Conditions of Sale

Liability—Orders are accepted subject to prior sale and condition of stock, under the following terms. Errors made by us will be gladly corrected, but we must be notified within five days from the arrival of the stock. The plants become your property upon delivery of them to the Transportation Co., and we cannot be responsible for loss, damage or delay in transit.

Prices—Are F. O. B. our nurseries, packing extra; 250, 25 or 5 of any one variety on one order will be furnished at the 1000, 100 or 10 rates respectively.

Terms—Cash, security or satisfactory references are required from unknown parties. ALL ACCOUNTS DUE thirty days from date of invoice. Interest at six per cent (6%) per year will be charged on all overdue accounts.

Stock Specially Selected by customers at the Nurseries will be charged according to the value of the material chosen, irrespective of catalogue price.

Our Responsibility—While we exercise the greatest care to have our nursery products all genuine and reliable, and hold ourselves prepared to replace, on proper proof, all that proves untrue, we do not give any warranty, express or implied, or guarantee them to live and grow or give specified results. In case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the nursery products. No complaints will be considered that are not made within ten days after receipt of our products.

Packing—Carloads packed free. Boxing charged at cost as follows:

12x 15 in. x 8 ft. \$1.75	23x28 in. x 8 ft. \$3.00	17x20 in. x 10 ft. \$3.50
15x 16 in. x 8 ft. 2.00	28x32 in. x 8 ft. 3.50	19x24 in. x 10 ft. 4.00
17x 20 in. x 8 ft. 2.25	31x36 in. x 8 ft. 4.00	23x28 in. x 10 ft. 4.50
19x 24 in. x 8 ft. 2.50	15x16 in. x 10 ft. 3.00	27x32 in. x 10 ft. 5.00

Delivery Service is made within one hundred miles of our nurseries at the following scheduled charges which are less than actual costs. The advantages of truck delivery are many; the cost of boxing, freight and cartage is eliminated; the stock is delivered in a much better condition than when packed in cases; and above all, the goods are landed on the grounds within a short time after being dug.
