SPECIAL OFFERING, No. 86

Did you receive our Catalog of Established Orchids and list of unflowered seedlings recently sent to you?

We believe we have the largest, varied, commercial collection of Orchids in the country and specialize in the stocking of both private and commercial establishments.

To the amateur or beginner who wants Orchids we offer every assistance in suggestions and recommendations backed by an experience of over thirty-five years in this business.

Listed below we offer some collections for both the amateur and experienced Orchid Grower. Cultural directions, etc., will be sent you on request.

In ordering, please specify collection number.
