula)
(Not pictured)
Artistic drooping character. Very striking.
6 to 8 ft., reg. \$3.00; special, \$2.45.
8 to 10 ft., reg. \$3.75; special, \$3.25.

Cole's Golden Anniversary Shrubs

Shrubs form the greater part of attractive plantings, and with careful placing and selecting of varieties they will become the most treasured beauties of your outdoors around the foundation of buildings, along the sides of the building lot and in occasional clumps along walks and drive-ways.

After fifty years of work and study is it any wonder that we feel we have acquired the necessary fundamentals regarding the proper handling of plants, and how they should be planted? We will gladly send you information regarding the proper selection of your plant material for the asking.
