Advance 1931 Wholesale Trade List

TERMS:—Cash with order for immediate shipment; 25 percent deposit with order for future delivery, balance C. O. D. or before shipping date.

Prices quoted are for selected A. No. 1 divisions of selected clumps of field grown tuber planted stock true to name, which can be planted or resold with the confidence that they will give satisfaction to grower and retail customers. A FACT well known to the trade of the U. S. A. and Canada.

We do not substitute and if sold out on a variety ordered, we cheerfully refund remittance.

Orders shipped by express or freight collect, if wanted by Parcel Post include postage.

Save Money. Buy Now! Here's Our Special Offer for Early Orders!

For orders received at once, in December, 1930 and January, 1931, we offer to add 15 percent in extra count or allow a 10 percent cash discount.

Take advantage of this offer and send your order at once with remittance in full if wanted for immediate shipment, or with a 25 percent deposit if for future delivery.

NOTE:—Orders received after January 31st and during February we will allow 5 percent cash discount or add 10 percent in extras. Orders of March and later, no cash discount will be allowed but will add extras to help defray shipping charges.

Please Note Our Low Prices

We have had a wonderful growing season and harvested a large crop of fine, firm matured roots which we *priced to sell quickly* as must turn same into cash on account of the unprofitable N. Y. cut-flower market returns of the past season.

Hoping our old and new customers will take advantage of these **REDUCED PRICES** and **SPECIAL Discount Offers** by favoring us with their orders at the earliest convenience before stocks become depleted.
