WORLD'S BEST WHITE. I. D. Fine white on good stems	1.00	.50

We grow thousands of Green Dahlia plants with great success. You need not hesitate to use them. Plant about six inches deep, filling up the hole gradually as you cultivate.

POMPON DAHLIAS

These Dahlias are very small and are well suited for cutting and decoration. The demand, each year, is growing for these little gems. If you have not grown them make a selection at once for this season. They are always in flower. Tubers only.

Hardy Perennials

I am growing many Hardy Perennials this year but am only selling them here. They include Rock Plants of about 75 varieties. Am growing five varieties of Delphinium, including the famous English Hybrids from seed imported from England. The prices are right. Call and make your selection. Most of them are grown in pots which makes them easily transplanted without loss.
