SPECIAL Advance Sale!

Ending February 15, 1931

BARGAINS! BARGAINS! BARGAINS!

LOOK THEM OVER

In checking over our stock in getting things ready for the big spring rush, we find that we have some items in a somewhat bigger supply than we had first anticipated. And so, rather than dump them on the market wholesale, we are offering them to our old customers at greatly reduced prices to give them the benefit of this surplus. But please bear in mind that these prices only hold good during this sale, which ends Feb. 15, 1931.

Look over our last year's catalogue for fuller descriptions. This year's catalog will be out about the latter part of February or a little before, and in which you will see these same items listed at a good deal higher prices. So order at once and take advantage of these prices now!

However, whether you order from this list or not we would like very much to hear from you as to how the things are coming that you have bought from us in the past. So if for some reason or other your things haven't done just as you think they should or if there is anything you want to discuss with us please write and tell us about it and we will be only too glad to do the right thing in whatever adjustment or replacement is necessary.

This year has been predicted by many good authorities to be the wettest we have had for a long time. By the law of averages it should be after such a series of dry years just experienced. It has certainly been a mild winter so far. It is well to get in line now with all these advantages of nature and besides to buy at the lowest prices on nursery stock and seeds that we have had in years. Buy now and note your big savings later.

Terms: Cash with order or else 25% down and balance on delivery. All stock F.O.B. here and packing free.

CHINESE ELM

The fastest growing shade tree known and one that is jumping into popularity and more widespread use every day. It is very hardy, and will do well on almost all soils. Its leaves are finer, brighter green and more dense than the common American Elm, and it has a more symmetrical growth with a round head. All in all it is one of the most beautiful and useful of all shade and ornamental trees yet introduced. It is now only a question of being able to get them fast enough to supply the demand. Order now while we still have a good supply and the prices are low. Prices 3-4 ft. Trees 35c Each; 6 For \$1.75; 12 For \$3.00.

HANSEN BUSH CHERRY

Hansen Bush Cherries are the bush-cherry Prof. N. E. Hansen has been improving for over 30 years. They are large size, good flavor, heavy bearers and very hardy. They bear on one year wood and will do well on most soils and in some places where no

other fruit can be grown. Their flavor is excellent and of wonderful use in jellies, jams, nectars, etc. Prices: Small 12 For \$1.00; Medium 12 For \$1.75; Large 12 For \$2.50.

NIOBE WEeping WILLOW

On the lawn or in front of a background of trees it is a beautiful sight both in winter and summer. Its swaying branches of golden color and small pointed green leaves make a wonderful combination of beauty and grace. It is one of the best ornamental, specimen lawn trees. Prices: 3-4 ft. Trees 35c Each; 3 For \$1.00.

SIBERIAN FLOWERING ALMOND

The hardiest and earliest to bloom of all shrubs. Dwarf growing with profuse masses of pretty pink flowers in the latter part of April or early May, usually several weeks before the spireas begin to bloom. Does well on almost any soil and is very drought resisting. Should be planted in front of taller growing shrubs because of the dwarf habit of growth. Large shrubs, Prices: 25c Each; 3 For 50c; 12 For \$1.75.

SPIREA VAN HOUTTE

PEONIES

The prettiest and hardiest of all perennials. Glorious when in full bloom in the spring. Easy to grow anywhere and no garden is complete without them. Only a few offered at these reduced prices so order at once. Prices: Large healthy 3 to 5 Eye Divisions, in choice assortments or by separate colors, 35c Each; 4 For \$1.00; 12 For \$2.75.

COSSACK ALFALFA

Prof. N. E. Hansen's Wonder Plant

The hardiest and best of alfalfas. Produces an abundance of hay and forage in the driest years. Will not kill in the coldest climates, will stand the closest pasturing, producing a large crowned head of an abundant supply of sturdy, succulent stems and leaves. Grows with a large branched root system forming many nitrogen nodules, adding to your soil. Sow 8 to 10 pounds to the acre. A small surplus of our best seed, while it lasts, priced to move at 50 lbs. \$20.00; 100 lbs. \$35.00; 150 lbs. \$50.00.

GRIMM ALFALFA

A great hay alfalfa. Not quite as hardy as Cossack but in good years will produce about as much forage. Has very fine succulent foliage. Widely used in mixed pastures. 50 lbs. \$17.50; 100 lbs. \$30.00; 150 lbs. \$40.00.

PROSO

The Grain Wonder of the Age!

Will mature in 60 days. One of the best fattening foods for hogs known. In mixed rations is one of the best feeds for cattle, horses, and chickens, as it contains much protein elements. Introduced by Prof. N. E. Hansen from an eight inch rain fall country in Siberia, so it will do well in our driest year. Proso will often yield as high as 300 to 500 fold. Sow 15 to 25 pounds to the acre. Only a limited supply offered at these bargain prices. 100 lbs. \$4.00 250 lbs. \$7.50.
