INFORMATION FOR CUSTOMERS

PACKING and SHIPPING. Unless explicit directions are received we use our best judgment as to methods of shipping. Motor trucks are suggested where the order is reasonably large and the distance not too great. Packing free for Perennials and Roses. On other items packing is charged for at cost except where cash accompanies order.

PRICES. The prices in this catalog are F. O. B. Falmouth. If cash orders are wanted parcel post please add 10% to the amount of the purchase to cover postage.

Five of any variety will be sold at the 10 rate, 25 at the 100 rate.

GUARANTEE. We guarantee every specimen shipped from our nurseries to be free from disease, in a healthy growing condition, dug and packed properly. If our stock is not as represented, notify us **immediately**; no complaints will be considered that are not made within ten days after receipt of stock.

We are always glad to replace free of charge any items that prove to be not true to name.

As we have no control over after-treatment or weather conditions, we make no guarantee, expressed or implied, that our stock will grow whether planted by us or not. This is in accordance with the custom of the trade.

PLANTING SEASONS. Transplanting can be done from the time the frost is out of the ground in Spring until the latter part of June, and again from late September on, as long as the ground holds open.

Evergreens may also be moved advantageously in late August and September.

Visitors are always welcome. Open for business on Sunday only by appointment. Our Lakeview Avenue nurseries are easily accessible from our offices on Depot Avenue. Drop in and browse around. You will find interesting plants growing which are not yet included in our price lists. We shall be glad to extend you every courtesy.
