Our Central Location Insures Moderate Freight
Rates to All Points

All contracts booked subject to crop, pro rata
delivery in case of short crop.

We give no warranty express or implied as to description,
purity, productiveness or any other matter of any seeds we
send out, and will not be in any way responsible for the crop.
When mentioned, purity and germination are for information
only and without guarantee.

TO OUR FRIENDS AND CUSTOMERS

This is our bid for your business for the coming
crop of 1932 Beans and Peas which we have been
growing for past forty years. We cannot afford at
these prices to send a traveling man to see you per-
sonally, the margin of profit does not warrant that.
We hope to receive your order by mail.

On the last page of this sheet you will find spot
price on such goods as we have in surplus crop of 1931.
