AGREEMENT

Between Thomas Madsen & Co., of New York, N. Y.,
 And **UNITED STATES DEPARTMENT OF AGRICULTURE**
WASHINGTON, D.C.

Thomas Madsen & Co. agree to plant sufficient land ordinarily to produce the quantities of seed named herein, at prices indicated, and will deliver the seed in good merchantable condition as soon as practicable after harvest.

Thomas Madsen & Co. will accept contracts only so long as the conditions of the crops are favorable enough to justify their accepting same, but in event of short crops will fill pro rata only.

Terms: F. O. B. steamer at Copenhagen; 60 days net or 2% discount for cash within 10 days from date of invoice; packing at cost.

Thomas Madsen & Co. give no warranty, express or implied, as to description, quality, productiveness, or any other matter of any seeds they send out, and will not be in any way responsible for the crop.

As seller *Thomas Madsen & Co*

As buyer

A seven acre field of MADSEN SUPER SNOWBALL in bloom in July 1930

TYING - UP

As soon as the blossoms have dropped from a plant its branches are tied to a stake. By same we not only keep the seed-pods off the ground, but can prevent weeds from growing up and keeping them damp.

The tying entails much labor, but the seed gets a better chance to ripen fully, and it will germinate so much better.
